Crime and Criminals Frank R. Scarpitti, Amie L. Nielsen, 2009 A vibrant collection of readings designed to provide a comprehensive and accessible introduction to criminology. *Crime and Criminals: Contemporary and Classic Readings*, Second Edition brings together selections from diverse and dynamic sources including sociologists, criminologists, and scholars from other related disciplines. Featuring twenty-four new readings, this incisive text addresses the broad range of subjects typically covered in a criminology course including society's attempts to control crime and criminal behavior. To help students understand the relevance and real world applications of criminology, new coeditor J. Mitchell Miller has shaped this edition with new selections that address how criminological research directly influences practical responses to crime. Building on the work of coeditors Frank R. Scarpitti and Amie L. Nielsen, these cutting edge readings reflect exciting developments in contemporary criminology while also preserving the text's original purpose to compile a set of readings that represent both the breadth and variety of research on the causes of crime, its control, and

related social policy issues In addition this engaging text integrates many helpful pedagogical resources which draw students into the core concepts and fundamental theories of the field An introductory chapter begins each section providing a survey of the major issues in each area and a helpful context for the readings that follow An introduction precedes each selection offering an overview of the article and a discussion of its relevance to students Lively discussion questions follow each reading An essential resource for criminology courses the new edition *Crime and Criminals* explores the dynamic challenging and ever changing realities of crime *Criminal Behavior* Delos H. Kando,1995-09-01 *Voices from the Field* Carl E. Pope,Rick Lovell,Steven Gerard Brandl,2001 Crimes of the Powerful

Dave Whyte,2008-12-01 Crimes of the powerful the crimes committed by state institutions and private business organizations or corporations are often overlooked by Criminology or are treated at best as a mildly interesting diversion from the real business of crime and criminal justice Indeed academic Criminology in the main tends to reinforce the idea that the real problems of society can be located in the lower strata of society and is yet to come to terms with overwhelming evidence that crimes of the institutionally powerful kill rip off and steal from more people than crimes committed by individuals This exciting Reader introduces debates on crimes of the powerful with a selection of 45 extracts from key authors Each section of the book is introduced with an original essay to contextualize the readings and explain their importance for rethinking the relationship between crime and power The book is organised into the following sections State Violence and Crime Partners in Crime Capitalism and Crimes of the Powerful Law and the Corporation Explanations Definitions The Problem of Criminalization If we are to fully understand the crimes of the powerful it is crucial to recognise that the process of criminalisation is profoundly influenced by state institutions and corporations and more importantly by the relationship between them The readings in this book show how their ability to both make and break the law remains a key source of power for those institutions Crimes of the Powerful explores how law and crime provide a framework for configuring and reproducing social relations of power in doing so provides criminology sociology politics and international relations students with new insights into a subject of growing importance *Voices from the Field* Carl E. Pope,Rick Lovell,Steven Gerard Brandl,2001 **Introduction to Criminology** Frank E. Hagan,2010-01-15 Introduction to Criminology Seventh Edition is a comprehensive introduction to the study of criminology designed for an introductory undergraduate courses The book focuses on the vital core of criminological theory theory method and criminal behavior Hagan investigates all forms of criminal activity such as organized crime white collar crime political crime and environmental crime He explains the methods of operation the effects on society and how various theories account for criminal behavior New to this edition Expansion of material on psycho social and bio social theories Additional coverage of terrorism in Ch 11 along with ethics in the research methods chapter Ch 2 New chapter on Cybercrime New Epilogue on the future of crime and the newest criminological theories New Career Feature Boxes New Crime Files Feature Boxes End of Chapter Web Research Exercises New full color design and photo program In text links to study site Expanded study site resources including video of the author and original podcasts recorded by the author for each chapter Blackboard and Web CT compatibility **Criminology Theory** Frank Williams III,Marilyn McShane,2015-03-02 This highly acclaimed criminology text presents an up to date review of rational choice theories including deterrence shaming and routine activities It also incorporates current examples of deterrence research regarding domestic violence drunk driving and capital punishment and features thought provoking discussion of the relativity of crime The authors explore the crime problem its context and causes of crime The organization of the text reflects

the fact that the etiology of crime must be at the heart of criminology It examines contemporary efforts to redefine crime by focusing on family violence hate crimes white collar misconduct with violent consequences and other forms of human behavior often neglected by criminologists Extensive discussion of evolving laws is included and while the prevalence of the scientific method in the field of criminology is highlighted the impact of ideology on explanations of crime is the cornerstone of the book

A Criminological Imagination Pat Carlen,2017-07-05 A Criminological Imagination contains a selection of key articles from Pat Carlen s research studies of magistrates courts and women s imprisonment together with a range of other articles on social control discourse analysis ideology punishment criminology and critique They are all informed by an assumption that while criminal justice must remain imaginary in societies based upon unequal and exploitative social relations one task of a criminological imagination might be to suggest why this is so and how things could be otherwise This is an invaluable collection for anyone interested in crime justice and injustice and the social political and academic contexts in which knowledge of them is constructed
