Oscar Award winning actress Cornelius Sky is a doorman in a posh Fifth Avenue apartment building that houses New York City's elite including a former First Lady whose husband was assassinated while in office. It is 1974 and New York City is heading toward a financial crisis. At work, Connie prides himself on his ability to buff a marble floor better than anyone, a talent that so far has kept him from being fired for his drinking. He pushes the boundaries of his duties partying and playing board games with the former First Lady's lonely thirteen-year-old son in the service stairwell, the only place where the boy is not spied upon mercilessly by the tabloid press and his Secret Service detail. Connie believes he is the only one who can offer true solace and companionship to this fatherless boy, but his constant neglect of his own sons and their mother reaches a boiling point. His wife changes the locks on his own door and he finds himself wandering the mean streets of the city in his uniform where unlikely angels offer him a path toward redemption. Cornelius Sky is an elegant picaresque that beautifully captures an opulent city on the edge of ruin and recovery. A novel that seems to be everywhere and is superbly told. The storyteller has the sharp eye and calm voice of an intrigued looker on. Larry Heinemann National Book Award winning author of *Paco's Story*. A dramatically satisfying and emotional resonant novel. Publishers Weekly

Sky Burial Xinran, 2011-04-20 In 2002 Xinran's *Good Women of China* became an international bestseller revealing startling new truths about Chinese life to the West. Now she returns with an epic story of love, friendship, courage, and sacrifice set in Chinese-occupied Tibet. Based on a true story, Xinran's extraordinary second book takes the reader right to the hidden heart of one of the world's most mysterious and inaccessible countries. In March 1958, Shu Wen learns that her husband, an idealistic army doctor, has died while serving in Tibet. Determined to find out what happened to him, she courageously sets off to join his regiment. But to her horror, instead of finding a Tibetan people happily welcoming their Chinese liberators as she expected, she walks into a bloody conflict with the Chinese, subject to terrifying attacks from Tibetan guerrillas. It seems that her husband may have died as a result of this clash of cultures, this disastrous misunderstanding. But before she can know his fate, she is taken hostage and embarks on a life-changing journey through the Tibetan countryside, a journey that will last twenty years and lead her to a deep appreciation of Tibet in all its beauty and brutality. Sadly, when she finally discovers the truth about her husband, she must carry her knowledge back to a China that in her absence has experienced the Cultural Revolution and changed beyond recognition.
