Mass Communications Law In A Nutshell Nutshell Series:

Mass communications law in a nutshell Harvey L. Zuckman, Martin J. Gaynes, 1979 *Mass Communication Law in a Nutshell* T. Barton Carter, Juliet Lushbough Dee, Harvey L. Zuckman, 2014 Mass Communication Law in a Nutshell satisfies the need for a basic text in communication law not only for law students but for journalism and communication students as well Highlights of the Seventh Edition of the popular book include a discussion of the USA Patriot Act the Critical Infrastructure Information Act exemption to the Freedom of Information Act government initiatives such as warrantless eavesdropping on telephone calls following the terrorist attacks of September 11 2001 and recent FCC regulations authorizing a low power radio service digital television DTV high definition television HDTV and digital must carry regulations Further highlights include Congress passage of the Broadcast Indecency Enforcement Act following Janet Jackson's wardrobe malfunction litigation involving filtering software and the Child Online Protection Act COPA Congress attempts to control spam on the Internet *Mass Media* James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes *Mass Communication Law in a Nutshell* T. Barton Carter, 1994 The First Amendment and Mass Communications The First Amendment in Perspective Defamation and Mass Communications Privacy and the Mass Media Restraint of Obscene Expression Restraint of the Press for Purpose of National Security Free Press vs Fair Trial Freedom to Gather News and Information Newsmen's Privilege Subpoenas Contempt Citations and Searches and Seizures Regulation of Commercial Speech Regulation of the Electronic Mass Media The FCC What It Does and Does Not Do FCC Control of Broadcast Operations Cable and New Technologies *Routledge Revivals: Radio Broadcasting from 1920 to 1990 (1991)* Diane Foxhill Carothers, 2016-11-10 First published in 1991 this book presents a comprehensive annotated bibliography of radio broadcasting Its eleven chapter categories cover almost the entire range of radio broadcasting with the exception of radio engineering due to its technical complexity although some of the historical volumes do encompass aspects thus providing background material Entries are primarily restricted to published books although a number of trade journals and periodicals are also included Each entry includes full bibliographic information including the ISBN or ISSN where available and an annotation written by the author with the original text in hand **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1978 The New American Political System Anthony King, 1990 Everything is new in this second version of AEI's all time bestseller which brings coverage of the vital trends in American political life up to the present *Electronic Media Law and Regulation* Kenneth C. Creech, 2013-07-24 Electronic Media Law and Regulation is

a case based law text that provides students with direct access to case law as well as the context in which to understand its meaning and impact The text overviews the major legal and regulatory issues facing broadcasting cable and developing media in today s industry Presenting information from major cases rules regulations and legal documents in a concise and readable form this book helps current and prospective media professsionals understand the complex realm of law and regulation Students will learn how to avoid common legal pitfalls and anticipate situations that may have potential legal consequences This sixth edition provides annotated cases with margin notes and new chapters address such timely issues as media ownership freedom of information entertainment rights and cyber law **Law Books in Print: Authors** Robert L. Buckwalter,1982 Regulating Convergence Susan J. Drucker,Gary Gumpert,2010 Traditionally the technologies of telecommunications broadcasting satellite and computing operated independently while the industries associated with each were regulated independently along the same lines Technological convergence challenges the vertical regulatory models of broadcasting telecommunications and computer services while simultaneously challenging the traditional approach to regulation by nation states It is time for a critical examination of regulations which support convergence while addressing the realities of the current media environment This edited volume provides a heuristic analysis of the challenges facing regulators and media institutions Chapters explore the nature of the laws and regulations straining under the new technological realities consider the changes already made to accommodate the new media landscape and examine new directions and approaches to the regulation of convergent media technologies and media institutions Mass Media Revolution J. Charles Sterin,Tameka Winston,2017-11-22 Now in its Third Edition Mass Media Revolution remains a dynamic guide to the world of mass media enhancing its readers development as critical consumers It features a wealth of expanded content with particular attention to diversity in the media industry reality TV ethics and social media and the evolution of online journalism Chapter content is aligned to the ACEJMC national academic standards **Random Justice** Neil Duxbury,2002-07 This controversial book explores the potential for the use of lotteries in social and particularly legal decision making contexts Neil Duxbury considers in detail the history advantages and drawbacks of deciding issues of social significance by lot and argues that the value of the lottery as a legal decision making device has generally been underestimated **Monographic Series** Library of Congress, Teaching Materials on the Laws of Corporations Harry G. Henn,1986 Feminists, Feminisms, and Advertising Kim Golombisky,Peggy J. Kreshel,2017-10-16 Women and advertising are both globally ubiquitous Yet advertising remains one of the most unabashedly misogynist heterosexist and racist industries This edited volume of original unpublished chapters is the first ever to offer explicitly feminist views on advertising Feminists Feminisms and Advertising provides feminist analyses of the historical relationships between the advertising industry and the women s movement in the United States Contributors consider the ways that advertisers encode race ethnicity gender and heteronormativity into advertising practices and messages exported around the world They further

explore the ways that intersectional audiences such as women of color Latinas and lesbian and gay audiences decode reinterpret resist and subvert advertising With this book the editors and contributors address the present lack of feminist scholarship research knowledge or curriculum in advertising and begin a more honest dialogue about diversity and intersectional gender in the advertising academy as well as the advertising industry **The American Library Association Guide to Information Access** American Library Association,1994 A comprehensive up to date and easy to use tool for researching facts and topics provides thorough coverage of both the print sources as well as of the electronic sources

Basic Property Law Olin L. Browder,Roger A. Cunningham,1979 **Problems in Criminal Procedure** Joseph D. Grano,1981 *Constitutional Rights and Liberties* William B. Lockhart,1986 Cases and Materials on Appellate Practice and Procedure Robert J. Martineau,1987
