Reading The Bible Intention Text Interpretation:

Reading the Bible Robert D. Lane, 2004-04-28 This book argues that the best way to understand the stories of the Old and New Testaments is to consider them as human stories with sophisticated narrative techniques at play God is a character in these stories from the beginning and considering god as a character in a narrative proves fruitful in responding to the human voices of these stories Although many readers go to the Bible to find the revealed word of Yahweh or of the Christian God what they find there is always an interpretation of the text through the filters of a religious dogma which exists prior to the reading of the text Reading the Bible suggests another way of reading the texts a way of reading which concentrates not on what does it mean but on what does it say and what do I see there The result is a fresh approach to the reading of these biblical texts an approach which celebrates human storytelling while investigating myth language and the act of reading a text

Reading Isaiah Edgar W. Conrad,2002-08-26

A Relevant Way to Read Margaret G Sim,2016-03-31 In *A Relevant Way to Read* Margaret G Sim draws on her in depth knowledge of New Testament Greek to forge a new exegesis of the Gospels and Paul s letters Locating her studies in the linguistic concept of relevance theory which contends that all our utterances are laden with crucial yet invisible context Sim embarks on a journey through some of the New Testament s most troubling verses Here she recovers some of that lost information with a meticulous analysis that should enlighten both the experienced biblical scholar and the novice Whether discussing Paul s masterful use of irony to shame the Corinthians or introducing the ground breaking ideas behind relevance theory into a whole new field of study Margaret G Sim demonstrates her vast learning and experience while putting her complex subject into plain words for the developing student

Biblical Exegesis without Authorial Intention? ,2019-03-27 In *Biblical Exegesis without Authorial Intention Interdisciplinary Approaches to Authorship and Meaning* Clarissa Breu offers interdisciplinary contributions to the question of the author in biblical interpretation with a focus on death of the author theory The wide range of approaches represented in the volume comprises mostly postmodern theory e g Jacques Derrida Michel Foucault Paul de Man Julia Kristeva and Gilles Deleuze but also the implied author and intentio operis Furthermore psychology choreography reader response theories and anthropological studies are reflected Inasmuch as the contributions demonstrate that biblical studies could utilize significantly more differentiated views on the author than are predominantly presumed within the discipline it is an invitation to question the importance and place attributed to the author

Is There a Meaning in This Text? Kevin J. Vanhoozer,2009-08-30 Is there a meaning in the Bible or is meaning rather a matter of who is reading or of how one reads Does Christian doctrine have anything to contribute to debates about interpretation literary theory and post modernity These are questions of crucial importance for contemporary biblical studies and theology alike Kevin Vanhoozer contends that the postmodern crisis in hermeneutics incredulity towards meaning a deep set skepticism concerning the possibility of correct interpretation is fundamentally a crisis in theology provoked by an inadequate view of God and by the announcement of God s death Part 1 examines the ways in which deconstruction and radical reader response criticism undo the traditional concepts of author text and reading Dr Vanhoozer engages critically with the work of Derrida Rorty and Fish among others and demonstrates the detrimental influence of the postmodern suspicion of hermeneutics on biblical studies In Part 2 Dr Vanhoozer defends the concept of the author and the possibility of literary knowledge by drawing on the resources of Christian doctrine and by viewing meaning in terms of communicative

action He argues that there is a meaning in the text that it can be known with relative adequacy and that readers have a responsibility to do so by cultivating interpretive virtues Successive chapters build on Trinitarian theology and speech act philosophy in order to treat the metaphysics methodology and morals of interpretation From a Christian perspective meaning and interpretation are ultimately grounded in God's own communicative action in creation in the canon and preeminently in Christ Prominent features in Part 2 include a new account of the author's intention and of the literal sense the reclaiming of the distinction between meaning and significance in terms of Word and Spirit and the image of the reader as a disciple martyr whose vocation is to witness to something other than oneself *Is There a Meaning in This Text* guides the student toward greater confidence in the authority clarity and relevance of Scripture and a well reasoned expectation to understand accurately the message of the Bible *Is There a Meaning in This Text* is a comprehensive and creative analysis of current debates over biblical hermeneutics that draws on interdisciplinary resources all coordinated by Christian theology It makes a significant contribution to biblical interpretation that will be of interest to readers in a number of fields The intention of the book is to revitalize and enlarge the concept of author oriented interpretation and to restore confidence that readers of the Bible can reach understanding The result is a major challenge to the central assumptions of postmodern biblical scholarship and a constructive alternative proposal an Augustinian hermeneutic that reinvigorates the notion of biblical authority and finds a new exegetical practice that recognizes the importance of both the reader's situation and the literal sense

The Making of Evangelical Spirituality Jason Cherry, 2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality *The Making of Evangelical Spirituality* is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it's the osmosis of many fascinating people

struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul

The Bible and the Crisis of Meaning Christopher Spinks,2007-08-30 Many of the most pressing issues in theology and the church today depend greatly on the understanding of the bible Recent debates on the theological interpretation of scripture have emerged which consider whether the meaning of scripture should concern theologians and church leaders at all The Bible and the Crisis of Meaning is an account of these debates in examining the concept of meaning in current proposals of theological interpretation The concept of meaning is deduced either from the supposed nature of the texts and their authors or from the function of the texts in religious communities Thus approaches to theological interpretation become debates between ontological and pragmatic strategists Stephen Fowl and Kevin Vanhoozer have embraced the term theological interpretation for their separate projects but their ideas of what this means and how meaning is a part of it differ greatly Christopher Spinks describes their respective concepts of meaning and argues for a more holistic concept that allows theological interpreters to understand their craft not so much as a discovery of intentions or the creation of interests but as a conversation in which truth is mediated

