Real Godfathers:

Godfathers Roberto Olla, 2012-10-18 **Asian Godfathers** Joe Studwell, 2008-09-23 The author of *How Asia Works* follows the money Alarming enlightening Joe Studwell should be named chief myth buster for Asian business Financial Times Hong Kong and Southeast Asia are home to five hundred million people yet their economies are dominated by only fifty families whose interests range from banking to real estate shipping to sugar gambling to lumber At their peak eight of the world's two dozen richest men were Southeast Asian but their names would not be familiar to most regular readers of The Wall Street Journal A complex mythology surrounds these billionaires but in *Asian Godfathers* Joe Studwell finds that the facts are even more remarkable than the myths Studwell has spent fifteen years as a reporter in the region and he marshals his unprecedented sources to paint intimate and revealing portraits of the men who control Southeast Asia Studwell also provides us with a rich and deep understanding of the broader historic economic and political influences that have shaped Southeast Asia over the past 150 years *Asian Godfathers* is a riveting and illuminating book that lifts the curtain on a world of staggering secrecy and hypocrisy and reveals for the first time who the leaders of one of the planet's most important and tumultuous markets really are why they got to the top and how they keep themselves there The romp around the region's pleasure domes is a blast The Wall Street Journal Asia

Godfathers Jim McDowell, 2001 *Godfathers* tells the story of the Northern Ireland drug trade It names the names and exposes the stories of dealers and their enemies also revealing that some paramilitary groups are also involved

Simmel and Beyond Pedro Caetano, Maria Manuela Mendes, 2022-02-20 Bringing together the work of scholars from across Europe this book shows how Simmel's categories can be used to explore contemporary issues and further shed light on trends characteristic of global modernity Thematically organised around the major societal challenges currently faced by developed countries those of making societies that are inclusive reflexive and creative sustainable and democratic societies it examines diverse phenomena such as living in an increasingly multicultural societies the social exclusion of vulnerable ethnic groups the increasing concern with cyberbullying the need to fight climate change the rise of political populism and the recruitment of youths from western countries to Islamic religious fundamentalism Drawing on Simmel's sociological theory and expounding new approaches to research inspired by his work this volume emphasises the conceptual pillars of Simmelian thought meanings processes and forms As such it will appeal to scholars of sociology and social theory with interests in the work of Simmel and its contemporary relevance

Fathers and Godfathers Guido Alfani, 2016-04-19 In medieval Europe baptism did not merely represent a solemn and public recognition of the natural birth of a child but was regarded as a second spiritual birth within a social group often different from the child's blood relations a spiritual family composed of godfathers and godmothers By analyzing the changing theological and social nature of spiritual kinship and godparenthood between 1450 and 1650 this book explores how these medieval concepts were developed and utilised by the Catholic Church in an era of reform and challenge It demonstrates how such ties continued to

be of major social importance throughout the sixteenth and seventeenth centuries but were often used in ways not always coherent with their original religious meaning and which could have unexpected social consequences In particular the book analyzes in detail the phase of transition from the traditional model of godparenthood which allowed for multiple godparents to the new couple model one godfather and one godmother imposed by Tridentine law Drawing upon a large database of archival data taken from parish books of baptisms and marriages pastoral visitations diocesan statutes synods and provincial councils it is shown how attempts were made to resist or to compromise with the Church thus providing a better understanding of the often contested meaning given to godparenthood by early modern society Whilst the Church was ultimately successful in imposing its will the book concludes that this was to have unexpected results that were to eventually weaken the role of godparents Rather than persuading parents to choose real spiritual tutors to act as godparents the choice of godparents became increasingly influenced with social status so that godparenthood began to resemble a pure clientele system something it had never been before Through this long term exploration of Catholic spiritual kinship much is revealed not only about godparenthood but about the wider social and religious networks Comparison with Protestant reactions to the same issues provides further insight into the importance of this subject to early modern European society

The Godfather Legacy Harlan Lebo, 2005-10-25 Here is the official companion to Francis Ford Coppola's masterful trilogy revised and updated and packed with more than 100 photographs The director was a renegade filmmaker who'd never made a profitable picture The producer was hired because he could stay below budget The star had a reputation for being difficult A formula for disaster No the makings of one of the greatest films of all time *The Godfather Legacy* explores the fascinating behind the scenes intrigue and uproar during the making of all three films The clashes between Coppola and the studio chiefs during the filming of *The Godfather* the pressurized production schedule and the project's near cancellation The real story behind the cooperation of the Mafia in the creation of *The Godfather* The worldwide acclaim and stunning financial success following the release of *The Godfather* a triumph that set the stage for the film industry's renaissance The production of *The Godfather Part II* and the rise of Coppola Al Pacino and others to the loftiest heights of power in Hollywood The creation of *The Godfather Part III* two decades after the original film and the completion of video projects that unified the three films for the first time Featuring production records credits reviews and interviews with many of the principals involved *The Godfather Legacy* is a rare and vivid peek into the making of three of the most compelling films in Hollywood history

