The European Company Law Action Plan Revisited Koen Geens, Klaus J. Hopt, 2010. The harmonization of company law has always been on the agenda of the European Union. Besides the protection of third parties affected by business transactions, the founders had two other objectives: first, promoting freedom of establishment and second, preventing the abuse of such freedom. The European Commission issued its Company Law Action Plan in 2003. In this volume, researchers of the Jan Ronse Institute for Company Law of the Katholieke Universiteit Leuven present five chapters on the main priorities of the Action Plan: capital and creditor protection, corporate governance, one share one vote, financial reporting and corporate mobility. The book also includes responses and ensuing discussions by reputed European company law experts.
