Marquardt, 2009-05 Fear of any kind is the number one enemy of all golfers regardless of ball striking and shot making capabilities Jack Nicklaus Golf is supposed to be fun But many people who play don t see it that way Many golfers after having spent countless dollars and hours on the sport find them selves having too many negative thoughts limited beliefs and other foolish self sabotaging behaviors Is there any hope to this kind of madness I get so nervous and scared I end up choking and throwing up all over myself I can t seem to control my demons I get angry and often beat myself up Sometimes I can t even hit the broadside of a barn I never seem to get any better Let renowned mental golf coach Rand Marquardt show you how he went from a frustrated misaligned ten handicap golfer to a more confident connected one handicap golfer in just one summer and how you can do it too Don t spend another day being angry afraid or frustrated again Instead learn to play golf more often in The Zone and how to harness and expand your inner wisdom by going with the flow along THE FAIRWAY OF LIFE **The Secret of Hogan's Swing** Tom Bertrand, Printer Bowler, 2010-12-13 Praise for The Secret of Hogan s Swing The Secret of Hogan s Swing goes beyond pure instruction offering insightful shot making and strategy tips passed on to former tour pro John Schlee from Ben Hogan and interpreted wonderfully by Tom Bertrand and Printer Bowler John Andrisani author of Tiger s New Swing and Heaven Can Wait Like finding the Rosetta stone of golf Tom Bertrand and Printer Bowler s The Secret of Hogan s Swing gives us a pipeline to the Master s wisdom that we thought had been lost forever Secret is an instruction book like no other It s the Hogan book Hogan himself never wrote packed with the insights the great champion passed on to John Schlee in a fascinating mentor disciple relationship and that Schlee in turn bequeathed to Tom Bertrand We ll probably never have anything like this again Hogan s gone Schlee s gone but thank goodness we ve got Tom Bertrand to preserve the nuggets of pure golfing gold that the Master dug up out of the dirt of ten thousand practice tees and a thousand tournaments The Secret of Hogan s Swing demonstrates that the vein of wisdom left by the peerless champion still yields up precious ore not just in the technical aspects of the golf swing Hogan s concepts are not only absolutely modern but even quite radical but in his insights into the psychological and mental aspects of the game His concept of the moving wall is worth the price of the book alone A must read for every serious student of the game Steven Pressfield author of The Legend of Bagger Vance **How to Play Better Golf Without Practicing** Alan Riley, 2004 Playing better golf without practicing isn t that every golfers dream Does that sound too good to be true It is not What people fail to realize is that golf is

played as much with the mind as it is with the body Having more fun and being better at playing golf in large part requires an improvement in how a person uses thier brain and chooses to think while playing golf Unfortunately golfers have for the most part ignored use of their brain as a way to improve their games and to increase their enjoyment of golf For most golfers improvement means purchasing the latest greatest golf club or trying out a tip they read in a golf magazine or watched on television Despite using technologically advanced golf clubs and balls and improving their swing technique many golfers do not seem to be lowering their scores The concepts explained in this book are simple extremely effective easy to apply and are the same ones that the best players in the world are using Professional golfers have come to realize that at the PGA Tour level everyone has terrific physical skills The difference between the players and the good players are the mental skills Most golfers do not have the physical talent to be able to hit the ball like Tiger Woods or Annika Sorenstam but everyone absolutely positively has the mental capacity to learn how to think like them Every golfer can benefit by learning more about how to think properly while playing golf I believe that golfers have a huge untapped potential that is just waiting to be unlocked Apply the simply common sense techniques explained in this book and you too can have more fun and play better golf

Carl Lohren,Larry Dennis,2022-06-29 In 1966 Carl Lohren made a breakthrough and One Move to Better Golf explains it all Highly regarded as an instructor and player in the New York Metropolitan PGA Section Lohren formed his ideal golf swing after years of studying master golfer Ben Hogan His eyes were opened at the 1964 Carling Open when he watched Hogan select an 8 iron and take a short swing on a 150 yard shot To Lohren s surprise Hogan s ball exploded off the clubface and wound up ten feet from the pin This inspired Lohren to start his swing by turning his left shoulder as Hogan had Immediately upon doing so Carl s ball flight took on a different look it had a piercing trajectory with plenty of carry and roll Carl continued to refine his method so that in 1968 he won the NY State PGA Championship in a playoff over former Ryder Cup player Bill Collins In One Move to Better Golf Lohren explains a simple method of starting the golf swing with one move that incorporates the fundamentals In doing so he gives you a framework of confidence for your swing He also provides students with a complete methodology of the physical and mental preparation necessary for effective shotmaking Whether you are a low or high handicapper One Move to Better Golf will give you a clear understanding of the total golf swing