The Dust Of Empire Karl E. Meyer, 2008-08-05 When Charles de Gaulle learned that France's former colonies in Africa had chosen independence the great general shrugged dismissively They are the dust of empire But as Americans have learned particles of dust from remote and seemingly medieval countries can at great human and material cost jam the gears of a superpower In *The Dust of Empire* Karl E Meyer examines the present and past of the Asian heartland in a book that blends scholarship with reportage providing fascinating detail about regions and peoples now of urgent concern to America the five Central Asian republics the

Caspian and the Caucasus Afghanistan Iran Pakistan and long dominant Russia He provides the context for America's war on terrorism for Washington's search for friends and allies in an Islamic world rife with extremism and for the new politics of pipelines and human rights in an area richer in the former than the latter He offers a rich and complicated tapestry of a region where empires have so often come to grief a cautionary tale [The Encyclopedia of Canadian Organized Crime](#) Peter Edwards,2012-07-31 You may never again think of Canadians as law abiding Respected crime reporters Peter Edwards and Michel Auger have pooled their research and expertise to create The Encyclopedia of Canadian Organized Crime Sometimes grim sometimes amusing and always entertaining this book is filled with 300 entries and more than 150 illustrations covering centuries of organized crime From pirates such as Black Bart who sheltered in isolated Newfoundland coves to strike at the shipping lanes between Europe and the North American colonies all the way to the most recent influx of Russian mobsters who arrived after the end of the Cold War in 1989 and are now honing their sophisticated technological skills on the Western public Edwards and Auger enumerate the personalities and the crimes that have kept Canadian law enforcement busy Here too are the Sicilian and Calabrian gangs the American and Colombian drug connections the bikers whose internal struggles have left innocent bystanders dead and who tried to murder Auger as well as many unexpected figures such as the Sundance Kid who spent years in Canada Arranged in alphabetical entries for easy browsing and illustrated throughout with photographs and drawings this is a book that will both entertain and inform [The Wrong Stuff](#) John Strausbaugh,2024-06-04 A witty deeply researched history of the surprisingly ramshackle Soviet space program and how its success was more spin than science In the wake of World War II with America ascendant and the Soviet Union devastated by the conflict the Space Race should have been over before it started But the underdog Soviets scored a series of victories starting with the 1957 launch of Sputnik and continuing in the years following that seemed to achieve the impossible It was proof it seemed that the USSR had manpower and collective will that went beyond America's material advantages They had asserted themselves as a world power But in The Wrong Stuff John Strausbaugh tells a different story These achievements were amazing yes but they were also PR victories as much as scientific ones The world saw a Potemkin spaceport the internal facts were much sloppier less impressive more dysfunctional The Soviet supply chain was a disaster and many of its machines barely worked The cosmonauts aboard its iconic launch of the Vostok 1 rocket had to go on a special diet and take off their space suits just to fit inside without causing a failure Soviet scientists under intense government pressure had essentially made their rocket out of spit and band aids and hurried to hide their work as soon as their worldwide demonstration was complete With a witty eye for detail and a gift for storytelling John Strausbaugh takes us behind the Iron Curtain and shows just how little there was to find there **Pain** Jahangir Alam Akash,2011-01-25 It is now 39 years that Bangladesh is an independent country But the rule of law honest administration and the culture of democracy are still far cry Common people are searching peace Militancy extra judiciary murders maladministration party attribution terror corruption

