**Handbook of Moral and Character Education** Larry Nucci,Darcia

Narvaez,2014-04-24 There is widespread agreement that schools should contribute to the moral development and character formation of their students In fact 80% of US states currently have mandates regarding character education However the pervasiveness of the support for moral and character education masks a high degree of controversy surrounding its meaning and methods The purpose of this handbook is to supplant the prevalent ideological rhetoric of the field with a comprehensive research oriented volume that both describes the extensive changes that have occurred over the last fifteen years and points forward to the future Now in its second edition this book includes the latest applications of developmental and cognitive psychology to moral and character education from preschool to college settings and much more Teaching Primary Art and Design Susan Ogier,2017-06-05

Trainee and beginning teachers often find it hard to plan for and teach good art lessons as there is little guidance on subject knowledge and outstanding practice This key text will provide primary trainee teachers with subject knowledge expert advice and guidance along with practical solutions that are necessary to offer children the best possible experiences in art craft and design to ensure that they have access to a broad and balanced curriculum

Through guidance and support it will enable them to develop an understanding of the principles and values that underpin high standards and high expectations and show good progress in the subject **Cumulated Index Medicus** ,2000 De
