Readings In Intellectual History The American Tradition:

Readings in Intellectual History C. K. MacFarland, 1970 Readings in intellectual history. The American tradition.
[Edited by] C. K. McFarland Charles Keith MACFARLAND, 1970 The Modern American Tradition ,1972-01-01 **Fire in the Minds of Men** James Billington, 2017-10-24 This book traces the origins of a faith perhaps the faith of the century Modern revolutionaries are believers no less committed and intense than were Christians or Muslims of an earlier era What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority This inherently implausible idea energized Europe in the nineteenth century and became the most pronounced ideological export of the West to the rest of the world in the twentieth century Billington is interested in revolutionaries the innovative creators of a new tradition His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century The theater was Europe of the industrial era the main stage was the journalistic offices within great cities such as Paris Berlin London and St Petersburg Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto romanticism of Germany as the critical rationalism of the French Enlightenment The conversion of social theory to political practice was essentially the work of three Russian revolutions in 1905 March 1917 and November 1917 Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power Despite his hard realism about the adverse practical consequences of revolutionary dogma Billington appreciates the identity of its best sponsors people who preached social justice transcending traditional national ethnic and gender boundaries When this book originally appeared The New Republic hailed it as remarkable learned and lively while The New Yorker noted that Billington pays great attention to the lives and emotions of individuals and this makes his book absorbing It is an invaluable work of history and contribution to our understanding of political life Fire in the Minds of Men James H. Billington, 1999 This book traces the origins of a faith perhaps the faith of the century Modern revolutionaries are believers no less committed and intense than were Christians or Muslims of an earlier era What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority This inherently implausible idea energized Europe in the nineteenth century and became the most pronounced ideological export of the West to the rest of the world in the twentieth century Billington is interested in revolutionaries the innovative creators of a new tradition His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century The theater was Europe of the industrial era the main stage was the journalistic offices within great cities such as Paris Berlin London and St Petersburg Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto romanticism of Germany as the critical rationalism of the French Enlightenment The conversion of social theory to political practice was essentially the work of three Russian revolutions in

1905 March 1917 and November 1917 Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power Despite his hard realism about the adverse practical consequences of revolutionary dogma Billington appreciates the identity of its best sponsors people who preached social justice transcending traditional national ethnic and gender boundaries When this book originally appeared The New Republic hailed it as remarkable learned and lively while The New Yorker noted that Billington pays great attention to the lives and emotions of individuals and this makes his book absorbing It is an invaluable work of history and contribution to our understanding of political life *Tariff Question in the Gilded Age* Joanne Reitano, 2010-11-01 Protective tariffs were part of American life long before the era of NAFTA and GATT In the late nineteenth century the tariff question was one of the most controversial issues of the day As Joanne Reitano shows in this far reaching study the ensuing debate was anything but an empty exercise in political rhetoric occupying only politicians and lobbyists The tariff was of central concern to a broad cross section of people because of its perceived relationship to immediate economic problems such as wages prices and trusts In fact it became a means for many Americans to wrestle with the implications of the country's rapid growth and the impact of industrial capitalism on American life Reitano focuses on the election year of 1888 when the tariff was adopted as a cause célèbre by President Grover Cleveland Congress the two major parties and the press At the heart of the debate was the Mills Bill for tariff reduction Although the bill failed to pass Reitano finds in the rancorous public debate a barometer of changes in the American mind in the Gilded Age She carefully blends intellectual political economic and social issues through analyses of the Congressional Record press coverage of the debate academic and polemical literature political cartoons and the presidential campaign Ultimately Reitano contends that ideas about political economy have always been central to the American mind They were so in the Gilded Age as they are today *Holy Sparkes of Heavenly Fire* Michael Reed, 2024-10-16 Left unpublished for over 200 years the poetry of colonial American writer Edward Taylor has left an undeniable impact on the American literary landscape Upon its release the concrete carnal and to some scandalous content and language of his poetry seemed to stand in contradiction with the man himself a minister and doctrinaire Puritan This book presents a psychoanalytic reading of both Taylors religion and his poetry shedding light on the language which has so puzzled readers since its initial publication History, Politics, and the American Past Ari Helo, 2020-02-25 History Politics and the American Past assesses the connection between historiography and politics in America on the basis of an important methodological distinction between the past and the history written about it While necessarily interpreting the past professional historians and those with a general interest alike remain tempted consciously or not to make American history serve their own political and moral views There is a tendency to impose our present values on the past and sometimes go so far as to believe the past can be changed by present action In this volume Ari Helo analyzes examples of this including metahistorical narratives presidential speeches and the occasionally vague rhetoric of the Confederate statue campaigns

