Watkins, 1978-06-01 The story of Christianity from apostolic times to the present reveals that in virtually every country of the world a Bible reading laity was an important factor in the growth of the church both numerically and spiritually The importance of the Bible in actual history is a challenge to the church today      Missions and Unity Norman E. Thomas, 2010-11-01 This study is the first comprehensive history of the impact of the modern missionary movement on the understanding of and work toward Christian unity It tells stories from all branches of the church Roman Catholic Orthodox and Protestant in its many types conciliar evangelical Pentecostal and independent Part 1 Historical highlights the contribution of modern missions to Christian unity from William Carey and his antecedents and peers to present day missions Part 2 Ten Models of Unity takes an inductive approach to history asking not how should Christians cooperate but how has the missionary movement helped Christians to work together at the local national regional and global level Part 3 Wider Ecumenism broadens the evidence to include how the missions movement has helped not only institutional churches but also broader society to have concern for the unity of the entire human family Included here is the story of how the Protestant missionary movement influenced the forming of the United Nations as well as the drafting of the Universal Declaration of Human Rights The study also covers the movement s impact on Christian attitudes toward and relations with persons of other faiths Mission and Unity is the standard reference work in the field for persons studying modern history modern church history missions and ecumenics      **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office, 1977 Includes index      **Church Growth Bulletin Vol 2** McGavran Dona, 1977-05      Paul the Missionary Eckhard J. Schnabel, 2010-01-28 Drawing on his monumental scholarly study Early Christian Mission Volume 2 Eckhard J Schnabel s

gives us an overview of Paul's missionary practices strategies and methods and then weighs contemporary evangelical missiology and practice in light of Paul

*Liberating the Church* Howard A. Snyder, 1996-12-03 The Church gets into trouble whenever it thinks it is in the church business rather than the Kingdom business In the church business people are concerned with Kingdom activities all human behavior and everything God has made Church people think about how to get people into the church Kingdom people think about how to get the church into the world

**Transforming Communication** Dr. Vee J. D-Davidson, 2022-07-19 Effectively communicate Christ across Cultures The gospel message transcends cultures but human communication does not In Transforming Communication missionary and professor Vee J D Davidson provides principles for the intercultural communication of Christ Using her twenty five plus years of experience teaching as a Westerner in Asia as a starting point Davidson provides transferable principles that encourage awareness of context specific issues and that see opportunities for intercultural communication as wholly unique opportunities regardless of any perceived communication barriers Readers from multiple different cultures will be able to apply the principles presented by use of relevant examples illustrations and enlightening insights provided from a wide range of Global South and Global North multicultural and intercultural perspectives Transforming Communication offers practical principles to encourage and challenge Christian readers to build relationships that might well require engaging with issues that bring them out of their comfort zone but the book also offers insights and encouraging devotional nuggets that feed into a triad of knowledge impartation self examination and challenge along with spiritual enrichment for the task

The Asianization of Christianity Jonathan D. James, 2024 The Asianization of Christianity is a catalyst to change the mission landscape of Asia by making the Gospel more accessible to Hindus Buddhists Muslims Animists and others It is hoped that a new generation of mission leaders will use these culturally specific principles to build bridges from the heart of God to the heart of Asian cultures

**The how and why of Third World Missions** Marlin L. Nelson, 1976

Cross-Cultural Missional Partnership Joshua Bowman, 2023-03-28 Cross cultural partnerships in today's global environment are both challenging and necessary Misunderstanding and miscommunication often lead to conflict between culturally diverse groups Christians must understand and evaluate their own culture the culture of others and the text of Scripture itself while remaining faithful to Scripture and relevant to culture Unmediated tensions combined with relational isolation lead to a myriad of problems This study proposes cross cultural missional partnership as a relationship that mediates these tensions thereby encouraging mutual faithful engagement in the mission of God Cross cultural tensions may never disappear but within a healthy partnership partners can assist one another in understanding and responding faithfully to Scripture Partners help one another more faithfully interpret and apply Scripture leading to obedience to God's will and engagement in God's mission within unique and diverse contexts

**Evangelical Dictionary of World Missions** A. Scott Moreau, 2000 The first comprehensive one volume reference work to consider the history of world missions and contemporary study of the subject

from an evangelical perspective      *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Copyright Office, 1978      **Missiology**, 2008 An international review      **International Christian Literature Documentation Project** Douglas W. Geyer, 1993      **Unreached Peoples '79** C. Peter Wagner, Edward R. Dayton, 1996-07

*Theological Education for the Mission of the Church in India, 1947-1987* Siga Arles, 1991 Indian National independence and Church Union in the Church of South India both in 1947 demanded a rethinking on the part of the Indian Christians with regard to the mission of the Church in India the meaning and methods of ministry and the role of theological education This book is a study of the quest for relevance in Indian theological education during the period 1947 to 1987 This book studies concepts of mission such as the traditional evangelization and the modern participation in nation building ministry as changing from the domination of male clergy to the participation of the laity and women theological education as equipment of the whole church for wider involvement in Indian society within the context of poverty and religious pluralism It deals with the four decades of thought development and indigenous experimentations simultaneously looking at the effect of the evangelical and ecumenical division of the church's understanding of her mission and ministry in India While studying several seminaries Tamilnadu Theological Seminary is used as a case to illustrate the continuing process of the quest for relevance An extensive bibliography notes on people referred and a directory of theological colleges are additional resources in this work
