Daniel Heimbach

Readings In Christian Ethics A Historical Sourcebook:

Readings in Christian Ethics J. Philip Wogaman, Douglas M. Strong, 1996-01-01 Contains 70 readings from the Fathers to Bernard Haring from Catholic and Protestant traditions

Christian Ethics J. Philip Wogaman, 2010-12-24 This updated survey of Christian ethics addresses major thinkers movements and issues from the early church to the present A broad range of topics is discussed including the biblical and philosophical legacies of Christian ethics and ethics through the early medieval Reformation Enlightenment and modern eras This new edition contains more extensive discussions of ethics in the twentieth century including Vatican II ecumenical social ethics and Orthodox Christian ethics A new section Toward the Third Millennium looks at the issues we will face in the coming decades including medical scientific and political dilemmas and issues of terrorism war and peace

Tensions in Christian Ethics Malcolm Brown, 2011-01-01 The book draws on the author's teaching of ethics at undergraduate and postgraduate level for the Cambridge Theological Federation since 2000 Its purpose is to introduce the reader to questions in Christian ethics through a careful examination of the fundamental meta ethical questions posed by the state we're in whether understood as a new phase of modernity or as postmodernity Brown draws on sources and authors from a variety of Christian traditions and from Britain the U S A and Europe The book will be of use not only to university departments and denominational and ecumenical teaching institutions but also as a more general exposition of the current state of ethical thinking in the Christian churches

The A to Z of Ethics Harry J. Gensler, Earl Spurgin, 2010-02-12 The A to Z of Ethics covers a very broad range of ethical topics including ethical theories historical periods historical figures applied ethics ethical issues ethical concepts non Western approaches and related disciplines Harry J Gensler and Earl W Spurgin tackle such issues as abortion capital punishment stem cell research and terrorism while also explaining key theories like utilitarianism natural law social contract and virtue ethics This reference provides a complete overview of ethics through a detailed chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries including bioethics business ethics Aristotle Hobbes autonomy confidentiality Confucius and psychology

From the Eye of the Storm J. Philip Wogaman, 1998-01-01 According to J Philip Wogaman the drama being played out in Washington represents a struggle for the nation's soul On one side is an emphasis on repentance and forgiveness time honored themes of the nation's formative religious traditions On the other side is an emphasis on condemnation and punishment for wrongdoing The question is which represents the more appropriate path for the future of the United States This is the question Wogaman sets out to answer in this fascinating book

Ethics beyond Rules Keith D Stanglin, 2021-08-17 An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time How should Christians live How should we interact with one another Why do we think the way we do about right and wrong How should we approach today's complex moral questions Keith Stanglin realigns our ethical thinking around the central question What does real love require applying it to our ethical reasoning on many of the

social issues present in today's culture: abortion, sexual ethics, consumerism, technology, race, and politics. Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community. But thinking objectively and reasonably about our ethical commitments is a process that's rarely taught in contemporary education or even in churches. *Ethics Beyond Rules* is a clear and accessible introduction for thoughtful Christians who want to lead moral lives, who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand. Stanglin's love-based framework for moral decision making engages Scripture and the historic Christian faith, giving Christians the tools to clear-mindedly consider the ethical problems of today and the foundation to confront new issues in the years to come.

Faith and Fragmentation J. Philip Wogaman, 2004-01-01 In this classic reissue, scholar, pastor, and author J. Philip Wogaman addresses people who wonder whether Christian Faith makes sense in light of the sweeping changes of our age. Changes that have created at the same time a pluralistic world, a technologically sophisticated world, a dangerous world, a world of great prosperity and yet great suffering. What are we to make of this time we live in? Can the Christian faith really provide a stable foundation? Wogaman wrestles with these and other questions as he investigates the true meaning of a Christian faith with a positive understanding of religious pluralism and a rejection of fanaticism. He concludes that this faith is a hopeful love that proclaims the centrality of love against selfishness and the power of hope against despair.

