## **Ready To Rebuild The Imminent Plan To Build The Last Days Temple:**

**Ready to Rebuild** Thomas Ice, Randall Price, 1992 This fascinating fast moving overview of contemporary events shows why the Temple is significant in Bible prophecy and how more than ever Israel is ready to rebuild **A Study Guide for the Revelation of Jesus Christ** James H. Stone Jr., 2014-01-21 THE SECOND COMING OF CHRIST REV 19 1 21 A GENERAL 1 Chapter 19 brings to a close the Great Tribulation period Daniels 70th Week Dan 9 27 and ushers in the 2nd coming of Jesus Christ 2 Christ promised he would come again John 14 3 40 days after his resurrection Acts 1 3 Christ ascended into heaven from the Mount of Olives just East of Jerusalem Acts 1 9 Two angels told the apostles Jesus would return in like manner Acts 1 11 In Rev 19 11 16 Christ returns with armies of saints and angels 3 The prophecies of Zechariah will be fulfilled Thus says the Lord I am returned to Zion and will dwell in the midst of Jerusalem Zech 8 3 And his feet shall stand in that day upon the Mount of Olives which is before Jerusalem on the East Zech 14 4 4 In Chapter 19 there are actually 2 scenes 1 in heaven which is one of great joy and 1 on earth which is one of great judgment B JOY IN HEAVEN REV 19 1 10 1 SONGS OF THE SAINTS REV 19 1 6 a TIME SEQUENCE 1 After this I John heard what sounded like the roar of a great multitude in heaven shouting Hallelujah salvation glory power belong to our God for true and just are his judgments he has condemned the great prostitute whore KJV who corrupted the earth by her adulteries he has avenged on her the blood of his servants Rev 19 1 2 NOTE After this refers to the destruction of the apostate religious system in Rev 17 and the corrupt commercial system in Rev 18 In Rev 18 20 the call to rejoice was issued now we have the response to that call **The Mystery of the Red Heifer** Mondo Gonzales, 2025-03-04 One of the most significant yet enigmatic symbols in biblical prophecy is the red heifer By the end of this book you will understand the prophetic significance of the Red Heifer movement and the preparations made to build the Third Temple For centuries scholars theologians and believers have awaited the emergence of the perfect red heifer a crucial element that many believe will set the stage for the construction of the long awaited third temple in Jerusalem a temple that must be rebuilt before the Second Coming of Christ The existence of a perfect red heifer is seen as a sign that the final events foretold in the Book of Revelation including the rise of the Antichrist the great tribulation and Jesus return are on the horizon Devout Jews in Israel and around the globe have been preparing the Temple Mount for the third temple s construction for years Yet one critical piece has been missing the red heifer With the arrival of five red heifers in Israel this book investigates their prophetic significance and the extraordinary events that could soon follow Examining the prophetic visions of Daniel Jesus Paul and John this book unravels the connections between the red heifer the third temple the covenant of Daniel 9 27 and the day of the Lord in 2 Thessalonians 2 While reading you will uncover valuable insights in the prophetic text such as Why Jewish rabbis believe the red heifer is essential for the building of the third temple How the ancient red heifer ritual is connected to the ministry of Jesus What the red heifer ceremony may signify for the future The inside scoop of how the five red heifers were found and sent to Israel Where are the red heifers now and when will the ceremony take place

Drawing on insights from prominent prophecy teachers this book is an essential guide for anyone seeking to understand the pivotal role of the red heifer in biblical prophecy and the unfolding of end time events      **The Truth about the Last Days' Temple** Thomas Ice, Thomas Ice, Ph.D., Th.M., Thomas Ace, Timothy Demy, 1996-12 The Bible predicts that in the last days at the midpoint of the tribulation Israel will have rebuilt her temple in Jerusalem which now is occupied by the Al Aqsa Mosque Given today's current political climate in the Middle East such a prospect seems dim This book however demonstrates why the Bible says it will happen and how modern Orthodox Jews are preparing for such an event      **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960's Pastor Sheldon Emery wrote an article titled An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh's Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book      *Jerusalem in Memory and Eschatology* Emma O'Donnell Polyakov, 2025-06-12 Investigating a range of eschatological ideologies this volume explores the connection between notions of sacred space and time in Jewish Christian and Muslim understandings of

