Dobson, Marshall Shelley, 2010-06-14 The Mastering Ministry Series covers the various challenges of a ministry encounters and teaches how to deal with them one subject at a time Mastering Ministry is a perfect survival guide for today s pastor addressing relevant topics such as worship preaching controversies evangelism church management pastoral care fundraising and personal growth *Managing Conflict God's Way* Richard W. Tow, 2025-08-11 Managing Conflict God s Way is more than just a helpful book it s a timely and Spirit led resource that speaks directly to the heart of where so many of us live and lead in the often messy complicated world of human relationships Rooted in Scripture and filled with practical wisdom this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation even in life s hardest moments As a former pastor I know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That s why this book matters It offers more than just strategies and skills it invites you into a Christ centered way of living and leading grounded in the call to love your neighbor as yourself In today s divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend Managing Conflict God s Way to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich tapestry of examples drawn from Richard s extensive professional experience in both secular and faith based contexts Charlene A Berquist Ph D Emeritus Professor and Former Director Center for Dispute Resolution Missouri State University Co Founder Communication and Conflict Management Associates CCMA *The Persuasive Preacher* David A. Christensen, 2020-07-16 How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many pastors not for

reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God *The Complete Book of Everyday Christianity* R.
