Real Life Chat Rooms

John McLeod

Real Life Chat Rooms:

Chat Room T. J. Young, 2005-06 Driving away from the cabin John wondered how this weekend's events would turn out. He had a very good feeling that this would be his new beginning and that this woman would save him from the man he had become. He had bet his life on it. John knew that he was trapped in an abusive marriage with his wife Heather but he never expected what Heather would do to him or his kids for a chat room lover. When her lover ends the relationship Heather inadvertently starts John's life in a direction he never would have fathomed. If only John had the gumption to do something about their problems sooner his life might have turned out in a way he could be proud of instead of the misery that it had turned into. In an effort to do for others what he could never do for himself John takes action and distributes his own brand of justice but his chosen path constantly torments him. After a series of disturbing yet fulfilling events John readies himself to end this chapter of his life. He begins searching for the one person that will finally extinguish his rage and free him from the man he has become. When John finds the ideal person his life unfolds in a way he never could have anticipated or dreamed.

THE BEAUTIFUL ILLUSION OF BEING IN LOVE Adrian Gabriel Dumitru, The book *The beautiful illusion of being in love* is a collection of writings with what is love about. Starting from the philosophical idea that everything we see in life is just an illusion, the book is defining the concept of love in the same way. But the illusion itself is also named beautiful. Falling in love is an experience that any human being must see with its own soul. It can be a beautiful experience, an illusion or a beautiful illusion. The book is more like a collection of poems but the writer is not knowing to write poetry but only essays. Trying to define love in many ways, the essays speak about the beautiful illusion as part of the life, maybe the most important part. Defining is done in a micro and macro way but the love is always seen as something very beautiful. The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that want to understand love from a philosophical point of view. Enjoy it.
