### **A Legal History of Adoption in Ontario, 1921-2015**

Lori Chambers, 2016-09-23 Lori Chamber s fascinating study explores the legal history of adoption in Ontario since the passage of the first statute in 1921 This volume explores a wide range of themes and issues in the history of adoption including the reasons for the creation of statutory adoption the increasing voice of unmarried fathers in newborn adoption the reasons for movement away from secrecy in adoption the evolution of step parent adoption the adoption of Indigenous children and the growth of international adoption Unlike other works on adoption this book focuses explicitly on statutes statutory debates and the interpretation of statutes in court In doing so she concludes that adoption is an inadequate response to child welfare and on its own cannot solve problems regarding child neglect and abuse Rather Chambers argues that in order to reform the area of adoption we must first acknowledge that it is built upon social inequalities within and between nations

**Passionate Mothers, Powerful Sons** Charlotte Gray, 2023-09-12 A captivating dual biography of two famous women whose sons would change the course of the 20th century by award winning historian Charlotte Gray Born into upper class America in the same year 1854 Sara Delano later to become the mother of Franklin Delano Roosevelt and Jennie Jerome later to become the mother of Winston Churchill refused to settle into predictable sheltered lives as little known wives to prominent men Instead both women concentrated their energies on enabling their sons to reach the epicentre of political power on two continents In the mid 19th century the British Empire was at its height France s Second Empire flourished and the industrial vigor of the United States of America was catapulting the republic towards the Gilded Age Sara and Jennie raised with privilege but subject to the constraints of women s roles at the time learned how to take control of their destinies Sara in the prosperous Hudson Valley and Jennie in the glittering world of Imperial London Yet their personalities and choices were dramatically different A vivacious extrovert Jennie married Lord Randolph Churchill a rising politician and scion of a noble British family Her deft social and political maneuverings helped not only her mercurial husband but once she was widowed her ambitious son Winston By contrast deeply conventional Sara Delano married a man as old as her father But once widowed she made Franklin her only child the focus of her existence Thanks in large part to her financial support and to her guidance Franklin acquired the skills he needed to become a successful politician Set against one hundred years of history *Passionate Mothers Powerful Sons* is a study in loyalty and resilience Gray argues that Jennie and Sara are too often presented as lesser figures in the backdrop of history rather than as two remarkable individuals who

were key in shaping the characters of the sons who adored them and in preparing them for leadership on the world stage Impeccably researched and filled with intriguing social insights *Passionate Mothers Powerful Sons* breathes new life into Sara and Jennie offering a fascinating and fulsome portrait of how leaders are not just born but made **Truth and Honour** Greg Marquis,2025-09-19 *Truth and Honour* explores the 2011 murder of Saint John businessman Richard Oland of the prominent family that owns Moosehead Breweries the ensuing police investigation and the arrest trial and conviction of the victim s son Dennis Oland for seconddegree murder Oland s trial would be the most publicized in New Brunswick history What the trial judge called a family tragedy of Shakespearian proportions this reallife murder mystery included adultery family dysfunction largely circumstantial evidence allegations of police incompetence a high powered legal defence and a verdict that shocked the community Today the Oland family maintains Dennis Oland s innocence Author Greg Marquis a professor of Canadian history at the University of Saint John leads readers through the case from the discovery of the crime to the conviction and sentencing of the defendant Offering multiple perspectives *Truth and Honour* explores this question was Dennis Oland responsible for the death of his father **The Notorious Georges** Jonathan Swainger,2023-10-15 *Boozy and boisterous The Georges* the communities of South Fort George and Fort George that ultimately became Prince George acquired a seedy reputation for a century at times branded the dubious title of Canada s most dangerous city Is Prince George really such a bad lad *The Notorious Georges* explores how the pursuit of respectability collided with caricatures of a riotous settlement frontier in its early years Anxious about being marginalized by the provincial government and venture capitalists municipal leaders blamed Indigenous and mixed heritage people non preferred immigrants and transient labourers for local crime Jonathan Swainger combs through police and legal records government publications and media commentary to demonstrate that the disorder was not so different from the rest of the province and respectable white residents were often to blame This lively account tells us about more than a particular community s identity It also sheds light on small town disaffection in modern Canada Fostering Social Justice Through Qualitative Inquiry Corey W. Johnson,Diana C. Parry,2016-06-16 Qualitative researchers increasingly flock to social justice research to move beyond academic discourse and aid marginalized communities and groups This is the first textbook to address the methods of conducting qualitative research using a social justice paradigm The book addresses the differences that a social justice stance requires from the researcher then discusses how major qualitative methodologies are employed to create social justice in both the process and products of qualitative research In this book chapters cover grounded theory phenomenology ethnography participatory action research and other key qualitative designs methods chapters are written by experts in that methodology case studies illustrate show this style of research in action material is tightly organized and edited for course use although there are multiple authors Canadian State Trials, Volume V Barry Wright,Susan Binnie,Eric Tucker,2022-11-01 The fifth and final volume of the Canadian State Trials series examines political trials and national

security measures during the period of 1939 to 1990 Essays by historians and legal scholars shed light on experiences during the Second World War and its immediate aftermath including uses of the War Measures Act and the Official Secrets Act with the unfolding of the Cold War and legal responses to the FLQ including the October Crisis labour strikes and Indigenous resistance and standoffs The volume critically examines the historical and social context of the trials and measures resulting from these events concluding the first comprehensive series on this important area of Canadian law and politics The fifth volume s exploration of state responses to real and perceived security threats is particularly timely as Canada faces new challenges to the established order ranging from Indigenous nations demanding a new constitutional framework to protestors challenging discriminatory policing and contesting public health measures Osgoode Society for Canadian Legal History

The Don Lorna Poplak, 2021-01-26 An in depth exploration of the Don Jail from its inception through jailbreaks and overcrowding to its eventual shuttering and rebirth Conceived as a palace for prisoners the Don Jail never lived up to its promise Although based on progressive nineteenth century penal reform and architectural principles the institution quickly deteriorated into a place of infamy where both inmates and staff were in constant danger of violence and death Its mid twentieth century replacement the New Don soon became equally tainted Along with investigating the origins and evolution of Toronto s infamous jail The Don presents a kaleidoscope of memorable characters inmates guards governors murderous gangs meddlesome politicians harried architects and even a pair of star crossed lovers whose doomed romance unfolded in the shadow of the gallows This is the story of the Don s tumultuous descent from palace to hellhole its shuttering and lapse into decay and its astonishing modern day metamorphosis Speaker s Book Award 2021 Shortlisted Brass Knuckles Award for Best Nonfiction Crime Book 2022 Shortlisted