The Future of Religion in American Politics Charles Dunn, 2010-09-12 Should parents receive vouchers to send their children to religious schools? What limits, if any, should the government place on abortion? Should the government permit and fund stem cell research? Should religious organizations have the right to prohibit the employment of homosexuals? Should public schools teach both creationism and evolution? How does religion influence our political stances on gay marriage, the death penalty, immigration? The issues are real. The emotions are intense. The solutions are difficult to reach and often problematic. From the White House to the courthouse, from governors' mansions to the United States Supreme Court, religion factors into many contemporary legal controversies. Efforts to establish the proper balance between church and state create heated debates in America and raise seemingly insoluble questions. Politicians and their advisers walk a fine line when addressing religious issues in an increasingly pluralistic society where religious factions attempt to impose their values on the electoral and legislative processes. *The Future of Religion in American Politics* presents thoughtful, wide-ranging essays by twelve eminent public intellectuals and scholars, offering rich and stimulating views on one of the most divisive issues of our time. Editor Charles W. Dunn and the contributors assess the impact of religion on American politics in four distinct time periods: the founding, the Civil War, the New Deal era, and the modern era. Dunn outlines seven propositions that characterize the interaction of religion and politics during these time periods and describes how and why religion continues to influence politics in America. Contributors to this volume argue that whereas religion in the founding era held society together in a shared belief of the biblical portrayal of humanity, today's pluralistic religious interpretations of God appear to

be tearing society apart The rise of Islam and other world religions poses perplexing questions about the issue of tolerance Can America survive as a free society without commonly accepted morals that are based in religion Is America a secular society with a clear separation of church and state or a government created and informed by ever changing religious values The Future of Religion in American Politics includes essays about religion in the public square evangelical and faith based politics in presidential elections The authors investigate many thought provoking questions about the extent of religious influence in the U S government today and its likely impact in the future Lucid and accessible this book covers a wide range of issues and will be invaluable to students of politics religious studies and history *An Unexpected Journey* J. Philip Wogaman,2004-01-01

J Philip Wogaman offers candid reflections on his service as Senior Minister at Foundry United Methodist Church in Washington D C an unexpected journey that he began at the age of sixty following a full career as an ethics professor Wogaman chronicles the tasks he faced as a new pastor tasks with which every pastor deals effectively and faithfully preaching balancing pastoral and prophetic roles presenting the church to the public media dealing with prominent church members and addressing stewardship He also discusses the challenges of succeeding a long loved pastor who departed under a cloud the responsibilities of pastoring to a president and his efforts to balance the roles of a pastor against such a dramatic backdrop Identifying his own successes and mistakes Wogaman provides fresh insights on parish ministry that are sure to become guideposts for all pastors *Christian Perspectives on Politics* J. Philip Wogaman,2000-01-01

Minister Wogaman updates his comprehensive discussions on the meaning and importance of politics the history of Christian political thought and church state relations the legislation of social morality and criminal justice issues **The Mirage**

Shall Become a Pool Ondrej Hron,2012-11-01 Few things are as important as our notions of justice and mercy Yet how are we to make sense of our moral treatment of the poor given all the political philosophical and theological voices While Christian Scripture is not silent on the matters of social justice and charity even here our variously conditioned presuppositions cause us significant interference Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses So how would the New Testament witness have us treat the materially needy How do we act justly and love mercy in walking humbly with our God *Christianity and Cultures* David Emmanuel Singh,Bernard C. Farr,2008

This volume on Christianity and Cultures is a way of marking an important milestone in the relatively short story of the Oxford Centre for Mission Studies OCMS The papers here have been exclusively sourced from Transformation a quarterly journal of OCMS and seek to provide a tripartite view of Christianity's engagement with cultures by focusing on the question how is Christian thinking forming or reforming through its interaction with the varied contexts it encounters As Christianity has taken and still takes shape in multiple contexts it naturally results in a variety of expressions and emphases One can gain an appreciation of these by studying different strands of theological missiological thinking socio political engagements and forms of family relationships

in interaction with the host cultures **BOOK JACKET** The Literature of Theology David R. Stewart,2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology *Fundamental Christian Ethics* Daniel Heimbach,2022-11-01 In *Fundamental Christian Ethics* Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues Dirty Hands Garth Baker-Fletcher,2000-05-01 How can one make the ethical and right decision in a deeply ambiguous moral world Baker Fletcher s basic introduction to Christian Ethics with attitude examines the fundamental ethical problems of moral decision making in which knowledge will always be unsure time short decisions ambiguous and consequences multiple and unforeseeable Baker Fletcher treats ethics as engagement getting one s hand s dirty with life He employs a journey motif in order to aid readers in plotting their own moralscape the fundamental commitments that affect their own decisions

