CONTEMPORARY WOMEN RECLAIM A SACRED STORY

EDITED BY
JUDITH A. KATES AND GAIL TWERSKY REIMER

"The achievement of the editors and contributors of *Reading Ruth* is extraordinary. . . . Buy, give—most important, go find a group of friends and study—this collective discourse on Ruth."—*Tikkun*

Reading Ruth Contemporary Women Reclaim A Sacred Story

Susan Cahill

Reading Ruth Contemporary Women Reclaim A Sacred Story:

Reading Ruth Judith Kates, 1996-02-06 The Book of Ruth is one of Western civilization's great narratives of women's relationships. This collection of modern day interpretations brings together the wisdom, sensitivity and spirituality of the biblical story with the struggles and insights of contemporary women. Readers will be moved and inspired by these essays. Susannah Heschel, Editor of *On Being: A Jewish Feminist*. With *Reading Ruth*, two creative scholars have brought together an amazingly eclectic group of Jewish novelists, essayists, poets, rabbis, psychologists and scholars including Cynthia Ozick, Marge Piercy, Francine Klagsbrun and Nessa Rapoport to explore one of the most beloved stories in the Bible. In lively essays, poetry, fiction and personal narrative, the gamut of women's experience in the modern world is illuminated by this ancient story. Whether the essayists explore relationships between sisters, the complex bond between mother-in-law and daughter-in-law, the place of the other in society, the heartache of loss, the limitations of loyalty or the elaborate connections of family, they give voice to an exciting array of thought and interpretation that endows this sacred tale with new life. A rich, diverse and thought-provoking collection. Judith Plaskow, Author of *Standing Again at Sinai*. Filled with passion, humor, insight and just the right combination of irreverence and awe, *Reading Ruth* puts the Book of Ruth right where it belongs: in the hands of women. All of us are the richer for it. Ari L. Goldman, Author of *The Search for God at Harvard*. The book of Ruth is a gem in its own right. Through *Reading Ruth*, the gem becomes a multifaceted diamond that reflects and refracts a multiplicity of images. Read this book. *The Rocky Mountain News*.

Matriarchs of the Messiah: 2nd Edition Jo Ann Skousen, 2023-02-14 The God of Abraham, Isaac and Jacob is also the God of Sarah, Rebecca and Leah. In this fascinating book, renowned scholar Jo Ann Skousen shines light on Christ's maternal ancestors, including the reformed harlot Rahab, the kind and loyal Moabite Ruth and the beautiful Bathsheba. Filled with insights that still apply today, this is a must-read for followers of the Holy Bible. *A Feminist Companion to Ruth and Esther* Athalya Brenner-Idan, 1999-04-01 The second series of *Feminist Companions* moves beyond the confines of sex and gender-specific issues and studies of biblical women. Biblical feminist critics now address contemporary life situations, marginalization and a range of questions once not thought accessible to such critique. Feminist theory has also continued a rapid evolution. Among the topics included in this volume are composition, Torah, Ruth, the Cat, female networking, together with much else to inform and stimulate female and male biblical scholars and non-scholars.

Plotted, Shot, and Painted J. Cheryl Exum, 1996-11-01 introduces the reader to an extraordinarily rich variety of critical experiences which far transcends the limitations of conventional biblical scholarship. *Prooftexts*. This provocative collection of essays begins where Exum's earlier literary feminist study *Fragmented Women* left off, with the questioning of the androcentric bias of the biblical text and with the aim of subverting its patriarchal perspective. It moves on to stake out new territory for feminist biblical criticism by considering what happens to biblical women in popular culture, in art and in film, and by foregrounding questions about the ways gender interests affect interpretation and about the roles and

