Over the period of two years, the author has devoted the intervals between official duties to collecting and collating materials for the study of sign language. As the few publications on the general subject possessing more than historic interest are meager in details and vague in expression, original investigation has been necessary. The high development of communication by gesture among the tribes of North America and its continued extensive use by many of them naturally directed the first researches to that continent with the result that a large body of facts procured from collaborators and by personal examination has now been gathered and classified.

Hunting with the Bow & Arrow Saxton Temple Pope, 1923 The Collected Works of Grace Livingston Hill Grace Livingston Hill, 2023-11-10 In *The Collected Works of Grace Livingston Hill*, readers are offered an insightful exploration into the early 20th-century American sentiment intertwining themes of faith, love, and moral dilemmas. Hill's eloquent prose, characterized by its engaging narratives and richly drawn characters, reflects the social values and religious fervor of her time. The collection encapsulates her hallmark style of blending romance and inspirational messages, providing a vivid portrayal of her protagonists as they navigate the complexities of love while remaining steadfast in their convictions. Grace Livingston Hill, a pioneering figure in Christian romance literature, carved a niche for herself by exploring the internal struggles of women facing societal and spiritual challenges. Her own life experiences, including personal trials and a deeply rooted faith, greatly informed her storytelling. Writing during a time when women were seeking a voice in literature, Hill's works not only entertained but also inspired countless readers to reflect on their own lives and moralities. This collection is an essential read for enthusiasts of classic American literature and those interested in the evolution of Christian themes in fiction. Hill's profound insights into human nature and her ability to convey hope and redemption resonate powerfully, making

this anthology a compelling journey for anyone longing for uplifting narratives

GRACE LIVINGSTON HILL - Ultimate Collection Grace Livingston Hill, 2023-11-10 Grace Livingston Hill Ultimate Collection compiles the heartfelt narratives and spiritual explorations characteristic of Hill's prolific writing. Set against the backdrop of early 20th century America, these stories intertwine themes of faith, love, and the moral dilemmas faced by individuals. Hill's literary style is marked by its simplicity yet richness in emotional depth, making her stories accessible while provoking profound reflection on the choices that shape one's life. This collection reveals her ability to craft relatable characters who navigate the complexities of societal expectations and personal convictions, making her work a significant contribution to the Christian fiction genre. Grace Livingston Hill, often hailed as the Queen of American Christian Fiction, was born into a family deeply rooted in the Evangelical tradition, which profoundly influenced her writing. Her experiences as a missionary's daughter and her involvement in various religious communities provided her with a firsthand understanding of the challenges faced by women striving to maintain their faith in a rapidly changing world. This background imbued her narratives with authenticity, evidently reflecting her desire to inspire readers toward spiritual growth and resilience. I highly recommend Grace Livingston Hill Ultimate Collection to readers seeking uplifting narratives that resonate with the trials of everyday life. As timeless as they are inspiring, Hill's stories invite readers to reflect on their own journeys of faith and morality, making this collection a valuable addition to both personal libraries and academic studies in Christian literature.
