Scum Villain's Survival Guide Chapter 1-10 Souryurer Fate, 2024-07-06

20 years ago, the earth as we know it has changed. It was integrated into a bigger earth, or you call it as real earth. The earth as we know it is nothing more than a bunch of islands in a large ocean below a humongous continent. The humongous continent is full of technology and magic cultivators. The nearby third-rate faction was enough to win against the united force of earth. Even the nuclear warheads are useless in front of strong magic and technology. Later, it was found out that the previous earth is just a time capsule sanctuary to preserve the bloodlines that are about to go extinct. The world changed, and the era of magic cultivation started. A soul of a social scum that is shameless to the core has transmigrated from another earth that is completely ordinary in the multiverse. He was born in this new earth after 20 years of change towards the magic cultivation and higher technology. Oh, this world seems to be different. There is magic and super technology. Then, where is my cheat as a transmigrator? Tring: Congratulations, host, for obtaining the shameless scum villain system. Fuck, I am not a villain. How can a righteous, benevolent, handsome, and considerate man like me become a villain? In the previous life, I have helped my land lord take care of his wife, sister, and daughter. I took care of my good brother's wife when he went out on a business trip. I have even helped my boss with the problem of not having children. I have helped the good old people meet the god soon. I have helped those scum people to contact with wine and women to punish them many diseases in their long life. System, come out and explain why a good person like me became a villain. Tring: It is detected that the host is the most shameless person on his universe. The host's shamelessness is so great that even the demons in the lowest level of hell don't want you fearing that you would green them or take their thrones. So, the system has selected the host and brought you into this world. Well, okay, I will reluctantly accept you, so where is my novice gift pack? Tring: Novice gift pack is opened. The host has obtained opportunity assessment skill maxed out.

Neo-Victorianism on Screen Antonija Primorac, 2017-11-17

This book broadens the scope of inquiry of neo-Victorian studies by focusing primarily on screen adaptations and appropriations of Victorian literature and culture. More specifically, this monograph spotlights the overlapping yet often conflicting drives at work in representations of Victorian heroines in contemporary film and TV. Primorac's close analyses of screen representations of Victorian women pay special attention to the use of costume and clothes, revealing the tensions between diverse theoretical interventions and generic, often market-oriented demands. The author elucidates the push and pull between postcolonial critique and nostalgic, often Orientalist spectacle, between feminist textual interventions and
