## Readings In Philosophy Of Law:

**Readings in Philosophy of Law** John Arthur, William H. Shaw, 1984      *Readings in the Philosophy of Law - Third Edition* Keith C. Culver, Michael Giudice, 2017-05-25 Readings in the Philosophy of Law brings together central texts on such topics as legal reasoning the limits of individual liberty responsibility and punishment and international law The included selections provide superb coverage of both classic and contemporary views and are edited only lightly to allow readers to grapple with arguments in their original form Culver and Giudice s clear accessible introductions discuss key terms claims issues and points of connection and disagreement Readings are placed within their historical and social contexts with analogies and examples emphasizing the continuing relevance of the arguments at issue This third edition is updated to take account of the rise of legal pluralism debates over judicial review of constitutional rights anti terrorism laws hate crime and non state law at both regional and global levels      Readings in the Philosophy of Law John Arthur, William H. Shaw, 1993 Designed for a first course in philosophy of law jurisprudence or legal theory this revised text contains classical and contemporary readings on a range of key issues in legal theory Topics range from the nature of law and legal reasoning to specific problems such as entrapment search and seizure exclusionary rules plea bargaining pre trial publicity lawyer s ethics and the adversary system Introductions are provided for each topic and often the first essay provides students with an overvie of the problems that follow      Readings in the Philosophy of Law William H. Shaw, Amy Shapiro, 2020-07      **Law and Morality** David Dyzenhaus, Sophia Reibetanz Moreau, Arthur Ripstein, 2007-01-01 Since its first publication in 1996 Law and Morality has filled a long standing need for a contemporary Canadian textbook in the philosophy of law Now in its third edition this anthology has been thoroughly revised and updated and includes new chapters on equality judicial review and terrorism and the rule of law The volume begins with essays that explore general questions about morality and law surveying the traditional literature on legal positivism and contemporary debates about the connection between law and morality These essays explore the tensions between law as a protector of individual liberty and as a tool of democratic self rule and introduce debates about adjudication and the contribution of feminist approaches to the philosophy of law New material on the Chinese Canadian head tax case is also featured The second part of Law and Morality deals with philosophical questions as they apply to contemporary issues Excerpts from judicial decisions as well as essays by practicing lawyers are included to provide theoretically informed legal analyses of the issues Striking a balance between practical and more analytic philosophical approaches the volume s treatment of the philosophy of law as a branch of political philosophy enables students to understand law in its function as a social institution Law and Morality has proved to be an essential text in both departments of philosophy and faculties of law and this latest edition brings the debates fully up to date filling gaps in the previous editions and adding to the array of contemporary issues previously covered      *Freedom and Responsibility* , 1961

**The Philosophy of Law** Frederick F. Schauer, Walter Sinnott-Armstrong, 1996 Ideal for undergraduate courses in

philosophy of law this comprehensive anthology examines such topics as the concept of law the dispute between natural law theorists and legal positivists the relations between law and morality criminal responsibility and legal punishment the rights of the individual against the state justice and equality and legal evidence as compared with scientific evidence The readings have been selected from both philosophy and law journals and include classic texts contemporary theoretical developments and well known recent court cases The text features extensive introductions that make even the most profound writings accessible to undergraduates

**Readings in the Philosophy of Law** John Arthur, 2001 For sophomore junior courses in Philosophy of Law This anthology of classical and contemporary philosophical and legal essays and legal cases focuses on legal philosophy as its own subject rather than as an outgrowth of social or political philosophy or applied ethics The essays focus on how law is organized and the particular philosophical issues that law raises The book requires students to think through actual debates many of them still live in the courts

**Introduction to the Philosophy of Law** Jefferson White, Dennis Michael Patterson, 1999 Introduction to the Philosophy of Law Readings and Cases employs a combination of case based and theory based materials to show novices in the field how the philosophy of law is related to concrete and actual legal practice Ideal for undergraduates it engages their curiosity about the law without sacrificing philosophical content The authors emphasize a command of legal concepts and doctrine as a prelude to philosophical analysis Designed to acquaint students with the fundamentals of jurisprudence and legal theory Part I of the book includes readings from influential philosophers representing eight different types of jurisprudence natural law theory positivism constructivism consequentialism critical legal studies feminist theory practice theory and new natural law theory In Part II the authors present a variety of cases that allow students to apply the theories in Part I to the actual practice of law Unlike similar texts which focus primarily on public law this unique book addresses both private and public law and includes cases on statutory interpretation contract law and tort law Brief essays precede and discussion questions follow each case Introduction to the Philosophy of Law Readings and Cases serves as an exceptional text for courses in the philosophy of law jurisprudence and legal theory