before diagnosing the source of doing so and suggesting how we might avoid it Taking America as its example the book illuminates essential methodological issues related to history writing while deciphering the complicated relationship of history and politics The book will be of interest to scholars and students of American history historiography American studies and cultural studies providing a vivid account of how to make sense of American history *The Publishers' Trade List Annual*, 1976 American Labyrinth Raymond Haberski, Jr., Andrew Hartman, 2018-12-15 American Labyrinth contains a stimulating and useful collection of essays by historians reflecting on American intellectual history As a whole the book convinces the reader that the field of intellectual history is enjoying a renaissance The book will be especially prized by intellectual historians but historians of many different persuasions will find these essays rewarding too Choice Intellectual history has never been more relevant and more important to public life in the United States In complicated and confounding times people look for the principles that drive action and the foundations that support national ideals American Labyrinth demonstrates the power of intellectual history to illuminate our public life and examine our ideological assumptions This volume of essays brings together 19 influential intellectual historians to contribute original thoughts on topics of widespread interest Raymond Haberski Jr and Andrew Hartman asked a group of nimble sharp scholars to respond to a simple question How might the resources of intellectual history help shed light on contemporary issues with historical resonance The answers all rigorous original and challenging are as eclectic in approach and temperament as the authors are different in their interests and methods Taken together the essays of American Labyrinth illustrate how intellectual historians operating in many different registers at once and ranging from the theoretical to the political can provide telling insights for understanding a public sphere fraught with conflict In order to understand why people are ready to fight over cultural symbols and political positions we must have insight into how ideas organize enliven and define our lives Ultimately as Haberski and Hartman show in this volume the best route through our contemporary American labyrinth is the path that traces our practical and lived ideas *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography, 1978 **Writers Directory** NA NA, 2016-03-05 *Historians of the American Frontier* John R. Wunder, 1988-12-07 Fully annotated individual analyses of 57 historical scholars who helped to shape research writing and critical thought on the American frontier and American history in general Each chapter includes a brief biography and a complete summary of articles and books Annotation copyrighted by Book News Inc Portland OR *The Worlds of American Intellectual History* Joel Isaac, James T. Kloppenberg, Michael O'Brien, Jennifer Ratner-Rosenhagen, 2016-11-15 The essays in this book demonstrate the breadth and vitality of American intellectual history Their core theme is the diversity of both American intellectual life and of the frameworks that we must use to make sense of that diversity The Worlds of American Intellectual History has at its heart studies of American thinkers Yet it follows these thinkers and their ideas as they have crossed national institutional and intellectual boundaries The volume explores ways in which American ideas have circulated

