Science has only guessed at what came first the chicken or the egg In Real Truth it is neither but then again we are all living in a society of propaganda and almost total conspiracy so where is it that people can find The Real Connection to The TruReality First one has to find the right knowledge to start their journey into The Incredible Unknown LifeIS To most people the Earth is their home as it has been for lifetimes There are many books on the market about people who remember their past lives This information can get some people to start to explore but most of the masses will always be home bodies as they feel there can nothing other than what they are experiencing right here The human body with its senses is a huge burden for all of us to carry but this is the process we have all come through because Reality IS Far Too Real Once a person can understand the process they have been through then they can start The RealAdventure [www DuaneTheGreatWriter Info](http://www.DuaneTheGreatWriter.com)
