*Readings from the American mercury* Grant C. Knight, 1968      **The American Mercury**, 1924      Readings from the American Mercury Grant Cochran Knight, 1926      **The American Mercury** Henry Louis Mencken, 1928      **The American Mercury** Henry Louis Mencken, 1926      Century Readings in the English Essay Louis Wann, 1926      **Books and Notes of the Los Angeles County Free Library** Los Angeles County Public Library, 1928      Books and Notes Los Angeles County Public Library, 1926      H.L. Mencken S. T. Joshi, 2009-07-01 Baltimore native Henry Louis Mencken 1880 1956 was an essayist literary critic magazine editor novelist and journalist Starting as a reporter for the Baltimore Morning Herald at the turn of the century Mencken eventually became associated with the Baltimore Sun and his work for the newspaper spanned five decades In H L Mencken An Annotated Bibliography S T Joshi provides the most exhaustive and comprehensive bibliography of the writings of H L Mencken ever assembled It presents detailed information on his book publications from 1903 to the present with a full list of editions and reprints Most significantly it presents for the first time a comprehensive annotated listing of his magazine and newspaper work including more than 1 500 anonymous editorials for the Baltimore Sun Baltimore Evening Sun and other papers which have never been listed in any previous bibliographies a thorough index to his book reviews and a full list of interviews Mencken gave during his lifetime Word counts of nearly every item in the bibliography have been supplied and the book has been thoroughly indexed by name title and periodical Because every item has been annotated scholars and students can for the first time gain an idea of the subject matter of all Mencken s writings especially his magazine and newspaper work The indexes will allow users to locate any given item with ease The chronological arrangement of each section allows users to understand the growth and development of Mencken s work making this volume an invaluable resource      Among Our Books Carnegie Library of Pittsburgh, 1927      **Reading the Romance** Janice A. Radway, 2009-11-18 Originally published in 1984 Reading the Romance challenges popular and often demeaning myths about why romantic fiction one of publishing s most lucrative categories captivates millions of women readers Among those who have disparaged romance reading are feminists literary critics and theorists of mass culture They claim that romances enforce the woman reader s dependence on men and acceptance of the repressive ideology purveyed by popular culture Radway questions such claims arguing that critical attention must shift from the text itself taken in isolation to the complex social event of reading She examines that event from the complicated business of publishing and distribution to the individual reader s engagement with the text Radway s provocative approach combines reader response criticism with anthropology and feminist psychology Asking readers themselves to explore their reading motives habits and rewards she conducted interviews in a midwestern town with forty two romance readers whom she met through Dorothy Evans a chain bookstore employee who has earned a reputation as an expert on romantic fiction Evans defends her customers choice of entertainment reading romances she tells Radway is no more harmful than watching sports on television We read books so

we won't cry is the poignant explanation one woman offers for her reading habit. Indeed, Radway found that while the women she studied devote themselves to nurturing their families, these wives and mothers receive insufficient devotion or nurturance in return. In romances, the women find not only escape from the demanding and often tiresome routines of their lives but also a hero who supplies the tenderness and admiring attention that they have learned not to expect. The heroines admired by Radway's group defy the expected stereotypes; they are strong, independent, and intelligent. That such characters often find themselves to be victims of male aggression and almost always resign themselves to accepting conventional roles in life has less to do, Radway argues, with the women readers' fantasies and choices than with their need to deal with a fear of masculine dominance. These romance readers resent not only the limited choices in their own lives but the patronizing attitude that men especially express toward their reading tastes. In fact, women read romances both to protest and to escape temporarily the narrowly defined role prescribed for them by a patriarchal culture. Paradoxically, the books that they read make conventional roles for women seem desirable. It is this complex relationship between culture, text, and woman reader that Radway urges feminists to address. Romance readers, she argues, should be encouraged to deliver their protests in the arena of actual social relations rather than to act them out in the solitude of the imagination. In a new introduction, Janice Radway places the book within the context of current scholarship and offers both an explanation and critique of the study's limitations. **Reading**

**Faulkner: Collected Stories**, For readers and critics, a guide to the Nobel Laureate's short stories. Saturday Review of Literature, 1924. *Archie Green*, Sean Burns, 2011-11-01. Archie Green, The Making of a Working-Class Hero celebrates one of the most revered folklorists and labor historians of the twentieth century. Devoted to understanding the diverse cultural customs of working people, Archie Green, 1917-2009, tirelessly documented these traditions and educated the public about the place of workers' culture and music in American life. Doggedly lobbying Congress for support of the American Folklife Preservation Act of 1976, Green helped establish the American Folklife Center at the Library of Congress, a significant collection of images, recordings, and written accounts that preserve the myriad cultural productions of Americans. Capturing the many dimensions of Green's remarkably influential life and work, Sean Burns draws on extensive interviews with Green and his many collaborators to examine the intersections of radicalism, folklore, labor history, and worker culture with Green's work. Burns closely analyzes Green's political genealogy and activist trajectory while illustrating how he worked to open up an independent political space on the American Left that was defined by an unwavering commitment to cultural pluralism.