Systematic Theology, Volume One Stephen J. Wellum,2024-02-15 Stephen Wellum's Systematic Theology Volume One is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures Building on decades of research Wellum formulates doctrine exegetically covenantally and canonically for a new generation of students pastors church leaders and seasoned theologians as well

The Design of the Psalter Peter C. W. Ho,2019-10-04 Good poetry is like a good painting the more you linger over it the more it reveals It is a deep well that never runs dry And that is why the Psalter like a good painting keeps giving In the last four decades Psalms scholarship has found remarkable fruitfulness in reading the Psalter as a book that is in reading the Psalms as a unified composition with a metanarrative across its 150 poems Pivotal questions associated with this approach really boil down to two questions how and why How are individual psalms sequenced if at all and what is the design logic behind that macrostructure This volume seeks to answer those questions In essence the Psalter unfurls the story of the Davidic covenant While interest in the editing of the Psalter remains high in recent Psalms scholarship this interest has not led to clear consensus The specific and timely contribution of this volume is twofold First it consolidates the results of studies on groups of psalms Second it integrates poetic and thematic approaches that are typically separated in Psalms scholarship Readers will find results of this study surprising and their implications sobering

Theological Hermeneutics in the Classical Pentecostal Tradition L. William Oliverio,2012-08-01 In *Theological Hermeneutics in the Classical Pentecostal Tradition* L. William Oliverio Jr accounts for the development of Classical Pentecostal theological hermeneutics through four hermeneutical types and concludes with a philosophical basis for future

Pentecostal theological hermeneutics within the contours of a hermeneutical realism Reading Scripture to Hear God
Kevin Storer, 2015-04-30 Recent theological discussions between Catholics and Evangelicals have generated a renewed appreciation for God's ongoing use of Scripture for self-mediation to the Church. Noting the significant influence of Henri de Lubac, one of the drafters of *Dei Verbum* and proponent of a renewal of the Patristic and Medieval emphasis on a spiritual sense of Scripture, and Kevin Vanhoozer, the leading Evangelical proponent of a theological interpretation of Scripture, Kevin Storer seeks to draw Evangelical and Catholic theologians into dialogue about God's ongoing use of Scripture in the economy of redemption. Storer suggests that a number of traditional tensions between Catholics and Evangelicals, such as the literal or spiritual sense of Scripture, a sacramental or a covenantal model of God's self-mediation, and an emphasis on the authority of Scripture or the authority of the Church, can be eased by shifting greater focus upon God's ongoing use of creaturely realities for the building of the Church in union with Christ. This project seeks to enable Evangelicals to appropriate the insights of de Lubac's Catholic Ressourcement project while also encouraging Catholic theologians to appreciate Vanhoozer's Evangelical emphasis on God's use of the literal sense of Scripture to build the Church. **Reading Responsibly** Tony L. Moyers, 2016-03-28 *Reading Responsibly: A Guide to Biblical Interpretation* focuses on two key areas: methods and ethics of interpretation. The book introduces, explains, and guides students in the understanding and application of particular methods commonly used by biblical scholars in the study of the Bible. The methods discussed focus on historical, literary, and reader-oriented aspects of biblical interpretation. The attention to ethics occurs mainly in the last chapter. Because the Bible is an extremely influential book, it often motivates people to act in beneficial or harmful ways. The focus on love for others motivates charitable giving or actions designed to help others. Emphasis on God's wrath may lead to exclusivism and even violence. Readings leading to disrespect and mental or physical abuse stem from an irresponsible use of the Bible. Responsible readings give full consideration to the text in its proper context and never call for action that is inconsistent with love and justice. *The Limits of a Text* Joshua Marshall Strahan, 2012-10-15 How does one limit a biblical text? Can one limit it? Should one? These questions drive one to examine core assumptions of biblical interpretation: assumptions about the aims and attitudes one brings to the task of reading the Bible. Is the aim of biblical exegesis to uncover what really happened, to discover the author's intentions, to attend to the interpretations of readers ancient and/or contemporary? Furthermore, should the interpreter approach biblical texts from a position of neutrality, suspicion, and/or faith? Strahan's book aims to offer a not-the-set-of-answers-to-these-questions-by-bringing-historiographical-theory-hermeneutical-theory-and-theology-into-conversation-a-conversation-centered-around-a-case-study-that-deals-with-limiting-the-meanings-of-an-enigmatic-Gospel-text. Father, forgive them, for they know not what they do (Luke 23:34a). Borrowing insight from Augustine's *De Doctrina Christiana*, this book offers a renewed ecclesially located strategy for dealing with polysemy in biblical texts, a strategy that holds together many of the strengths offered by contemporary theological interpreters.
