Mass With Mary The Prison Years:

Mass with Mary Christina Dress, Tama-Lisa Johnson, Mary Kay Letourneau, 2004 *Mass With Mary* is a candid depiction of what began on February 6th 1998 when Mary Kay Letourneau arrived at the Washington Corrections Center for Women in Gig Harbor Written by three inmates convicted of three entirely different crimes comes the actual account of what happened in prison to the teacher sentenced to 7 years for having an intimate relationship and two children with her student The book is more than just a Mary Kay story The lives of two other women and the intertwined relationships they had with Letourneau are shared throughout the book This is a real look at some of the things that happen at a maximum security prison This book covers everything from sex to suicide *Mass With Mary The Prison Years* was written from behind the prison walls and each page was smuggled out through the visiting room outgoing mail and any other way possible It was an unlikely trio who gave their book an unlikely title *Mass With Mary* because that was often the only place prison officials would allow them to be together Linda Byron KING 5 TV Seattle For interviews and or bookings contact Annette Humphries at 1 888 232 4444 or annette.trafford.com

Sexing the Teacher Sheila Cavanagh, 2007-05-10 *Sexing the Teacher* is a provocative study of public and professional responses to female teacher sex scandals in Canada the United States and Britain Sheila Cavanagh examines the moral and professional panic over sexual transgressions in the educational milieu by analyzing several sensationalized legal cases including Mary Kay Letourneau Amy Gehring and Heather Ingram Deploying queer theory psychoanalysis postcolonial theory and feminist film theory Cavanagh analyses deep seated anxieties about white female teacher sexualities and offers a critique of the damage that gets done in the name of child protectionism Arguing that foundational assumptions about race gender class sexuality and family are all central to the panic Cavanagh questions the conventional wisdom and politics governing our conceptualization of sex scandals in education She also

demonstrates that public upset over female teacher sexual transgressions ostensibly about child welfare is also about the regulation of gender heteronormative and white reproductive futures a hidden curriculum in Western educational systems

Timely original and controversial *Sexing the Teacher* will appeal to scholars and students in education sociology gender sexuality and cultural studies as well as to general readers interested in the sensationalism over school sex scandals that has dominated recent headlines
