

A vintage, slightly faded color photograph of a street scene. In the foreground, a group of young men are walking. One man in the center-left is wearing a light-colored jacket and dark pants, looking towards the camera. To his right, another man in a light-colored shirt and dark pants is walking. In the background, there are buildings with signs, including one that says "REAL STATE" and another that says "TAX". A car is visible on the right side of the street. The overall tone is gritty and historical.

**Two Guns from Harlem** Robert E. Skinner, 1989 Among the many writers who lent their talents to the creation of hard boiled detective fiction few have approached it from a more original perspective than Chester Himes A former criminal himself Himes brought to the writing of detective fiction the perspective of the black man Himes made his debut with the brilliant *For Love of Imabelle* for which he was awarded the coveted Grand Prix de la Littérature Policière *Two Guns from Harlem* probes Himes's early life and career for the roots of this series and for its heroes Coffin Ed Johnson and Grave Digger Jones Skinner discusses how Himes's experience as a black man combined with his unique outlook on sociology politics violence sex and race relations resulted not only in an unusual portrait of black America but also opened the way for the creation of the ethnic and female hard boiled detectives who followed

**The Essential Harlem Detectives** Chester Himes, 2024-03-12 The New York Times Book Review Editors Choice A one volume selection of four novels in the legendary detective series blistering groundbreaking capers set in Harlem's criminal underworld by master crime writer Chester Himes With an introduction by New York Times bestselling author S A Cosby Himes put a spin on crime fiction emphasizing urban atmosphere street smarts and uptown carryings on unlike anything the genre had previously seen The Boston Globe Himes's Harlem saga vies with the novels of David Goodis and Jim Thompson as the inescapable achievement of postwar American crime fiction The New York Times His implacable drive to examine the Black experience the disingenuous nature of the American Dream the reality of pain and sorrow and what it does to the soul that is what makes Himes the bard of the existential African American psyche S A Cosby from his Introduction Here in one volume is an exceptional selection from Chester Himes's acclaimed Harlem Detectives series Winner of France's prestigious Grand Prix de Littérature Policière and lauded by Jean Cocteau as a prodigious masterpiece *A Rage in Harlem* introduces detectives Grave Digger Jones and Coffin Ed Johnson in a searing escapade In *The Real Cool Killers* the duo investigates a shooting and discovers an unsettling personal connection In *The Crazy Kill* a man is found in a breadbasket stabbed to death leaving Himes's detectives to find out who among the many suspects did it And in *Cotton Comes to Harlem* the brazen robbery of a notorious con man running a

back to Africa scam sets off a hunt for a bale of Southern cotton These masterful novels exhibit Himes's evocative baroque descriptions of Black life in Harlem and his famously blistering social commentary Everyman's Library pursues the highest production standards printing on acid free paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author's life and times The best writer of mayhem yarns since Raymond Chandler San Francisco Chronicle *The Real Cool Killers* Chester Hines, 1985 **At Home In Diaspora** Wendy W. Walters, Although he never lived in Harlem Chester Himes commented that he experienced a sort of pure homesickness while creating the Harlem set detective novels from his self imposed exile in Paris Through writing Himes constructed an imaginary home informed both by nostalgia for a community he never knew and a critique of the racism he left behind in the United States Half a century later Michelle Cliff wrote about her native Jamaica from the United States articulating a positive Caribbean feminism that at the same time acknowledged Jamaica's homophobia and color prejudice In *At Home in Diaspora* Wendy Walters investigates the work of Himes Cliff and three other twentieth century black international writers Caryl Phillips Simon Njami and Richard Wright who have lived in and written from countries they do not call home Unlike other authors in exile those of the African diaspora are doubly displaced first by the discrimination they faced at home and again by their life abroad Throughout Walters suggests that in the absence of a recoverable land of origin the idea of diaspora comes to represent a home that is not singular or exclusionary In this way writing in exile is much more than a literary performance it is a profound political act Wendy W Walters is assistant professor of literature at Emerson College *The Haunted States of America* James Morgart, 2022-05-15 The study highlights several writers who have not received much if any attention among Gothic scholars This allows readers exposure to writers they may have never encountered before or may realize dimensions to the authors works they have never considered The study reconsiders scholarship's understanding of post war American literature This gives readers students and scholars a new approach to discussing post war fiction that is not delimited to widely accepted understanding of how Cold War anxieties were manifested in fiction The study contextualizes the fiction it examines within each work's respective region This allows readers a new way of approaching not just post war Gothic fiction but Gothic fiction in general **Unwilling Executioner** Andrew Pepper, 2016-04-08 What gives crime fiction its distinctive shape and form What makes it such a compelling vehicle of social and political critique *Unwilling Executioner* argues that the answer lies in the emerging genre's complex and intimate relationship with the bureaucratic state and modern capitalism and the contradictions that ensue once the state assumes control of the criminal justice system This study offers a dramatic new interpretation of the genre's emergence and evolution over a three hundred year period and as a genuinely transnational phenomenon From its roots in the tales of criminality circulated widely in Paris and London in the early eighteenth century this book examines the extraordinary richness diversity and complexity of the genre's subsequent

thematizations of crime and policing moving from France and Britain and from continental Europe and the United States to other parts of the globe In doing so it offers new ways of reading established crime novelists like Gaboriau Doyle Hammett and Simenon beyond their national contexts and an impulse to characterize their work as either straightforwardly radical or conservative It also argues for the centrality of writers like Defoe Gay Godwin Vidocq Morrison and more recently Manchette Himes and Sj wall and Wahl to a project where crime and policing are rooted and shown to be rooted in the social and economic conditions of their time These are all deeply political writers even if their novels exhibit no interest in directly promoting political causes or parties The result is an agile layered and far reaching account of the crime story s ambivalent relationship to the justice system and its move to complicate our understanding of what crime is and how society is policed and for whose benefit
