## Liberal Bias

Some critics say there is a strong liberal bias in the mainstream media

The large majority of journalists are Democratic voters and donate to Democratic campaigns

Journalists are more likely to have personal beliefs that are to the left of the country as a whole, such as abortion, affirmative action, and social services

About 45% of people feel that the media is "too liberal" – 70% of conservatives, 35% of moderates, & 15% of liberals
