Master Of Space And Time:

Master of Space and Time Rudy Rucker, 2024-09-24 The real world is unbearable to madcap inventor Harry Gerber so he uses his genius to twist the laws of science and create his own tailor made universe Master of Space and Time combines high physics and high jinks blurring the line between science and magic From a voyage to a mirror image world where sluglike parasites make slaves of humanity to trees and bushes that grow fries and pork chops to a rain of fish author Rudy Rucker two time winner of the Philip K Dick Award takes readers on the ultimate joyride But once the gluons at the core of Harry's creation run out disaster looms for Harry and his friends Master-E: Epic Space and Time Travel into Parallel Dimensions

A.E. Beck, 2009-10-07 Power hungry male government officials of eleven planets had created eleven black holes by imploding their planets and jettisoning ruling class members to free zones created on the other sides of the black holes By isolating themselves in these free zones the officials believed they would obtain the power of creation These arrogant men theorized that they could replace the Great Oneness the life force of the E and the vortex of energy known to all as the Ancient One thus creating a New World Order The officials found out however that the black holes were portals that allowed passage back into dimensions that were parallel to those that they destroyed The officials theorized that they needed to destroy these parallel dimensions to attain ultimate power A plot was therefore devised to implode planet Clarion and jettison its ruling class members to a free zone on the other side of a twelfth black hole while simultaneously imploding the parallel dimensions associated with the eleven previously formed free zones E Masters whose duty was to maintain balance in the universe met to discuss the impending plot The E Masters were told that the Ancient One had placed an evolutionary leap of awareness within a boy named MZ who was born in hiding on planet Clarion The E Masters recognized that MZ must develop mastership to avert universal disaster caused by the impending implosions of Clarion and the eleven black holes E Master Traveler Z was working to prepare MZ for his E Master development and his escape from Clarion It was hoped that instruction received at mystery temples and during his travels along with guidance from Traveler Z would allow MZ to pass tests of Master E and attain mastership before it was too late **On Becoming Master of Time and Space** Victor

The Making of a Yoga Master Suhus Tambe,2012-07-23 When Suhas Tambe was initiated into the study and life of a yogi through his Indian spiritual master the Yoga Sutras of Patanjali an age old system of guidance were integral to his training Tambe is now a scholar and longterm practitioner of this esoteric wisdom He is also the first Westerner to reveal the hidden sequence of these sutras which he received from his teacher From the time of Patanjali onward 300 BCE the scrambling of the sequence of sutras was a respected tradition Such deliberate confusion was done with a view to preserving the sanctity of these precious teachings Since interpretation of any sutra must bear reference to and consistency with the previous and the following sutra proper sequence becomes a critical factor fundamental to the use of this time honored scripture The key to the real sequence of Yoga S tra was handed down verbally by the guru only to the eligible disciple The Making of a Yoga Master reveals this original sequence which has been hidden for so long Far more than an instruction manual this book is also about one seeker s progression The author who began his search entrenched in materialism he was an accountant with an MBA working in IT was transformed into a devoted Yoga practitioner This path thoroughly changed his life s priorities evolved his purpose and dissolved old habits in a way that will be inspiring to many Yoga not just entered my life he writes but now it is my life The clear and sequential stages of transformation through yoga are documented here as perhaps nowhere else in contemporary literature This new sequence unfolds a practical road map for knowing and practicing the elevation of the seeker s awareness from the physical to more subtle and refined levels and designates observable milestones to determine one s progress on the path The Making of a Yoga Master marries the philosophy of Yoga with clear how to instructions
