joy and happiness of love **Liberated Soul: In Memory of Sayyid Hashim Haddad** Sayyid Muhammad Husayn Husayni Tihrani, 2017-01-01 Liberated Soul a translation of the Persian work Ruh i Mujarrad is a tribute to a less known yet profound Muslim mystic of the twentieth century Sayyid Hashim Haddad 1900 1984 written soon after his death by one of his top students in spirituality The author introduces and expounds on Haddad's character and principles as he discusses his journeys to Karbala to meet his spiritual master The book also includes a rich selection of Arabic and Persian mystical poems which have been elegantly rendered into English enabling the reader to have a taste of the mystical tradition The book features an extensive section on Ibn Arabi's Shi'i inclinations and his theory of wahdat al wujud There was a man who did not want to lose his self So he pierced a gourd and hung it around his neck with a string so that he would be able to find and identify himself Until one night when he was travelling with a friend his friend got up in the middle of the night gently took the gourd off his neck put it around his own and went back to sleep From the book A superb translation of a major work on the gnostic dimension of Shi'i Islam Rarely has such eloquent and credible tribute been paid by a disciple to his master Prof Hamid Algar University of California Berkeley Sayyid Muhammad Husayn Tihrani was certainly one of our contemporary mystics His Ruh i Mujarrad is surely accessible to everyone K M Haqiqi former student of Ayatollah Ansari Hamadani and Ayatollah Najabat Shirazi I found Haddad to be a paragon of annihilation in God and I found myself like a child in his mother's embrace He trained me with his breath his intimations and his spiritual manipulations Once I saw him I couldn't see anyone else Even now many years after his death I seek assistance from his noble soul and benefit from his unending effusions In one word Haddad is to be imbibed not described M S Kumayli Khurasani former student of Sayyid Hashim Haddad

the Soul Tricia McCannon, 2017-10-24 A journey into the immortal nature of the Soul the landscapes of Heaven and the purpose behind your incarnation on Earth Reveals the connection between the soul and the orders of Angels and provides a roadmap to the realms of Heaven and Hell Explains the six stages of Soul Evolution and the Nine Orders of Angels Describes the many dimensions between the highest celestial realms and the lower Astral plane and the Genesis Matrix our angelic place of origin Your Soul is a divine light originating within the Angelic Orders of Heaven The Tibetan Book of the Dead speaks about the seven Lokas or dimensions the Soul travels through after death while the Egyptian Book of the Dead refers to the Soul becoming one with the ever renewing phoenix Yet what is the phoenix but a symbol of our own Angelic Twin who resides in the highest realms the essence of our Soul In this book Tricia McCannon explains how to discover the angelic realms where the highest parts of yourself reside and become the catalyst for your own path of ascension Exploring the Soul s angelic origins the Nine Orders of Angels and the multi dimensional landscapes of Heaven McCannon takes you on the journey each Soul makes as it descends from the higher vibrational realms to arrive in the world of form Drawing from the perennial wisdom of the Gnostics Tibetans Egyptians Buddhists Hindus Hebrew mystics and the ancient Mystery traditions she looks at what our ancient ancestors have to say about the nature and history of the Soul She reveals how once embodied the Soul loses its ability to vibrate with the highest celestial levels causing it to forget its purpose She addresses how our illusion of separation from Divine Oneness arises causing us to move away from the Light and become wrapped up in the Shadow of fear and suffering She explains the six stages of Soul Evolution we must pass through to heal the wounds of separation reawaken to higher vibrations and remember our Soul s purpose the reason your Soul chose this incarnation McCannon shares stories from those who have returned from the Otherside tales of revelation temples of learning and crystal cities of light Presenting the great Course Curriculum of the Soul the lessons we must master to complete our missions on Earth the author shows that by remembering our divine essence we can move beyond conflict and struggle to embrace the love and joy that reside eternally at the core of our being *The School of Soul Winners and Soul Winning* Zacharias Tanee Fomum, 2016-06-10 The School of Soul Winners and Soul Winning contains the following books of Professor Zacharias Tanee Fomum You Can Lead Someone to the Lord Today 36 Reasons for Winning the Lost The Power of the Holy Spirit in the Winning of the Lost Soul Winning Volume 1 Soul Winning Volume 2 Salvation and Soul Winning The Winning of the Lost as Life s Supreme Task Soul Winning and Disciple making Victorious Soul Winning Once a person gets saved through repentance unto God and faith in the Lord Jesus Christ he is qualified to go straight to heaven Once he comes to a loving saving and abiding knowledge of the Lord Jesus Christ he is ready to march with the saints straight into heaven The only reason why a saved sanctified and perfected person is left here on earth after salvation is that he may be a soul winner We are to daily and desperately win souls as if we won t have another day again on earth And you can lead someone to the Lord anytime anywhere using an array of methods such as sharing your faith witnessing to Christ preaching the Gospel and

evangelising publicly or privately The terrific reasons for winning the lost and the terrible consequences of not doing so should push every believer out where the sinners are If sinners die in their sins without hearing the Gospel the believer is to blame for it Their blood is upon him The only way to free yourself from the blood of all men is through the preaching of the Gospel Acts 20 26 However no one can win souls in his own strength There is need to tap into the power of the Holy Spirit for the winning of the lost Then the resulting fruit will be lasting and lustrous This volume presents several rapturous reasons for and benefits to be reaped from obeying the command to soul winning It is not enough to win souls to Christ and leave them like that It would be like catching fish from the lake admiring it celebrating the catch and then throwing it back into the lake to swim away Leading a soul to Christ is only the beginning of a process That process must continue with making a disciple of Christ out of that soul you have won to Christ It ends when that disciple becomes mature and complete in Christ Jesus not lacking any good thing This volume introduces you to the School of Soul Winners and Soul Winning and carries you through various bends and bounds in the art and practice of soul winning We send this first volume on soul winners and soul winning out with a cry to the Lord that He should use it to transform every believer into a soul winner daily and deeply involved in soul winning
