Pride and Prejudice Jane Austen,2015-06-09 I think that mature readers of age 13 and up should enjoy this It is a light hearted story that took me a while to read but it is worth it Jane Austen is an amazing writer and some of the issues brought up in the book are still relevant today which is a great thing to discuss with your family I read this along with my mum so we could ask each other questions along the way I suggest this if your child is reading Pride and Prejudice as his her first classic novel because the style is very different to that of a modern story The characters are fantastic From vapid Mrs Bennet and her four very different daughters to the brooding Mr Darcy When Lydia the youngest daughter runs away with her lover Wickham it is seen as a complete scandal Obviously in our society today that wouldn t be such a terrible thing and it brings up another good discussion point how etiquette and what is right and wrong has changed over the past years If you enjoyed this book I would suggest reading the parody Pride and Prejudice and Zombies but I would only
