Mastering Life Co Creating A Reality Of Love Through The Power Of Sharing:

Mastering Life Ivonne Delaflor, 2005 From the Foreword by Alan Cohen The lessons here in *Mastering Life* keep pointing us back to the simplicity of loving We find ourselves in a world where complexity seems to pull us from joy at every turn Simply holding the consciousness of love will open doors that anxious striving cannot Behold the answer that soothes heals uplifts and changes the world beginning with ourselves Take your time as you stroll through these insightful pages Absorb the words and images and make them your own While they seem to be teaching you they are really reminding you of what you know deep inside your heart Then bring the principles to life in your own unique way and enjoy the blessings they deliver

Invitation To Love Ivonne Delaflor, 2005 Follow the Sanatan Dharma the Eternal Religion of Prema Divine Love and the one and only that can only be found in your heart And remember YOU must guide others to it through love simplicity and truth That is the only way That is the unspoken eternal and nameless way Always remember that no time is ever wasted except for the time that one is not loving Move out of the house of ignorance There are better places to live Ring ring Wake up The Buddha nature and Christ like energy within are ready to be reawakened in all Become like a child Enter the kingdom of heaven The Christ and Buddha nature are within So where is the kingdom Excerpted from *Invitation to Love* 108

Reminders for the Enlightened Ones The greatest blessing in my life was the gift of being in the physical presence of Babaji in Herrekhan in 1980 One day he said that he would be leaving his body I asked him if he would still come to me if I asked He simply looked at me and smiled knowingly and said Of course Recently my work healing moved to a new level Some of the recent miracles have been so powerful as to leave me shaky I could only turn to God to keep myself stable and humble and so I asked for his advice Well he has answered my request And I imagine he will answer the prayers of many others through the writings of Ivonne Delaflor In them I recognize his voice his humor his teaching Thank you Babaji And thank you Ivonne for being such an open channel Dan Brul Guchu Ram Singh www.breathmastery.com *Unplug Your Mind!* Sylvia
