The security and safety of this entire outer line and the protection of its settlers was the work cut out for a part of our little regular army as a police force and it proved in more ways than one a most strenuous almost herculean task. These outlying posts and sub posts were so far as they can now be recalled Fort Richardson the most northerly located in Jack County on Lost Creek a small tributary of the West Fork of the Trinity River and about 7 miles from its mouth. It was built by the Sixth U S Cavalry and occupied Nov 26 1867 and abandoned May 23 1878 having fulfilled the object for which it was built. It was used as an Indian School for a short time afterwards. Originally a 5 company post it was expanded by extending its lines of officers and men's quarters by tents to ten or more companies. It was about 450 miles N W from San Antonio. This post was named for Brig General Israel Richardson who was killed at the battle of Antietam Sept 17 1862.