are closing the path of progress Religious and indigenous minority killings oppressions are hindrances to the amity The murders of Journalists are robbing the opportunity of free reporting All these current problems and crisis are well depicted through the pen of Journalist Akash This young writer is a courageous soldier of peace and democracy This book is a reflection of Bangladesh reality The international community will definitely get a transparent picture of Bangladesh in the book Peace people s government real democracy and the rule of law are all golden deer in Bangladesh The religious fanaticism innumerable superstitions lack of education poverty corruption immorality have now strongly established the criminality everywhere Disunity unfairness oppression torture killing murder terror activities of the communal fundamentalists have crashed the people on the ground Muslims Hindus Buddhists Christians live here People of all religions unitedly have fought for the independence of Bangladesh and shed blood With enormous sacrifices under the leadership of Bangabondhu late Sheikh Mujibur Rahman The nation got one nice secular constitution After only 4 years after the independence of Bangladesh father of the nation Sk Mujibar Rahman was killed brutally with most of his family members Through a planned way the following governments of General Ziaur Rahman and General H M Ershad have amended revised and changed many times the original constitution of Bangladesh and have made it almost a farce Islam was declared as the State Religion Although Bangladesh has people from four religions But such a radical change of the former secular Constitution was a heinous dishonour to the holy constitution Through these measures religious fanaticism and communalism were given a state Formulate Contour In the name of Islam the religious fundamental militancy has become now the greatest problem of Bangladesh It is about now about 38 years after the independence but the war criminals of Al badr Al Shams Rajakars and the murderers who were directly related with the genocide during the struggle for independence have not yet been put into the trial The Political Party Jammata e Islam is regularly igniting the fire of communalism in the name of Islam Communal politics is not banned in the country State terror like killings extra judicial are going on without end All devouring corruption is the greatest obstacle for the fulfillment of the basic rights of the people The afflictions of religious minorities are a day to day affair In the society a privileged class is making mountains with money On the other side majority people not less than 95% are becoming poorer everyday Religious minorities and the indigenous people are deprived of constitutional rights Including the father of the nation hundreds of politicians journalists lawyers judges members and common people have been killed Different state controlled armed cadres have created an extreme fearful and inhuman situation by their killings of innocent people tortures and oppressions Within 38 years of independence the country was under the military rulers for long 17 years People were pushed to the dark wild administration and its persecutions Torture murders and planned genocide crime and the incidences of the militancy are never inquired properly and effectively Of course after the event government announces for inquiry and committees are also formed Whoever is the criminal he would be definitely punished such promises are heard from the top label of the government or from the concerned authorities repeatedly with arrogance But

they are **Messing With Your Mind** Ian Burns,2018-02 How are you with cognitive dissonance Can you carry two contradictory thoughts in your mind at the same time and still tie your shoelaces What about three four five six Is that shoelaces or thoughts Where a lot of people get into desperate trouble Or do they Murders but are they really murders A Dutch woman blows up her husband and then becomes best friends with an Australian Aboriginal lesbian warrior A Chinese grandmother seduced not unwillingly by a Scottish rubber planter in Malaya Was she in fact a grandmother What about their granddaughter Where does a family of windbreakers fit in Or frogs Or Queen Elizabeth I Why bring Jesus into it Why shouldn't you start a paragraph with the Can there be beauty in nonsense or desperation farce or high drama What would you do for 20 million 60 million Does doing something good justify doing something bad Was the vastly experienced and decorated detective really responsible Can you work it out Is there a plot or is it a plot Is it possible to work it out When everything comes together and is fully explained will you know what happened Or will you find that have you a bout of Depersonalisation Disorder Dammit Why don't you just ignore all this relax open your autobiography of Sigmund Freud and let me mess with your mind On the other hand **Brian Eno** Sean Albiez,David Pattie,2016-08-11 On the back of his published diary Brian Eno describes himself variously as a mammal a father an artist a celebrity a pragmatist a computer user an interviewee and a drifting clarifier To this list we might add rock star on the first two Roxy Music albums the creator of lastingly influential music Another Green World Music for Airports a trusted producer for Talking Heads U2 Coldplay and a host of other artists the maker of large scale video and installation artworks a maker of apps and interactive software and so on He is one of the most feted and influential musical figures of the past forty years even though he has described himself on more than one occasion as a non musician This volume examines Eno's work as a musician as a theoretician as a collaborator and as a producer Brian Eno is one of the most influential figures in popular music an updated examination of his work on this scale is long overdue **Fascists and Conservatives** Martin Blinkhorn,2012-11-12 First published in 1990 During the last twenty years prodigious scholarly effort has gone into the study of fascism and the right in twentieth century Europe Quite apart from the study of particular fascist and national socialist movements and of individual right wing regimes Fascist Italy the Third Reich Franco's Spain etc scholars have striven to locate the essential nature of fascism to determine what is distinctive about its ideas programmes policies and support to identify what if anything differentiates it from other forms of rightism and to decide whether a satisfactory definition of fascism can be arrived at This volume is intended to assist the further consideration of these and related problems **The Corporal's Wife** Gerald Seymour,2013-08-01 An Iranian soldier sits in an MI6 safe house He may only be a corporal but as chauffeur to a top general he knows many secrets such as the location of nuclear sites But the Corporal won't talk unless they bring his wife out of Iran too So the SAS are asked to do the job but they say it's impossible Which is how Zach Bennett a university drop out recruited for his language skills and a rag tag team of three ex soldiers find themselves on a mission to Tehran If they are caught it will mean certain death And the Corporal's wife

fiery independent and beautiful is not the kind of person Zach was expecting In fact she s not like anyone he s ever met in his life