in different cultures It also examines the multiple sites from social movements museums and courtrooms to popular and scholarly books and periodicals in which people have articulated and deployed ideas within and beyond the borders of the United States At these cultural frontiers the authors demonstrate multiple interactions have occurred some friendly and mutually enriching others laden with tension misunderstandings and conflict The same holds for other kinds of borders such as those within and between scholarly disciplines or between American history and the histories of other cultures The richness of contemporary American intellectual history springs from the variety of worlds with which it must engage Intellectual historians have always relished being able to move back and forth between close readings of particular texts and efforts to make sense of broader cultural dispositions That range is on display in this volume which includes essays by scholars as fully at home in the disciplines of philosophy literature economics sociology political science education science religion and law as they are in history It includes essays by prominent historians of European thought attuned to the transatlantic conversations in which Europeans and Americans have been engaged since the seventeenth century and American historians whose work has carried them not only to different regions in North America but across the North Atlantic to Europe across the South Atlantic to Africa and across the Pacific to South Asia Library of Congress Catalog Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards *Black Folklorists in Pursuit of Equality* Ronald LaMarr Sharps,2023-06-16 After the Civil War Emancipation purportedly brought physical freedom to African Americans As the nineteenth century drew to a close blacks continued to experience inequality in all phases of American life social cultural political and economic In pursuit of equality African American movements interpreted folklore to reveal in their rhetoric the soul of a race and a path toward civilization This book provides a comprehensive chronicle of these competing initiatives and their reception starting with the folklore society organized by Hampton Institute in 1893 and continuing through the early 1940s with the American Negro Academy Fisk University graduates William Hannibal Thomas the National Association for the Advancement of Colored People the Urban League the Friends of Negro Freedom the Universal Negro Improvement Association and blacks associated with the Communist Party USA Disavowing a culture of fear money guns and death black folklorists in these movements exposed a racial inner life ranging from loving loyal and happy to imitative tragic spiritual emotional and creative Each characterization of the race justified a distinct path and possible contributions to civilization If unable to know their past members of the movements and other folklorists were fearful that African Americans would be an anomaly among humanity *Reconstructions : New Perspectives on Postbellum America* Institute for Southern Studies and Associate Professor of History University of South Carolina Thomas J. Brown Associate Director,2006-10-16 The pivotal era of Reconstruction has inspired an outstanding historical literature In the half century after W E B DuBois published *Black Reconstruction in America* 1935 a host of thoughtful and energetic authors helped to dismantle racist stereotypes about the aftermath of emancipation and Union victory in the Civil War The resolution

of long running interpretive debates shifted the issues at stake in Reconstruction scholarship but the topic has remained a vital venue for original exploration of the American past In *Reconstruction's New Perspectives on the Postbellum United States* eight rising historians survey the latest generation of work and point to promising directions for future research They show that the field is opening out to address a wider range of adjustments to the experiences and effects of Civil War Increased interest in cultural history now enriches understandings traditionally centered on social and political history Attention to gender has joined a focus on labor as a powerful strategy for analyzing negotiations over private and public authority The contributors suggest that Reconstruction historiography might further thrive by strengthening connections to such subjects as western history legal history and diplomatic history and by redefining the chronological boundaries of the postwar period The essays provide more than a variety of attractive vantage points for fresh examination of a major phase of American history By identifying the most exciting recent approaches to a theme previously studied so ably the collection illuminates the creative process in scholarly historical literature

The National union catalog, 1968-1972, 1973 Five Faces of Exile Augusto Fauni Espiritu, 2005 *Five Faces of Exile* is the first transnational history of Asian American intellectuals Espiritu explores five Filipino American writers whose travels literary works and political reflections transcend the boundaries of nations and the categories of Asia and America

Pentecostal Theology and Jonathan Edwards Amos Yong, Steven M. Studebaker, 2019-11-14 This volume brings America's theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness

Adopting the Track of Phrase: An Psychological Symphony within **Readings In Intellectual History The American Tradition**

In a global eaten by displays and the ceaseless chatter of instantaneous communication, the melodic splendor and emotional symphony developed by the prepared term frequently disappear into the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. But, nestled within the pages of **Readings In Intellectual History The American Tradition** a wonderful fictional prize filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that captivating masterpiece conducts viewers on a psychological journey, well unraveling the concealed melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this poignant assessment, we shall investigate the book is central harmonies, analyze its enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Readings In Intellectual History The American Tradition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Readings In Intellectual History The American Tradition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Readings In Intellectual History The American Tradition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various

categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Readings In Intellectual History The American Tradition free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Readings In Intellectual History The American Tradition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Readings In Intellectual History The American Tradition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Readings In Intellectual History The American Tradition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are there free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Readings In Intellectual History The American Tradition is one of the best books in our library for free trial. We provide a copy of Readings In Intellectual History The American Tradition in digital format, so the resources that you find are reliable. There are also many eBooks related to Readings In Intellectual History The American Tradition. Where to download Readings In Intellectual History The American Tradition online for free? Are you looking for Readings In Intellectual History The American Tradition PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for

online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Readings In Intellectual History The American Tradition. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Readings In Intellectual History The American Tradition are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Readings In Intellectual History The American Tradition. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Readings In Intellectual History The American Tradition To get started finding Readings In Intellectual History The American Tradition, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Readings In Intellectual History The American Tradition So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Readings In Intellectual History The American Tradition. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Readings In Intellectual History The American Tradition, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Readings In Intellectual History The American Tradition is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one.
