Master Of Pleasure:

Master of Pleasure Penny Jordan, 2006-10-01 Sasha walked away from handsome millionaire Gabriel Cabrini to marry someone else and he has never forgiven her Now widowed Sasha is shocked when Gabriel is named as heir to her late husband's wealth and guardian to her two young sons She's completely in his power Sasha will not surrender no matter how persuasive Gabriel might be There is far too much at stake especially the one thing that he must never know **Master of Pleasure** Penny Jordan, 2006 Aquel millonario la habia llevado a la cama por venganza Hacia diez años que Sasha habia abandonado al guapo millonario Gabriel Calbrini y el no la habia perdonado por ello Ahora era viuda y no podia creer que Gabriel fuera el heredero de la fortuna de su difunto marido y el tutor de sus dos hijos Su vida estaba completamente en sus manos y Gabriel deseaba vengarse El amor que Sasha habia sentido por Gabriel habia estado a punto de destruirla por eso no podia caer de nuevo en sus brazos por muy persuasivo que fuera Habia demasiado en juego y algo que Gabriel jamas debia saber **Masters of Space** Edward E. Smith, 2016-11-23 The Masters had ruled all space with an unconquerable iron fist But the Masters were gone And this new young race who came now to take their place could they hope to defeat the ancient Enemy of All Masters of Space E. E. Smith, 2015-11-03 Perseus snapped out of overdrive near the point of interest and Hilton stared motionless and silent Space was full of madly warring ships Half of them were bare giant skeletons of steel like the derelict that had so unexpectedly blasted away from them The others were more or less like the Perseus except in being bigger faster and of vastly greater power Beams of starkly incredible power bit at and clung to equally capable defensive screens of pure force As these inconceivable forces met the glare of their neutralization filled all nearby space And ships and skeletons alike were disappearing in chunks blobs gouts streamers and sparkles of rended fused and vaporized metal Hilton watched two ships combine against one skeleton Dozens of beams incredibly tight and hard were held inexorably upon dozens of the bulges of the skeleton Overloaded the bulges screens flared through the spectrum and failed And bare metal however refractory endures only for instants under the appalling intensity of such beams as those The skeletons tried to duplicate the ships method of attack but failed They were too slow Not slow exactly either but hesitant as though it required whole seconds for the commander or operator Or remote controller of each skeleton to make it act The ships were winning Hey Hilton yelled Oh that's the one we saw back there But what in all space does it think it's doing It was plunging at tremendous speed straight through the immense fleet of embattled skeletons It did not fire a beam nor energize a screen it merely plunged along as though on a plotted course until it collided with one of the skeletons of the fleet and both structures plunged a tangled mass of wreckage to the ground of the planet below Then hundreds of the ships shot forward each to plunge into and explode inside one of the skeletons When visibility was restored another wave of ships came forward to repeat the performance but there was nothing left to fight Every surviving skeleton had blinked out of normal space **Master of Pleasure** Tara Sue Me, 2022 The long awaited third and final book in the Lessons From the RACK

Series from New York Times and USA Today bestselling author Tara Sue Me Five years ago Terrence and Ronnie's evening of incomplete pleasure ended with unspoken plans to get back together soon Those plans died a slow and painful public death when their private parting was captured by the paparazzi and their identities were published for everyone to see including each other Because while Ronnie had no idea the Dom she'd played with was Hollywood's golden boy Terrence Knight he didn't know she was the just turned nineteen year old daughter of the most conservative man in the US Senate When their paths cross again at RACK Academy five years later they're both wary of the other and vow to keep their distance It's a promise they don't believe they'll have any trouble keeping However they didn't count on the not so subtle matchmaking attempts of the two couples residing at the academy with them for the summer Fulton and Andie Matthews and Lennox and Marie MacLure As the summer goes on they find it more and more difficult to resist the temptation of giving into what they both want to finish what they started five years ago But the forces behind that long ago night have yet to be discovered and the truth has the ability to bring an end to Terrence and Ronnie before they can truly start

The Delectable Negro Vincent Woodard, Dwight McBride, Justin A Joyce, E. Patrick Johnson, 2014-06-27 A groundbreaking study of the connections between homoeroticism cannibalism and cultures of consumption in American literature and US slave culture Scholars of US and transatlantic slavery have largely ignored or dismissed accusations that Black Americans were cannibalized Vincent Woodard takes the enslaved person's claims of human consumption seriously focusing on both the literal starvation of the slave and the tropes of cannibalism on the part of the slaveholder and further draws attention to the ways in which Blacks experienced their consumption as a fundamentally homoerotic occurrence The Delectable Negro explores these connections between homoeroticism cannibalism and cultures of consumption in the context of American literature and US slave culture Utilizing many staples of African American literature and culture such as the slave narratives of Olaudah Equiano Harriet Jacobs and Frederick Douglass as well as other less circulated materials like James L Smith's slave narrative runaway slave advertisements and numerous articles from Black newspapers published in the nineteenth century Woodard traces the racial assumptions political aspirations gender codes and philosophical frameworks that dictated both European and white American arousal towards Black males and hunger for Black male flesh Woodard uses these texts to unpack how slaves struggled not only against social consumption but also against endemic mechanisms of starvation and hunger designed to break them He concludes with an examination of the controversial chain gang oral sex scene in Toni Morrison's *Beloved* suggesting that even at the end of the twentieth and beginning of the twenty first century we are still at a loss for language with which to describe Black male hunger within a plantation culture of consumption Praise for The Delectable Negro Winner of the 2015 LGBT Studies Award presented by the Lambda Literary Foundation A bold and brilliant book Carla L Peterson author of *Black Gotham: A Family History of African Americans in Nineteenth Century New York City* With unflinching clarity The Delectable Negro exposes and examines the pervasive cultural fantasies that have rendered the

enslaved black body into a consumable object from the eighteenth century to the present Its powerful insights will continue to generate new lines of important inquiry for years to come American Historical Review Masters of Space (□□□□) E.E.