A History of Violence Óscar Martínez,2016-03-08 El Salvador and Honduras have had the highest homicide rates in the world over the past ten years with Guatemala close behind Every day more than 1 000 people men women and children flee these three countries for North America scar Martnez author of *The Beast* named one of the best books of the year by the Economist Mother Jones and the Financial Times fleshes out these stark figures with true stories producing a jarringly beautiful and immersive account of life in deadly locations Martnez travels to Nicaraguan fishing towns southern Mexican brothels where Central American women are trafficked isolated Guatemalan jungle villages and crime ridden Salvadoran slums With his precise and empathetic reporting he explores the underbelly of these troubled places He goes undercover to drink with narcos accompanies police patrols rides in trafficking boats and hides out with a gang informer The result is an unforgettable portrait of a region of fear and a subtle analysis of the North American roots and reach of the crisis helping to explain why this history of violence should matter to all of us

Sinai Henry Spencer Palmer,1892 **Mafia Wiseguys** Robert Rudolf,Robert Rudolph,1993 For years the FBI had worked hard to indict members of the Lucchese crime family for everything from racketeering to murder Together with the Justice Department s special prosecutor the Feds were poised to bring down the Godfather and his dons and henchmen But incredibly the mob would dance their way out of the courtroom

Photos **Failed States** Musa Khan Jalalzai,2020-04-02 Failed or failing states cause concern and spread chaos to their neighbors They are an unquestionable and authentic source of terrorism organized crime drug trafficking violence disease and economic breakdown Afghanistan is an example of such a troubled state which collapsed in 1992 The Afghan state remained shattered and failed due to the inattention of the international coalition In modern intellectual forums most of the failed state discourses are centered on the lack of a state s capacity to carry out the basic services for which it is responsible such as the rule of law good governance and effective border control against external threats This book is a collection of articles on various issues leading to the Failed States written by eminent scholars and researchers

Audio Culture, Revised Edition Christoph Cox,Daniel Warner,2017-07-27 The groundbreaking *Audio Culture Readings in Modern Music* Continuum September 2004 paperback original maps the aural and discursive terrain of vanguard music today Rather than offering a history of contemporary music *Audio Culture* traces the genealogy of current musical practices and theoretical concerns drawing lines of connection between recent musical production and earlier moments of sonic experimentation It aims to foreground the various rewirings of musical composition and performance that have taken place in the past few decades and to provide a critical and theoretical language for this new audio culture This new and expanded edition of the *Audio Culture* contains twenty five additional essays including four newly commissioned pieces Taken as a whole the book explores the interconnections among such forms as minimalism indeterminacy musique concr te free improvisation experimental music avant rock dub reggae ambient music hip hop and techno via writings by philosophers cultural theorists

and composers Instead of focusing on some crossover between high art and popular culture Audio Culture takes all these musics as experimental practices on par with and linked to one another While cultural studies has tended to look at music primarily popular music from a sociological perspective the concern here is philosophical musical and historical Audio Culture includes writing by some of the most important musical thinkers of the past half century among them John Cage Brian Eno Ornette Coleman Pauline Oliveros Maryanne Amacher Glenn Gould Umberto Eco Jacques Attali Simon Reynolds Eliane Radigue David Toop John Zorn Karlheinz Stockhausen and many others Each essay has its own short introduction helping the reader to place the essay within musical historical and conceptual contexts and the volume concludes with a glossary a timeline and an extensive discography

Pianos, Toys, Music and Noise Andy Hamilton, 2021-01-14 Steve Beresford's polymathic activities have formed a prism for the UK improv scene since the 1970s He is internationally known as a free improviser on piano toy piano and electronics composer for film and TV and raconteur and Dadaist visionary His résumé is filled with collaborations with hundreds of musicians and other artists including such leading improvisers as Derek Bailey Evan Parker and John Zorn and he has given performances of works by John Cage and Christian Marclay In this book Beresford is heard in his own words through first hand interviews with the author Beresford provides compelling insight into an extensive range of topics displaying the broad cultural context in which music is embedded The volume combines chronological and thematic chapters with topics covering improvisation and composition in jazz and free music the connections between art entertainment and popular culture the audience for free improvisation writing music for films recording improvised music in the studio and teaching improvisation It places Beresford in the context of improvised and related musics jazz free jazz free improvisation in which there is growing interest The linear narrative is broken up by interventions or short pieces by collaborators and commentators