responsibilities of commentators and readers Six essays approach gender bias in representation and in interpretation from various angles Bathsheba Plotted Shot and Painted Michal at the Window Michal in the Movies The Hand that Rocks the Cradle Prophetic Pornography Is This Naomi and Why Why Why Delilah Appealing to God or Man Nicholas J. Campbell, 2025-03-31 Appealing to God or Man Contrasting Barrenness and Family Death Narratives in the Hebrew Bible and Ancient Near East argues for a reevaluation of barrenness type scenes in the Hebrew Bible and ancient Near East More specifically the argument is for a distinction women in family death narratives appeal to men while women in barrenness narratives appeal to God Even the male centric epics of the ancient Near East show that women interact with the divine more during barrenness crises e g the wife s prophetic dream in the Etana myth than during family death crises e g male divine narratives in Kirta and Aqhat This distinction not only clarifies the narrative tropes but emphasizes the role of women in these crises and intersects with discussions of household roles in the ancient Near East Male and female roles in marriage and fertility drive the responses of characters in these idealized narrative worlds especially in family death and barrenness narratives *Cosmopolitics* Pheng Cheah, Bruce Robbins, Social Text Collective, 1998 Eminent contributors look at the present and future of cosmopolitanism and its relationship to nationalism Nationalism and the nation state have recently come under siege their political dominance gradually eroding under the strain of such forces as ethnic strife religious fundamentalism homogenizing global capitalism and the unprecedented movements of people and populations across cultures countries even cyberspace A resurgent cosmopolitanism has emerged as a viable and alternative political project In *Cosmopolitics* a renowned group of scholars and political theorists offers the first sustained examination of that project its inclusive and often universalist claims and its tangled and sometimes volatile relationship to nationalism Understood generally as a fundamental commitment to the interests of humanity traditional cosmopolitanism has been criticized as a privileged position an aloof detachment from the obligations and affiliations that constrain nation bound lives and move people to political action Yet as these essays make clear contemporary cosmopolitanism arises not from a disengagement but rather from well defined cultural historical and political contexts The contributors explore a feasible cosmopolitanism now beginning to emerge and consider the question of whether it can or will displace nationalism which needs to be rethought rather than dismissed as obsolete Intellectually provocative and erudite this interdisciplinary volume presents a diverse array of critical perspectives assessing both the ideal enterprise and the current realities of the rapidly developing cosmopolitical movement *The Construct of Identity in Hellenistic Judaism* Erich S. Gruen, 2016-09-12 This book collects twenty two previously published essays and one new one by Erich S Gruen who has written extensively on the literature and history of early Judaism and the experience of the Jews in the Greco Roman world His many articles on this subject have however appeared mostly in conference volumes and *Festschriften* and have therefore not had wide circulation By putting them together in a single work this will bring the essays to the attention of a much broader scholarly readership and make them

more readily available to students in the fields of ancient history and early Judaism The pieces are quite varied but develop a number of connected and related themes Jewish identity in the pagan world the literary representations by Jews and pagans of one another the interconnections of Hellenism and Judaism and the Jewish experience under Hellenistic monarchies and the Roman empire [This Life, This World: New Essays on Marilynne Robinson's Housekeeping, Gilead, and Home](#) ,2015-09-29 This book explores the author s award winning novels while also engaging her non fiction As the first book devoted entirely to Robinson and to her diverse contributions to literature and scholarship This Life This World familiarizes readers with the major currents in her thought and moves scholarly dialogue into new theoretical directions An interdisciplinary group the contributors bring to their subject a diversity of perspectives Romanticism ecocriticism medicine and literature religion and literature theology American Studies critical race theory and feminist and gender studies that reflects the amplitude and fecundity of Robinson s art and thought The book begins with an annotated timeline and concludes with a substantive written interview with Robinson wherein she reflects on her work and its reception A tremendous resource for Robinson enthusiasts and for readers interested in the questions she raises in her fiction and non fiction **Dangerous Sisters of the Hebrew Bible** Amy Kalmanofsky,2014-01-01 Fathers sons and mothers take center stage in the Bible s grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society **Uncommon Friendships** William Young,2010-01-01 Uncommon Friendships explores the often overlooked dynamic of interreligious friendships considering their significance for how we think about contemporary religious thought By exploring the dynamics of three relationships between important religious thinkers Franz Rosenzweig and Eugen Rosenstock Huessy Emmanuel Levinas and Maurice Blanchot and Julia Kristeva and Catherine Clement this study demonstrates the ways such friendships enable innovation and transformation within religious traditions For each pair of thinkers the sustained engagement and disagreement between them becomes central to their religious and philosophical development helping them to respond effectively and creatively to issues and problems facing their communities and societies Through a rereading of their work Young shows how such friendships can help us rethink religion aesthetics education and politics as well as friendship itself [Ruth](#) Jeremy Schipper,2016-01-01 The Birth of Obed 4 13 17 Notes Comments The Generations of Perez 4 18 22 Notes Comments Index of Subjects A B C D E F G H I J K L M N O P Q R S T U W Index of Modern Authors A B C D E F G H I J K L M N O P Q R S T V W Y Z Index of Ancient Sources **Wise Women** Susan Cahill,1997 Spiritual experience is a liberating source of women s identity and their resistance to oppression This deeply moving collection of memoirs stories

poetry letters prayers and theologies is a source of empowering and uplifting thought for women in any time at any age

Finding Your Way Tommy Tenney, 2008-01-11 In *The Ultimate Comeback* Tommy Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations In Tenny's new book the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney's message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles We desperately need to downsize reprioritize and sometimes even sacrifice less important things in order to simplify our lives In doing so we become unfettered enough to see more clearly where our priorities should lie We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system We settle on whatever gives us permission to do what we want and to acquire what we desire Ruth possessed the virtues of wisdom faith and trust and employing these while enduring personal crisis she realized that the very things she needed for inner strength and support were her family traditions What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment to the