Philosophy of Law Roland Dworkin, 1984 Readings in the Philosophy of Law - Second Edition Keith Culver, 2007-08-29 The second edition of Readings in the Philosophy of Law is a concise anthology of key arguments in the philosophy of law organized around the ideas of law and legal reasoning limits on individual liberty responsibility and international law Selections new to this edition update the anthology while continuing to present legal theory as a set of closely intertwined arguments Critical Race Theory is addressed as are challenges to legal theory posed by the emergence of the European Union The readings provide superb coverage of both classic and contemporary views and they are edited only lightly to allow readers to grapple with arguments in their original form Culver's clear accessible introductions discuss key terms claims issues connections and points of conflict in each section Culver takes particular care to place arguments in their historical and social context with analogies and examples emphasizing the continuing relevance of historical and

contemporary arguments A third edition of this text is forthcoming in early 2017     Jurisprudence George C. Christie,1973

**Jurisprudence, Text and Readings on the Philosophy of Law** GEORGE C.. MARTIN CHRISTIE (PATRICK H.. MACLEOD, ADAM.),Patrick H. Martin,Adam MacLeod,2020-09-11 This book is designed for use in courses in law schools and university departments of philosophy It can serve as a text for basic and advanced courses and seminars Readings include excerpts of classic works of Aristotle Aquinas Locke Hobbes Kant Bentham and Austin Provided also are excerpts from standard works of twentieth century philosophers The book explores current legal discourse with readings on topics such as sociobiology Islamic law the legal process school legal feminism critical legal studies intersectionality and gender identity theories law and economics and new private law theories It reprints leading cases on natural rights human rights and readings from online blogs op ed essays news stories and internet publications as well as drawing on literary treatment of topics relevant to legal philosophy     **Readings in the Philosophy of Law - Third Edition** Keith C. Culver,Michael Giudice,2017-05-25 A rigorous introduction to profound questions about the nature and role of law     Classic Readings and Cases in Philosophy of Law Susan Dimock,2007     Freedom and Responsibility Herbert Morris,1961     **Philosophy of Law** Larry May,Jeff Brown,2009-05-18 Philosophy of Law provides a rich overview of the diverse theoretical justifications for our legal rules systems and practices Utilizes the work of both classical and contemporary philosophers to illuminate the relationship between law and morality Introduces students to the philosophical underpinnings of International Law and its increasing importance as we face globalization Features concrete examples in the form of cases significant to the evolution of law Contrasts Anglo American law with foreign institutions and practices such as those in China Japan India Ireland and Canada Incorporates diverse perspectives on the philosophy of law ranging from canonical material to feminist theory critical theory postmodernism and critical race theory     **Law and Philosophy** Edward Kent,1970     Philosophy of Law Mark Tebbit,2017-01-20 This book provides an ideal starting point for students of philosophy and law Setting it clearly against the historical background the author leads readers into the heart of the philosophical questions that dominate philosophy of law today and provides an overview of the contending theories that have sought to resolve these problems The book is structured in three parts around the key issues and themes in philosophy of law what is the law the major legal theories addressing the question of what we mean by law including natural law legal positivism and legal realism the reach of the law the various legal theories on the nature and extent of the law s authority with regard to obligation and civil disobedience rights liberty and privacy and criminal law responsibility and mens rea intention recklessness and murder legal defences insanity and philosophies of punishment Revisions include a more detailed analysis of natural law new chapters on common law and the development of positivism a reassessment of the Austin Hart dispute in the light of recent criticism of Hart a new chapter on the natural law positivist controversy over Nazi law and legality and new chapters on criminal law extending the analysis of the dispute over the viability of the defences of necessity and duress     **Classic Readings and Canadian Cases in the**

**Philosophy of Law** Susan Dimock, 2002 Intended for upper year university students enrolled in philosophy of law courses Classic Readings and Canadian Cases in the Philosophy of Law is designed to increase student understanding of the role of law in society as well as historical and philosophical debates surrounding major legal issues Dimock strikes a balance between traditional philosophical subjects i e the nature of law morality liberty and practical issues of immediate interest to students i e corporate pollution sexual assault hate crimes pornography by combining theoretical readings with current Canadian legal cases The readings showcase experts in each subject area both classical and modern Canadian and international Pedagogical aids are found throughout the text and include a glossary of legal and philosophical terms an appendix of relevant sections of the Canadian Charter of Rights and Freedoms lists of additional readings and extensive study questions
