A Search for Sovereignty Lauren Benton, 2009-11-30 A Search for Sovereignty approaches world history by examining the relation of law and geography in European empires between 1400 and 1900 Lauren Benton argues that Europeans imagined imperial space as networks of corridors and enclaves and that they constructed sovereignty in ways that merged ideas about geography and law Conflicts over treason piracy convict transportation martial law and crime created irregular spaces of law while also attaching legal meanings to familiar geographic categories such as rivers oceans islands and mountains The resulting legal and spatial anomalies influenced debates about imperial constitutions and international law both in the colonies and at home This study changes our understanding of empire and its legacies and opens new perspectives on the global history of law

Front Legal Regime Lilian del Castillo-Laborde, 2007-11-30 This work makes both a historical and legal analysis of the process leading up to the 1973 adoption by Argentina and Uruguay of the Treaty concerning the Río de la Plata and its Maritime Front a wide watercourse that between the 16th and 19th century was object of rivalry between Spain and Portugal Great Britain and France continuing later between the South American countries Argentina Brazil and Uruguay The book makes a legal interpretation of the innovative solutions adopted by the Treaty for the River the Common Fishing Zone in the adjacent sea the Bi-national Commissions and other matters including its subsequent application thus providing a systematic and updated insight into navigation fisheries and pollution prevention among other uses **A Land So Strange** Andrés

Reséndez, 2007-11-20 From a Bancroft Prize winning historian the gripping tale of a shipwrecked Spaniard who walked across America in the sixteenth century Financial Times In 1528 a mission set out from Spain to colonize Florida But the expedition went horribly wrong Delayed by a hurricane knocked off course by a colossal error of navigation and ultimately doomed by a disastrous decision to separate the men from their ships the mission quickly became a desperate journey of survival Of the four hundred men who had embarked on the voyage only four survived three Spaniards and an African slave This tiny band endured a horrific march through Florida a harrowing raft passage across the Louisiana coast and years of enslavement in the American Southwest They journeyed for almost ten years in search of the Pacific Ocean that would guide them home and they were forever changed by their experience The men lived with a variety of nomadic Indians and learned several indigenous languages They saw lands peoples plants and animals that no outsider had ever before seen In this

enthraling tale of four castaways wandering in an unknown land Andrés Reséndez brings to life the vast dynamic world of North America just a few years before European settlers would transform it forever **Conquistador in Chains** David A. Howard, 1997 The current image of the Spanish conquest of America and of the conquistadores who carried it out is one of destruction and oppression One conquistador does not fit that image A life changing adventure led Alvar Núñez Cabeza de Vaca to seek a different kind of conquest one that would be just and humane true to Spanish religion and law yet safeguarding liberty and justice for the Indians of the New World His use of the skills learned from his experiences with the Indians of North America however did not always help him in understanding and managing the Indians of South America and

too many of the Spanish settlers in the Rio de la Plata Province found that his policies threatened their own interests and relations with the Indians Eventually many of those Spaniards joined a conspiracy that removed him from power and returned him to Spain in chains **Diario de sesiones** Uruguay.
