Galatians, Ephesians, and Philippians** John Cumming, 1858 **Reading the New Testament for the First Time** Ronald J. Allen, 2012-07-09 The purpose of this book is to introduce the New Testament to those who have never read it Ronald Allen offers a truly elementary guide to the New Testament s world its story and its message Reading the New Testament for the First Time walks readers through the New Testament covering key topics like these how to find one s way around the New Testament how and when the New Testament was written important characters like Jesus Paul and the twelve disciples big ideas found in the New Testament such as love righteousness and the realm of God how to apply the New Testament to our lives today and much more **A New New Testament** Hal Taussig, 2013-03-05 Important both historically and theologically Readers will not be able to see

the New Testament in the same way again Marcus Borg author of *The Heart of Christianity* A New New Testament does what some of us never dreamed possible it opens the treasure chest of early Christian writings restoring a carefully select few of them to their rightful place in the broad conversation about who Jesus was what he did and taught and what all of that has to do with us now Barbara Brown Taylor author of *Leaving Church and An Altar in the World* There are twenty seven books in the traditional New Testament but the earliest Christian communities were far more vibrant than that small number might lead you to think In fact many more scriptures were written and just as important as the New Testament in shaping early Christian communities and beliefs Over the past century many of those texts that were lost have been found and translated yet are still not known to much of the public they are discussed mainly by scholars or within a context of the now outdated notion of gnostic gospels In *A New New Testament* Hal Taussig is changing that With the help of nineteen important spiritual leaders he has added ten of the recently discovered texts to the traditional New Testament leading many churches and spiritual seekers to use this new New Testament for their spiritual and intellectual growth Remarkable Not meant to replace the traditional New Testament this fascinating work will be Taussig hopes the first of several new New Testaments Booklist

New notes for Bible readings. Also, brief memoir of the late S.R. Briggs, by J.H. Brookes S R. Briggs,1891 How to Read (and Understand) the Bible Larry Richards,2015-05-21 Have you ever felt intimidated by the Bible Would you like to get to know it better but worry you might find it difficult or daunting How to Read and Understand the Bible is the book you need It s a fascinating accessible approach to Scripture that will help you go deeper into the heart of what it s all about the timeless true story of God s love for you Join scholar and theologian Larry Richards on a journey through the Old and New Testaments as he explores 21 key stories and themes in Scripture and shows what they reveal to us about God Whether you are new to reading the Bible or were brought up on its stories you ll come to understand it more deeply than ever before and connect in a whole new way to the God who wrote it for you Revelation and Reason in Christian Theology Christopher C. Green,David I. Starling,2018-07-11 Do revelation and reason contradict Throughout the church s history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist s words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth **Life-study of Second Corinthians** Witness Lee,2023-09-26 In this life study Witness Lee opens up Paul s second Epistle to the Corinthians a book on the new covenant ministry and its ministers The first Epistle to the Corinthians was the apostle s argument an argument

that defeated and subdued the distracted and confused Corinthians Now the second Epistle brought them back into the experience of Christ who was the subject of his argument in the first Epistle Hence the second Epistle is more experiential more subjective and deeper than the first In the first Christ the Spirit with our spirit the church and the gifts are covered as the major subjects In the second Christ the Spirit with our spirit and the church are developed further but the gifts are not even mentioned The gifts are replaced in this book by the ministry which is constituted with and produced and formed by the experiences of the riches of Christ gained through sufferings consuming pressures and the killing work of the cross This Epistle gives us a pattern an example of how the killing of the cross works how Christ is wrought into our being and how we become the expression of Christ These processes constitute the ministers of Christ and produce the ministry for God s new covenant Life-Study of 2 Corinthians Witness Lee,1990-08 **Easy to Read Bible - New Testament** Raymond

Says... Dae Young Choe,2000-03-29 Most of us begins to read the bible trying to understand our creator God and find out the way to escape from this troublesome world while struggling to cope with this fast running modern society and survive But reading through the bible alone would take a year and yet finding out what it says is still another story So many of us close the bible before flipping over several pages and come back to wandering again for the same reason of enormous amount of

scriptures and the difficulty to understand Simply we are trapped in this busy world of devil and the devil does not allow us to think about where we come from where we go to and why we live in this world That was stated in the bible as dead saying And another of his disciples said unto him Lord suffer me first to go and bury my father But Jesus said unto him Follow me and let the dead bury their dead Matthew 8:22 As the result we just go to church for self relief and follow the instructions of the church for no reason and say we obey to God Yet still we do not know what God says Leaving every teaching of religious people and traditional religious idea behind I tried to hear from God directly through the bible based upon solid rock foundation of common sense that the truth never changes I did not hesitate to go to the extreme to stand on that foundation and I believe that extreme faith gave me understanding divine only God who is in extreme high place As the bible says No one can come to Me unless the Father who sent Me draws him and I will raise him up on the last day John 6:44 this book is not intended to draw people into belief but to guide God's people that are lost In other words it is only for Sons of God It doesn't necessarily mean that my way is the best way So anybody who knows the way should follow own way
