businessman had played the role of provocateur so often that pundits reporters and voters struggled to believe that he was a serious contender Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race But as Michael D Antonio shows in *Never Enough* Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being As revealed in this landmark biography Donald Trump is a man whose appetite for wealth attention power and conquest is practically insatiable Declaring that he is still the person he was as a rascally little boy Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect A product of the media age and the Me Generation that emerged in the 1970s Trump was a Broadway showman before he became a developer Mentored by the scoundrel attorney Roy Cohn Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project He leveraged his father's enormous fortune and political connections to get his business off the ground and soon developed a larger than life persona In time and through many setbacks he made himself into a living symbol of extravagance and achievement Drawing upon extensive and exclusive interviews with Trump and many of his family members including all his adult children D Antonio presents the full story of a truly American icon from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms For all those who wonder Just who is Donald Trump *Never Enough* supplies the answer He is a promoter builder performer and politician who pursues success with a drive that borders on obsession and yet has given him almost everything he ever wanted

The Truth About Trump Michael D'Antonio, 2016-05-31 In one way or another Donald Trump has been a topic of conversation in America for almost forty years No one in the world of business not Bill Gates Steve Jobs or Warren Buffett has been as famous as Trump for as long First associated with high profile real estate development in 1970s Manhattan his name has since become synonymous with success defined by wealth and luxury What does one make of a grown man who when he argues with women stoops to insulting their appearance and habitually courts controversy What if the same man were among the most prominent people in the world and a privately generous person who once handed a dying child a 50 000 check so that he could enjoy the last months of his life Add to the picture a kind of resilience that has allowed him to stage countless comebacks and truly a boundless level of optimism and you get a figure so compelling that he cannot be dismissed simply because of his personality
