Master Executioner:

The Master Executioner Loren D. Estleman, 2002-09-16 Hangman Oscar Stone is a master executioner who prides himself on his careful and exacting work until a sudden moment of realization and devastating truth forces him to come to terms with himself and his profession

Defiled Trades and Social Outcasts Kathy Stuart, 2000-05-04 This book presents a social and cultural history of dishonourable people *unehrliche Leute* an outcast group in early modern Germany Executioners skinners grave diggers shepherds barber surgeons millers linen weavers sow gelders latrine cleaners and bailiffs were among the dishonourable by virtue of their trades This dishonour was either hereditary often through several generations or it arose from ritual pollution whereby honourable citizens could become dishonourable by coming into casual contact with members of the outcast group The dishonourable milieu of the city of Augsburg from the sixteenth to the eighteenth centuries is reconstructed to show the extent to which dishonour determined the life chances and self identity of dishonourable people The book then investigates how honourable estates interacted with dishonourable people and how the pollution anxieties of early modern Germans structured social and political relations within honourable society

The Great Nightmen Conspiracy Tyge Krogh, 2019-08-20 The Great Nightmen Conspiracy explores the little known magico religious history of eighteenth century Denmark Essential tasks carried out by the nightmen such as dealing with carcasses and assisting with executions generated contempt from the rest of society but also led to the nightmen becoming deeply feared because of the dark and magical forces associated with their occupation The discovery of a dead peasant at the edge of the fjord on 4 December 1734 led to the arrest of the nightmen Mikkel and Hans in the nearby market town of Kalundborg in Zealand In court their interrogation focused not on the suspected murder but on thefts of livestock immorality and other provocations committed by these socially ostracised nightmen The court case became the largest of its time implicating nightmen across half of Zealand and exposing divisions within society This book uses a minutely researched set of incidents centring on the Danish pariah caste of nightmen to bring to light this unknown magico religious side of Denmark Through microhistorical methodology The Great Nightmen Conspiracy presents a detailed insight into the lives of the nightmen in Kalundborg and the society that constructed their alienation It is ideal for academics and postgraduate students of microhistory and urban history

Xian Qin ming xue shi Shi Hu, 1922 Dao de Jing Lao zi, 1986 A new translation of the Tao Te Ching merges ancient Eastern philosophy with contemporary Western sensibilities to provide a philosophical strategy for enhancing personal growth

Quentin Durward Sir Walter Scott, 1887 *On Beheading* Amalendu Misra, 2022-09-08 Beheading is not an uncommon undertaking As a particularized physical violence it has been practiced by all societies and civilizations at some point in their history In fact for millennia public beheadings around the world were routine In contemporary international society some states and many non state actors regularly engage in this undertaking This begs the obvious question why put a human being through this unimaginable cruelty While the idea of execution by decapitation

appears visceral and horrific it has always been grounded in cultural religious and political contexts If contemporary history is any proof the enterprise of beheading a fellow human being appears to be making a comeback in certain religious and political landscapes A question of enormous intellectual importance the phenomenon of beheading is understudied There have been many explanations surrounding specific forms of beheading through the ages However no inclusive study has engaged with it in its entirety Primarily a philosophical reflection On Beheading is inter disciplinary in nature it freely cuts across various disciplines within the broad framework of the social sciences It uses a vast array of empirical evidence from anthropology literature jurisprudence and religion to build a discourse and narrative that brings this subject under one intellectual umbrella *The Long High Noon and The Adventures of Johnny Vermillion* Loren D. Estleman, 2016-05-31 In *The Long High Noon* long feuding cowboys Randy Locke and Frank Farmer publicize their deadly duel and in *The Adventures of Johnny Vermillion* a Pinkerton detective investigates a theater troupe that may also be robbing banks **Complication** Isaac Adamson, 2012-04-01 Searching for his missing brother in Prague an American encounters a world of killers gangsters and ancient mysteries in a satisfyingly twisted tale Publishers Weekly When American collections agent Lee Holloway receives a letter from a mysterious woman named Vera concerning his missing brother Paul curiosity takes him to Prague in search of answers But what he finds in the historic city s looming shadows and cobbled streets is a mind bending world of conspiracy and danger A world where black magic and sixteenth century alchemy aren t just footnotes in history books A world where gangsters with fairy tale names and a bloodthirsty serial killer exist alongside grim reminders of Nazi invasion And where a priceless watch named The Rudolph Complication commissioned by an eccentric Roman emperor is rumored to hold the secret to eternal life As Lee delves deeper into the question of Paul s fate he discovers unsettling truths about his brother and himself Now Lee must unravel the tangled threads of Paul s last days if he wants to escape the ancient city alive Echoing with ghosts and mythic monsters from Europe s storied past this is a heart pumping thrill ride into the very heart of darkness Philosophic Classics: Asian Philosophy, Volume VI Forrest Baird, 2017-10-03 Accessible to today s readers this anthology of readings is a survey of Asian thought in India and China It strikes a balance between major and minor figures and features the best available translations of texts complete works or complete sections of works which are both central to each thinker or school and are widely accepted to be part of the emerging Asian canon Introductions to each historical period and to each thinker photographs and a timeline help to keep learners focused throughout For individuals interested in learning about World Religions Asian thought or Chinese and Indian philosophy *The Development of the Logical Method in Ancient China* 冯友兰, 1922 The object and scope of the present study I have indicated in the introductory chapter I wish only to state here the methods of treatment employed in this essay and its main points of departure from traditional scholarship in China Since the present essay is intended to be an historical study the first problem it has had to face is the choice of source material It is impossible for an occidental reader to imagine the tremendous burden of tradition which I have found

