**Readings for Reflection and Meditation** C. S. Lewis,1995 C. S. Lewis Readings Clive Staples Lewis,Walter Hooper,1995 Lent and Easter Reflections for the Younger Crowd John Behnke,2010 Meditations using ordinary language and every day experience to assist young people in developing a pattern of prayer reflection and daily meditation **Good News for Today** Mel Shoemaker,2013-11-20 Christians throughout the world observe the forty day season of Lent from Ash Wednesday to Easter as a time of spiritual reading meditation prayer fasting and renewal Just as Moses received the Ten Commandments on Mount Sinai while fasting for forty days and Jesus likewise fasted for forty days in the wilderness before beginning his public ministry so also Christians continue this spiritual discipline today Since Sundaythe Lords Dayis a day of rest worship joy and feasting the six Sundays during Lent are not counted in the forty days The four gospelsMatthew Mark Luke and Johnare the primary sources for discovery and meditation on the life and teaching of Jesus Good News for Today takes the reader on a spiritual pilgrimage through the gospels without the duplications in their accounts If you read the gospel lesson suggested for each day you will read the complete gospel story as it unfolds from the baptism of Jesus to his passion death and resurrection You are invited to begin this spiritual ascent with Jesus Christ Emptiness Guy Armstrong,2017-05-02 If everything is empty then what ceases in Nirvana and is born in rebirth How can you live in the world without feeling trapped by it Guy Armstrong tackles these questions and more in this richly informed practical guide to emptiness for the meditator It may seem odd for emptiness to serve as the central philosophy of a major religion In fact emptiness points to something quite different than nothingness or vacancy And by developing a richer understanding of this complex topic we can experience freedom as we live consciously in the world Guy Armstrong has been a leading figure and beloved teacher of insight meditation for decades In this book he makes difficult Buddhist topics easy to understand weaving together Theravada and Mahayana teachings on emptiness to show how we can liberate our minds and manifest compassion in our lives Readings on the Character of Hamlet Claude C H Williamson,2013-09-13 First published in 1950 This volume contains the essence of over three hundred well known literary critics who between 1661 and 1947 considered the great literary riddle of the years Entries arranged chronologically by date of publication International authorship of material

*Kerygmatic Hermeneutics* Swee Sum Lam,2021-09-30 Kerygmatic Hermeneutics takes a reader at once into a concrete apprehension of God in his scriptural truth through flowing in the Spirit With the Spirit working with Scripture a reader

navigates in a toing and froing between the general claims of God and the patterns of his actions in the world and the embodiment of these general claims in the concrete particularity of contemporary living This toing and froing shapes an embodied witness to the world In this account an interpretation of scriptural truth is incomplete until Christ is proclaimed in the power of the Spirit to bring life This brings the world into an encounter with God Kerygmatic Hermeneutics is an account of how one may make theology in the Pentecostal charismatic tradition This constructive theological account also yields a practice of interpretation of Scripture in a community of faith This formulation of kerygmatic theology and its hermeneutical practice opens theology to empirical enquiry and spiritual discernment in a post Christian western world This account is also existentially relevant for the global south and east especially where readers find themselves having to speak apologetically into diverse religious and spiritual practices in daily encounters
