Reading The Water Stories And Ebays Of Flyfishing And Life:

Reading the Water Mallory Burton, 1995 A collection of stories on fly fishing The protagonists are both men and women and many of the stories deal with human relationships as well as the sport

Haunted by Waters Mark Browning, 2014-08-27 Four essential questions Why does one fish How should one properly fish What relations are created in fishing And what effects does fishing have on the future Haunted by Waters is a self examination by the author as he constructs his own narrative and tries to answer these questions for himself But it is also a thorough examination of the answers he uncovers in the course of reading what s been written on the subject As his own story unfolds Mark Browning analyzes angling literature from the Bible to Norman Maclean always bringing his inquiry back to the same source the enigma of this sport Haunted by Waters is an exploration of the apparent compulsion of those who fish not only to read about the sport but to write about it as well Mark Browning s personal account as a fly fisherman and his perspective as a critic make him uniquely qualified to navigate these waters

River Girls Cecilia Kleinkauf, 2006 In this exciting book Cecilia Pudge Kleinkauf uses the real life experiences of four young women Alyssa Samantha Alex and Blair to create an informative and engaging introduction to the sport of flyfishing for pre teen and teenage girls Every beginning flyfisher needs a teacher and there s no better one for young women than Pudge Kleinkauf She covers everything they ll need to know from basic skills such as casting wading and knot tying to using flyrods and reels and choosing flies In addition to the basic skills the book features information on manufacturers that make gear specifically for young people a discussion of catch and release ethics and stories from adult women anglers who began flyfishing as girls It tells how to find nearby resources where girls can learn the sport and discover local waters where they might fish Pudge understands the needs of young women and treats them with respect She is the teacher anyone would want for his or her own child