Things that Really Matter **Where You Go, I Shall** Jane J. Parkerton, K Jeanne Person, Anne Winchell Silver, 2005-10-25 *Where You Go I Shall* is a book that was born of experience and need The authors two of whom are widows and the third an Episcopal priest were participants in a monthly support group for widows and discovered that many of the Bible's remarkable women Mary Ruth Naomi Abigail Anna Tamar Judith and some who are unnamed are widows In this book they tell and reflect upon the biblical stories offering background for greater understanding and the two authors who are themselves widows also reflect upon aspects of their own widowhood that relate to the biblical story The result is a book that will provide understanding and comfort not only for widows but for all who love care for and minister to individuals who have been widowed **The Hebrew Bible** John Barton, 2021-08-31 This is a general interest introduction to the Old Testament from many disciplines There are 23 essays with 23 individual reference lists

Feminist Biblical Interpretation Luise Schottroff, Marie-Theres Wacker, Martin Rumscheidt, 2012-11-29 The original German edition of *Feminist Biblical Interpretation* received high acclaim and widespread positive reviews in Europe That groundbreaking reference tool for contextual biblical interpretation is here available in English for the first time With contributions from more than sixty female scholars this is the only one volume feminist commentary on the entire Bible including books that are relatively uncharted territory for feminist theology **Allegiance and Identity in a Globalised World** Fiona Jenkins, Mark Nolan, Kim

Rubenstein, 2014-11-06 Interrogating the concepts of allegiance and identity in a globalised world involves renewing our understanding of membership and participation within and beyond the nation state Allegiance can be used to define a singular national identity and common connection to a nation state In a global context however we need more dynamic conceptions to understand the importance of maintaining diversity and building allegiance with others outside borders Understanding how allegiance and identity are being reconfigured today provides valuable insights into important

contemporary debates around citizenship This book reveals how public and international law understand allegiance and identity Each involves viewing the nation state as fundamental to concepts of allegiance and identity but they also see the world slightly differently With contributions from philosophers political scientists and social psychologists the result is a thorough appraisal of allegiance and identity in a range of socio legal contexts *Routledge International Encyclopedia of Women* Cheris Kramarae, Dale Spender, 2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects

Introducing the Women's Hebrew Bible Susanne Scholz, 2014-09-16 This book introduces readers to the diverse field of feminist studies on the Hebrew Bible Not organized as a traditional introduction to the Old Testament the manuscript does not follow a biblical book by book structure but provides an introductory survey of the history and issues as they relate to feminist readings and readers of the Hebrew Bible Accordingly feminist scholars of the Bible their career struggles and biblical texts characters and themes stand in the forefront of this introduction The volume is biased toward Western feminist scholarship because of the historical developments of feminist scholarship in general and biblical studies in particular Yet the chapters also include African Asian and Latin American perspectives on feminist studies of the Hebrew Bible In short the book offers an overview on the historical social and academic developments of reading the Hebrew Bible as the Women s Hebrew Bible Texts after Terror Rhiannon Graybill, 2021-04-23 Texts after Terror offers an important new theory of rape and sexual violence in the Hebrew Bible While the Bible is filled with stories of rape scholarly approaches to sexual violence in the scriptures remain exhausted dated and in some cases even unfeminist lagging far behind contemporary discourse about sexual violence and rape culture Graybill responds to this disconnect by engaging contemporary conversations about rape culture sexual violence and MeToo arguing that rape and sexual violence both in the Bible and in contemporary culture are frequently fuzzy messy and icky and that we need to take these features seriously Texts after Terror offers a new framework informed by contemporary conversations about sexual violence writings by victims and survivors and feminist queer and affect theory In addition Graybill offers significant new readings of biblical rape stories including Dinah Gen 34 Tamar 2 Sam 13 Bathsheba 2 Sam 11 Hagar Gen 16 Daughter Zion Lam 1 2 and the unnamed woman known as the Levite s concubine Judges 19 Texts after Terror urges feminist biblical scholars and readers of all sorts to take seriously sexual violence and rape while also holding space for new ways of reading these texts that go beyond terror considering what might come after

As recognized, adventure as competently as experience practically lesson, amusement, as well as deal can be gotten by just checking out a ebook **Reading Ruth Contemporary Women Reclaim A Sacred Story** afterward it is not directly done, you could say yes even more on the order of this life, roughly speaking the world.

We have the funds for you this proper as well as simple pretentiousness to acquire those all. We provide Reading Ruth Contemporary Women Reclaim A Sacred Story and numerous ebook collections from fictions to scientific research in any way. in the midst of them is this Reading Ruth Contemporary Women Reclaim A Sacred Story that can be your partner.
