Master Of Seventh Avenue:

The Master of Seventh Avenue Robert D. Parmet, 2005-07-01 The Master of Seventh Avenue is the definitive biography of David Dubinsky 1892 1982 one of the most controversial and influential labor leaders in 20th century America A character in the truest sense of the word Dubinsky was both revered and reviled but never dull conformist or bound by convention A Jewish labor radical Dubinsky fled czarist Poland in 1910 and began his career as a garment worker and union agitator in New York City He quickly rose through the ranks of the International Ladies Garment Workers Union ILGWU and became its president in 1932 Dubinsky led the ILGWU for thirty four years where he championed social unionism which offered workers benefits ranging from health care to housing Moving beyond the realm of the ILGWU Dubinsky also played a leading role in the American Federation of Labor AFL particularly during World War II A staunch anti communist Dubinsky worked tirelessly to rid the American labor movement of communists and fellow travelers Robert D Parmet also chronicles Dubinsky s influential role in local national and international politics An extraordinary personality whose life and times present a fascinating lens into the American labor movement Dubinsky leaps off the pages of this meticulously researched and vividly detailed biography

Murder in the Garment District David Witwer, Catherine Rios, 2020-05-05 The thrilling and true account of racketeering and union corruption in mid century New York when unions and the mob were locked in a power struggle that reverberates to this day In 1949 in New York City s crowded Garment District a union organizer named William Lurye was stabbed to death by a mob assassin Through the lens of this murder case prize winning authors David Witwer and Catherine Rios explore American labor history at its critical turning point drawing on FBI case files and the private papers of investigative journalists who first broke the story A narrative that originates in the garment industry of mid century New York which produced over 80 percent of the nation s dresses at the time Murder in the Garment District quickly moves to a national stage where congressional anti corruption hearings gripped the nation and forever tainted the reputation of American unions Replete with elements of a true crime thriller Murder in the Garment District includes a riveting cast of characters from wheeling and dealing union president David Dubinsky to the notorious gangster Abe Chait and the crusading Robert F Kennedy whose public duel with Jimmy Hoffa became front page news Deeply researched and grounded in the street level events that put people s lives and livelihoods at stake Murder in the Garment District is destined to become a classic work of history one that also explains the current troubled state of unions in America

She Was One of Us Brigid O'Farrell, 2012-01-15 Although born to a life of privilege and married to the President of the United States Eleanor Roosevelt was a staunch and lifelong advocate for workers and for more than twenty five years a proud member of the AFL CIO s Newspaper Guild She Was One of Us tells for the first time the story of her deep and lasting ties to the American labor movement Brigid O Farrell follows Roosevelt one of the most admired and in her time controversial women in the world from the tenements of New York City to the White House from local union halls to the convention floor of the AFL CIO from coal

mines to political rallies to the United Nations Roosevelt worked with activists around the world to develop a shared vision of labor rights as human rights which are central to democracy In her view everyone had the right to a decent job fair working conditions a living wage and a voice at work She Was One of Us provides a fresh and compelling account of her activities on behalf of workers her guiding principles her circle of friends including Rose Schneiderman of the Women s Trade Union League and the garment unions and Walter Reuther the most dangerous man in Detroit and her adversaries such as the influential journalist Westbrook Pegler who attacked her as a dilettante and her labor allies as thugs and extortioners As O Farrell makes clear Roosevelt was not afraid to take on opponents of workers rights or to criticize labor leaders if they abused their power she never wavered in her support for the rank and file Today union membership has declined to levels not seen since the Great Depression and the silencing of American workers has contributed to rising inequality In She Was One of Us Eleanor Roosevelt s voice can once again be heard by those still working for social justice and human rights A Democracy That Works Stephen Amberg,2022-11-25 A Democracy That Works argues that rather than corporate donations Republican gerrymandering and media manipulation the conservative ascendancy reflects the reconstruction of the rules that govern work that has disempowered workers Using six historical case studies from the emergence of the New Deal and its later overtaking by the conservative neoliberal agenda to today s intersectional social justice movements Stephen Amberg deploys situated institutional analysis to show how real actors created the rules that empowered liberal democracy for 50 years and then how Democrats and Republicans undermined democracy by changing those rules thereby organizing working class people out of American politics He draws on multidisciplinary studies to argue that when employees are organized to participate at work they are also organized to participate in politics to press for accountable government In doing so the book opens up analytical space to understand the unprecedented threat to liberal democracy in the U S A Democracy That Works is a fresh account of the crisis of democracy that illuminates how historical choices about the role of workers in the polity shaped America s liberal democracy during the 20th century It will appeal to scholars of American politics and American political development labor and social movements democracy and comparative politics **There Is Power in a Union** Philip Dray,2011-09-20 From the nineteenth century textile mills of Lowell Massachusetts to the triumph of unions in the twentieth century and their waning influence today the contest between labor and capital for the American bounty has shaped our national experience In this stirring new history Philip Dray shows us the vital accomplishments of organized labor and illuminates its central role in our social political economic and cultural evolution His epic character driven narrative not only restores to our collective memory the indelible story of American labor it also demonstrates the importance of the fight for fairness and economic democracy and why that effort remains so urgent today *Left in the Center* Daniel Soyer,2022-01-15 Daniel Soyer s history of the Liberal Party of New York State Left in the Center shows the surprising relationship between Democratic Socialism and mainstream American politics Beginning in 1944 and lasting until 2002 the

