PHILOSOPHY IN ANCIENT GREECE

1. What is Philosophy? Philosophy is all about asking big questions and trying to understand the world around us. Ancient Greek philosophers were like the "detectives" of their time, trying to figure out what is all around us, "why?" coming from the word "gno" meaning wisdom.

In the Socratic philosophers, who tried to find the fundamental principles of the world around us. Socrates

in history, the Socratic method, which is a way of teaching that uses questions to help students think for themselves.

PLATO

Plato was a student of Socrates and a teacher of Aristotle. He was a philosopher who believed in the existence of a world of perfect forms, which he called the "Forms". He believed that the world we live in is a shadow of this perfect world. He wrote many dialogues, which are stories that explore his ideas. One of his most famous dialogues is "The Republic", which is about the ideal society. He also wrote about the soul and the afterlife. Plato's ideas were very influential and shaped the way we think about the world today.

"IGNORANCE, THE ROOT AND STEM OF ALL EVIL." -PLATO