Moral Formation and the Virtuous Life Paul M. Blowers,2019-07-02 In *Moral Formation and the Virtuous Life* volume editor Paul M Blowers has translated and gathered several key texts from early Christian sources to explore the broad themes of moral conscience and ethics Readers will gain a sense of how moral formation was part of a process sustained by pastoral instruction and admonition based on ritual practice baptism eucharist and liturgy as well as learned ethical behaviors related to moral issues such as sexual ethics marriage and celibacy wealth and poverty pagan entertainment military service and more *Moral Formation and the Virtuous Life* is part of *Ad Fontes Early Christian Sources* a series designed to present ancient Christian texts essential to an understanding of Christian theology ecclesiology and practice The books in the series will make the wealth of early Christian thought available to new generations of students of theology and provide a valuable resource for the Church Developed in light of recent Patristic scholarship the volumes will provide a representative sampling of theological contributions from both East and West The series aims to provide volumes that are relevant for a variety of courses from introduction to theology to classes on doctrine and the development of Christian thought The goal of each volume is not to be exhaustive but rather representative enough to denote for a non specialist audience the multivalent character of early Christian thought allowing readers to see how and why early Christian doctrine and practice developed the way it did **Banned Questions About Christians** Christian D Piatt,2014-01-15 This latest book in the insightful and entertaining *Banned Questions* series addresses fifty questions about Christians that many of us have wondered regarding Hell sprinkle vs dunk baptism gay and lesbian issues in ministry the inconsistencies of communion the multitude of denominations God s allowance of suffering in the world and more This is a great addition to your library as you or your study group ponder the questions many have wanted to ask and few were brave enough to answer **Faith, Morals, and Money** Edward D. Zinbarg,2005-01-01 Most books on business ethics approach the subject philosophically That

approach Zinbarg tells us is that it neglects the most important source of most people's understanding of right and wrong: their religious tradition. While philosophy can shed the light of reason on the ethical dilemmas of economic life, it's less than convincing about why we ought to behave well, lacking the compelling urgency of religious faith. Following a wonderfully lucid and succinct summary of the ethical systems relative to Judaism, Christianity, Islam, Hinduism, Buddhism, and Confucianism, the author presents a variety of case studies in lively dialogue form from the whole gamut of economic life, including misrepresentation by sellers, truth in advertising, the ethics of part-time employment, child labor, and environmental ethics. The solutions may vary from tradition to tradition, but overall, one is struck by the similarities. This is a book grounded in the real ethical challenges of modern business practice with a kind of world religious perspective so necessary in an era of globalization.

Historical Dictionary of Ethics Harry J. Gensler, Earl W. Spurgin, 2008. *Historical Dictionary of Ethics* covers a broad range of topics including theories, issues, and concepts, historical periods, and historical figures, applied ethics, non-Western approaches, and related disciplines. Harry J. Gensler and Earl W. Spurgin tackle such issues as abortion, capital punishment, stem cell research, and terrorism, and explain such key theories as utilitarianism, natural law, social contract, and virtue ethics. This reference provides a complete overview of ethics through a detailed chronology, an introductory essay, a bibliography, and more than 200 cross-referenced dictionary entries, including bioethics, business ethics, Aristotle, Hobbes, autonomy, confidentiality, Confucius, and psychology. **BOOK JACKET**

Such a Dark Thing M. Jess Peacock, 2015-02-05. Evil, death, demons, reanimation, and resurrection. While such topics are often reserved for the darker mindscapes of the vampire subgenre within popular culture, they are equally integral elements of religious history and belief. Despite the cultural shift of presenting vampires in a secular light, the traditional figure of the vampire within cinema and literature has a rich legacy of serving as a theological marker. Whether as a symbol of the allure of sin, as an apologetic for assorted religious icons, or as a gateway into a discussion of liberationist theology, the vampire has served as a spiritual touchstone from Bram Stoker's *Dracula* to Stephen King's *Salem's Lot* to the HBO television series *True Blood*. In *Such a Dark Thing*, Jess Peacock examines how the figure of the vampire is able to traverse and interconnect theology and academia within the larger popular culture in a compelling and engaging manner. The vampire straddles the ineffable chasm between life and death and speaks to the transcendent in all of us, tapping into our fundamental curiosity of what, if anything, exists beyond the mortal coil, giving us a glimpse into the interminable while maintaining a cultural currency that is never dead and buried.

Ignite the flame of optimism with is motivational masterpiece, **Readings In Christian Ethics A Historical Sourcebook** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