Liberal Party offered voters an ideological seal of approval and played the role of strategic kingmaker in the electoral politics of New York State. The party helped elect presidents, governors, senators and mayors and its platform reflected its founders' social democratic principles. In practical politics, the Liberal Party's power resided in its capacity to steer votes to preferred Democrats or Republicans with a reasonable chance of victory. This uneasy balance between principle and pragmatism, which ultimately proved impossible to maintain, is at the heart of the dramatic political story presented in *Left in the Center*. The Liberal Party, the longest lived of New York's small parties, began as a means for anti-Communist social democrats to have an impact on the politics and policy of New York City, Albany and Washington DC. It provided a political voice for labor activists, independent liberals and pragmatic social democrats. Although the party devolved into what some saw as a cynical patronage machine, it remained a model for third party power and for New York's influential Conservative and later the Working Families parties. With an active period ranging from the successful senatorial career of Jacob Javits to the mayoralties of John Lindsay and Rudy Giuliani, the Liberal Party effectively shaped the politics and policy of New York. The practical gains and political cost of that complicated trade off is at the heart of *Left in the Center*.

Classification, Assets and Location of Registered Investment Companies Under the Investment Company Act of 1940 United States. Securities and Exchange Commission. Office of Reports and Information Services, *Herbert H. Lehman* Duane Tananbaum, 2016-12-20. This new biography of Herbert Lehman, the first in a half century, fills the void left by historians and political scientists who have neglected one of the truly great liberal icons of the mid twentieth century. Based on extensive research in archival sources, Herbert H. Lehman restores this four term Governor of New York, US Senator, national and international humanitarian and political reformer to his rightful place among the pantheon of liberal heroes of his era. By focusing on Lehman's interactions with Al Smith, Franklin Roosevelt, Harry Truman, Lyndon Johnson and John Kennedy, Duane Tananbaum shows how Lehman succeeded politically despite his refusal to compromise with his conscience. In his thirty five years of public service, Herbert Lehman fought the Republicans in the State Legislature to provide economic security for New Yorkers during the Great Depression and he battled the bureaucrats in the Roosevelt and Truman administrations and the United Nations Relief and Rehabilitation Administration to feed the starving people in Europe and Asia during and after World War II. His efforts on behalf of the welfare state, civil rights legislation and immigration reform helped keep the liberal agenda alive until Congress and the nation were ready to enact it into law as part of Lyndon Johnson's Great Society in 1964-1965. **Commercial & Financial Chronicle, Bankers Gazette, Commercial Times, Railway Monitor and Insurance Journal**, 1915

Bozeman Arterials Improvements, North 19th Ave to Oak St, Kagy Blvd, Bozeman, 1986 *The Commercial and Financial Chronicle*, 1915 Shadow of the Racketeer David Scott Witwer, 2009. A detailed account of labor corruption in the 1930s and the zealous journalist who railed against it. Brotherhood of Locomotive Firemen and Enginemen's Magazine, 1891 The City Record New York (N.Y.), 1886 **The Plumbers Trade Journal**, 1902 **American**

Manufacturer and Trade of the West ,1912 Trestle Board of New York ,1926 **New York Magazine** ,1987-08-24
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Masonic Standard* ,1915 **Money Market Mutual Funds** United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on Financial Institutions,1980