Jerusalem The recognition of Jerusalem as a holy city both unites and divides Judaism Christianity and Islam While these three religious traditions share a reverence for the same ancient city this veneration leads more often to tension and violence than to commonality and cooperation Each of these religions draws heavily from religious memory and eschatological prophecies and sees Jerusalem as a site of past and future upheaval however the distinctions in their visions imbue Jerusalem with meanings that reinforce conflicting and contested ideologies Offering multiple analyses of religious interpretations of the city and its sacred sites this volume explores these divergent visions of the remembered and anticipated Jerusalem

**Heaven Is Not My Home** David James Burge,2010-12-22 Heaven is Not My Home by David James Burge **Christian Zionism** Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn t be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer s work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok **For Zion's Sake** Paul Richard Wilkinson,2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues

that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ. No one has contributed more to this cause than its leading architect and patron John Nelson Darby, an uncompromising champion for Christ's glory and God's truth. This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre-tribulation Rapture from his contemporaries. By revealing the man and his message, Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology.

**Bowker's Complete Video Directory**, 2000      *Catholic Doctrines on the Jewish People after Vatican II* Gavin D'Costa, 2019-10-10. In this timely study, Gavin D'Costa explores Roman Catholic doctrines after the Second Vatican Council regarding the Jewish people, 1965-2015. It establishes the emergence of the teaching that God's covenant with the Jewish people is irrevocable. What does this mean for Catholics regarding Jewish religious rituals, the land, and mission? Catholic Doctrines on the Jewish People after Vatican II establishes that the Catholic Church has a new teaching about the Jewish people: the covenant made with God is irrevocable. D'Costa faces head-on three important issues arising from the new teaching. First, previous Catholic teachings seem to claim Jewish rituals are invalid. He argues this is not the case. Earlier teachings allow us positive insights into the modern question. Second, a nuanced case for Catholic minimalist Zionism is advanced without detriment to the Palestinian cause. This is in keeping with Catholic readings of scripture and the development of the Holy See's attitude to the State of Israel. Third, the painful question of mission is explored. D'Costa shows the new approach safeguards Jewish identity and allows for the possibility of successful witness by Hebrew Catholics who retain their Jewish identity and religious life.      99 Reasons why No One Knows when Christ Will Return B. J. Oropeza, 1994. B. J. Oropeza shows why no one can predict the date of Christ's return from historical events, geological disasters, coded numbers, the identity of the antichrist, sources outside the Bible, and on and on.      *Subject Guide to Children's Books in Print* 1997, Bowker Editorial Staff, R. Many Jews long to rebuild the Temple destroyed in the Roman conquest of A.D. 70. But the site is now dominated by the Muslim Dome of the Rock, and Palestinians claim the Jews have no previous history at the site. This ongoing conflict raises some difficult questions: Who does the Temple Mount belong to? Can the Temple Mount be shared? What's happening right now in preparation for a new Temple? Can we expect a literal Temple to be built someday? How does all this affect Christians today? Middle Eastern expert Randall Price provides fascinating answers based on archaeological evidence, historical records, and exclusive interviews with those at the forefront of the Temple movement.      The Prophecy Puzzle Dr. TERRY L. Edelman, 2014-12-05 Darius I King of Persia claims to have accomplished many deeds in the early years of his reign but was one of them the rebuilding of the temple in Jerusalem The editor who added the date to the books of Haggai and Zechariah thought so and the author of Ezra 1:6 then relied on his dates when writing his account of the rebuilding process The genealogical information contained in the book of Nehemiah however suggests otherwise it indicates that Zerubbabel and Nehemiah were either contemporaries or a generation apart in age not some 65 years apart Thus either Zerubbabel and the temple rebuilding needs to be moved to the reign of Artaxerxes I or Nehemiah and the rebuilding of the city walls needs to be moved to the reign of Darius I In this ground breaking volume the argument is made that the temple was built during the reign of Artaxerxes I The editor of Haggai and Zechariah mistakenly set the event under Darius I because he was influenced by both a desire to show the fulfillment of inherited prophecy and by Darius widely circulated autobiography of his rise to power In light of the settlement patterns in Yehud during the Persian period it is proposed that Artaxerxes I instituted a master plan to incorporate Yehud into the Persian road postal and military systems The rebuilding of the temple was a minor part of the larger plan that provided soldiers stationed in the fortress in Jerusalem and civilians living in the new provincial seat with a place to worship their native god while also providing a place to store taxes and monies collected on behalf of the Persian administration