necessary to otherthrow in writing this work Preface **The Lark** Jean Anouilh,1985 THE STORY Chapman writing in the New York News called The Lark a beautiful beautiful play It is always the story of a simple girl who became an inspired warrior and then was tried by the church but there have been several ways of telling it A *Palace of Justice* Susanne Alleyn,2010-11-23 Known for her impeccable plotting and fully defined characters says Library Journal in a starred review about acclaimed author Susanne Alleyn and in this newest installment featuring Aristide Ravel freelance investigator for the Paris police Alleyn brings her sharpest voice and most keenly crafted mystery yet Louis XVI is in his grave and Marie Antoinette is on her way to trial Paris is hungry restless and fearful in the autumn of 1793 and the guillotine s blade is beginning to fall daily on the necks of enemies of the French Republic Not even members of the Republican government are safe from the threat of the Revolutionary Tribunal where the only sentence for the guilty is death In this atmosphere of distrust and anxiety police agent Ravel while coming to terms with personal tragedy must stop a ruthless killer who is terrorizing the city Ravel soon learns however that hunting a murderer who strikes at random and leaves headless corpses on the streets paralleling the ever more numerous victims of the guillotine is a task that will lead him to dark painful secrets and echoes from an even darker past From the author of The Cavalier of the Apocalypse A Treasury of Regrets and Game of Patience comes the fourth Aristide Ravel mystery unfolding amid the bloody events and murderous politics of the Reign of Terror Alleyn brilliantly captures the paranoid spirit of the times and inserts enough twists to keep most readers guessing This entry approaches the quality of the historical fiction of such authors as Steven Saylor and Laura Joh Rowland Publishers Weekly starred review A fiendishly clever and compelling mystery set in a grim gripping vision of Paris where there is no justice only shades of gray Kirkus Reviews *A Place of Greater Safety* Hilary Mantel,2006-11-14 Set during the French Revolution this riveting historical novel The New Yorker is the story of three young provincials who together helped destroy a way of life and in the process destroyed themselves **The Spectacle of Death** Kristin Boudreau,2006-04-04 In 1787 Benjamin Rush cautioned that public punishments were dangerous to the social and legal authority of the new nation For Rush irrepressible human sentiments all but guaranteed that public punishments would turn spectators against the institutions responsible for the punishments Although public executions of criminals ended early in the 19th century debate over the morality of capital punishment has continued to this day In this unique and fascinating glimpse into public reactions to prominent executions from colonial times to the 1990s Kristin Boudreau focuses on the central role of populist often ephemeral literary forms in shaping attitudes toward capital punishment Surveying popular poems ballads plays and novels she shows that at key times of social unrest in American history many Americans have felt excluded by the political and legal processes and have turned instead to inexpensive literary forms of expression in an attempt to change the course of history Among the significant capital cases that the author discusses are the Haymarket anarchist trial of 1886 the lynching of Leo Frank in 1914 the murder of Emmett Till in 1955 and its effects on the Civil Rights movement Norman Mailer s treatment of

the Gary Gilmore case in the 1979 novel *The Executioner's Song* and the 1998 execution of Karla Faye Tucker a convicted murderer who became a born again Christian on death row In the concluding chapter Boudreau examines contemporary writers musicians actors and other artists who are using their artistic media to influence official policies of states that permit capital punishment By examining these neglected texts Boudreau brings to light a compelling story about ordinary Americans fighting an entrenched legal system at times of great national crisis

