Monday March 19 2012 I had my first dream last night that indicates I am reliving my same life over again in a parallel world In my dream a woman that I know said to me There are two of you I am astounded by her comment because I seem to know that there are two of me in my dream also that is I have the knowledge that I have lived my same life before and I say to her just to make certain that she is sure of what she said Are there two of anybody else And she replies No I only see two of you
