Reason and Passion Michael G. Peletz,2022-07-15 This book provides a historical and ethnographic examination of gender relations in Malay society in particular in the well known state of Negeri Sembilan famous for its unusual mixture of Islam and matrilineal descent Peletz analyzes the diverse ways in which the evocative heavily gendered symbols of reason and passion are deployed by Malay Muslims Unlike many studies of gender this book elucidates the cultural and political processes implicated in the constitution of both feminine and masculine identity It also scrutinizes the relationship between gender and kinship and weighs the role of ideology in everyday life Peletz insists on the importance of examining gender systems not as social isolates but in relation to other patterns of hierarchy and social difference His study is historical and comparative it also explores the political economy of contested symbols and meanings More than a treatise on gender and social change in a Malay society this book presents a valuable and deeply interesting model for the analysis of gender and culture by addressing issues of hegemony and cultural domination at the heart of contemporary cultural studies This title is

part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996 **Exploring Medical Anthropology** Donald Joralemon, 2017-03-16 Now in its fourth edition Exploring Medical Anthropology provides a concise and engaging introduction to medical anthropology It presents competing theoretical perspectives in a balanced fashion highlighting points of conflict and convergence Concrete examples and the author's personal research experiences are utilized to explain some of the discipline's most important insights such as that biology and culture matter equally in the human experience of disease and that medical anthropology can help to alleviate human suffering The text has been thoroughly updated for the fourth edition including fresh case studies and a new chapter on drugs It contains a range of pedagogical features to support teaching and learning including images text boxes a glossary and suggested further reading *International Record of Medicine and General Practice Clinics* Edward Swift Dunster, Frank Pierce Foster, James Bradbridge Hunter, Charles Eucharist de Medicis Sajous, Gregory Stragnell, Henry J.