Werewolf Stories Nick Redfern,Brad Steiger,2023-09-12 Beware the Full Moon Take a hair raising tour of werewolf legends Meet shape shifters dogmen and all variety of human and lupine mixes in this blood curling story collection from two distinguished paranormal researchers From today's lycanthropic creatures found in pop culture such as Dracula Twilight and An American Werewolf in London to the earliest mentions in folklore of the shape shifting legend Werewolf Stories Shape Shifters Lycanthropes and Man Beasts is an eye opening tour through the ages of all things werewolf Along the way readers land at the doorstep of creatures like serial killer Fritz Haarmann tiger people and their thirst for human blood Romulus and Remus the legendary founders of Rome shapeshifters of all kinds and sizes and even a spell to repel werewolves This fascinating tome provides 140 000 years of blood pounding evidence of strange and obsessional behavior It tells of stories of becoming a werewolf and the intricacies of slaying the beast A true homage to the creature it includes full moon of topics such as Fenrir the wolf child of the giantess Angrboda and the god Loki from the Old Norse myth of Ragnarok Notorious serial killers including Peter Stumpp and Michael Lupo who thought themselves to be and modeled their crimes on werewolves Coyote people tricksters and were animals of Navajo legend The Basque butchers of Louisiana and the loup garou Diana the goddess of the wilderness and the hunt and her pack of hunting dogs who once ruled all the dark forests of Europe Leopard creature men and the deadly cult whose members expressed their were leopard lust for human blood and flesh that has been in existence in West Africa for several hundred years The werewolf of the Dordogne Francis Leroy and his uncontrollable bloodlust during the full moon The secret terrorist group Organization Werewolf established in 1923 and its possible allegiance to Adolf Hitler Ghouls from Arabic folklore the demonic Djinns that hover near burial grounds and sustain themselves on human flesh stolen from graves Tasmania's thylacine and sightings of the probably extinct creature and its remarkable and frightening jaw capacity Alaska's Kushtaka and other stories of the Bigfoot man beast Puerto Rico's chupacabra and its powerful goat like legs three clawed feet and penchant for sucking blood The Do as de Fuera of Sicily small fairies who looked human aside from their paw like

feet and were cruel and dangerous when crossed Enkidu perhaps our earliest written record of a man beast that appears on a Babylonian fragment circa 2000 BCE and tells the story of King Gilgamesh and his werewolf like friend in The Epic of Gilgamesh And many more stories and histories of werewolves night stalkers lycanthropes and man beasts Noted cryptozoologists and paranormal researchers Nick Redfern and Brad Steiger share personal stories and encounters with werewolves in Werewolf Stories They take a deep dive into the legends the history the pop culture take on the man beast It s a wild and weird road trip into the mystery filled domain of the disturbingly real world of shape shifters and werewolves

A Wonderful Boss Virender Kapoor,2017-01-23 Though the definition itself is somewhat derogatory that author has dispelled this notion through this book As a believer in the law of averages and quoting from his own experience of around forty years the author says that there would be more good guys in organizational corridors of power than bad ones Yet there is big room for improvement for the good guys too A leader has a much larger role to play which affects performance and progress of the entire organization At the core of leadership lies vision mission direction wisdom sacrifice and also a moralistic stance In contrast the role of a boss is more hands on and largely revolves around and is focused towards people management and interpersonal relations with the employees of the organization The boss subordinate relationship becomes very personal and that is why one would say He is my boss and you will seldom get to hear anything like he is my leader It is the softer part of leadership which is the hardest to manage Putting it in another way a boss is in your immediate vicinity with whom you deal on a daily basis whereas a leader may be visible only from a distance During the Gilded Age in the 19th century in the United States bossism was a system of political control centering around a single powerful figure the boss The central figure had tremendous clout and influence in terms of political control In that context also boss was to do more with control and perhaps nothing to do with leadership In the modern environment bossism is about atmospherics which has a direct impact on a subordinate s performance as well his personal life and happiness too Therefore bossism is skewed more towards emotional intelligence rather than the IQ of a boss

Quentin Durward Walter Scott,1899 The plot centres on the rivalry between Louis XI of France and Charles the Bold Duke of Burgundy Louis incites the citizens of Li ge to revolt against Charles and under the command of Louis s ally William De La Marck they seize and murder Charles s brother in law the Bishop of Li ge
