Franz Liszt, Volume 1 Alan Walker, 2013-03-20 Franz Liszt child prodigy virtuoso pianist co founder with Chopin and Schumann of the Romantic movement in music has been the subject of literally hundreds of biographies but it is only in the last few decades that the importance of Liszt the composer as opposed to Liszt the Romantic hero has been recognized This new perspective has created the need for a fresh full scale approach biographical and critical to the evaluation of the man and his music For more than ten years Alan Walker a leading authority on nineteenth century music and the author of important studies of Chopin and Schumann has traveled throughout Europe discovering unpublished material in museums and private collections in the parish registries of tiny villages in Austria and Hungary and in major archives in Weimar and Budapest seeking out new information and corroborating or correcting the old He has left virtually no source unexamined from the hundreds of contemporary biographies many of them more fiction than fact to the scores of memoirs reminiscences and diaries of his pupils and disciples the list of his students from his Weimar masterclasses reads like a Burke's Peerage of pianists Dr Walker's efforts have culminated in a study that will stand as definitive for years to come A feat of impeccable scholarship it also displays a strong and compelling narrative impulse and a profound understanding of the complicated man Liszt was In this the first of three volumes Dr Walker examines in greater detail than has ever before been amassed Liszt's family background and his early years We see Franz a deeply religious and mystical child whose extraordinary musical gifts lead to studies with the great Carl Czerny in Vienna and propel him into overnight fame in Paris his youthful opera *Don Sanche* performed when he is fourteen and in a disorderly and impulsive way of life by the time he is sixteen We see Liszt drifting into obscurity after a nervous breakdown at the age of seventeen then hearing Paganini for the first time and being so fired by the violinist's amazing technique that he sets for himself a titanic program of work his aim no less than to create an entirely new repertoire for the piano We see him after years of successful touring returning triumphantly to Hungary his homeland and publishing in the same year his *Transcendental* and Paganini studies the signposts of his astonishing technical breakthrough Finally we see Liszt at the height of his artistic powers giving

well over a thousand concerts across Europe and Russia during the years 1839-47 inventing the modern piano recital playing entire programs from memory performing the complete contemporary piano repertoire breaking down the barriers that had traditionally separated performing artists from their social superiors fostering the Romantic view of the artist as superior being because divinely gifted until his colossal career virtually impossible to sustain he gives his last paid performance at the age of thirty five Unparalleled in its completeness its soundness of documentation and in the quality of its writing The Virtuoso Years is the first volume of what will unquestionably be the most important biography of Franz Liszt in English or any other language Markham's Negligence Counsel ,1992 The club-book: original tales, by [G.P.R.] James [and others] ed. by the author of 'The dominie's legacy' 2 vols. in 1 Club book,1836 **Martindale-Hubbell Law Directory** Martindale-Hubbell,2002-03 *A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century, Containing Thirty Thousand Biographies and Literary Notices, with Forty Indexes of Subjects* Samuel Austin Allibone,1859 *Trübner's American and Oriental Literary Record* ,1880 A monthly register of the most important works published in North and South America in India China and the British colonies with occasional notes on German Dutch Danish French Italian Spanish Portuguese and Russian books *A Critical Dictionary of English Literature and British and American Authors, Living and Deceased* Samuel Austin Allibone,1859 *Trubner's American and Oriental Literary Record* ,1880 Trübner's American, European, & Oriental Literary Record ,1882 **A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Account to the Latter Half of the Nineteenth Century** Samuel Austin Allibone,1882 Trübner's American, European and Oriental literary record ,1880 *The Athenaeum* ,1910 **The Interior** ,1922 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement **Continent** ,1922 *The Illustrated London News* ,1873 The Round Table ,1868 **A Critical Dictionary of English Literature and British and American Authors** S.
