River Rules My Life A:

A River Rules My Life Mona Anderson, 1963 An autobiographical account of the author's twenty three years at Mount Algidus Station in the Canterbury high country **A River Rules My Life** Mona Anderson, 2017-10-01 The original and all time classic of high country station life in New Zealand Mount Algidus the author's home was one of the great high country sheep stations of Canterbury New Zealand It occupied a mountain range between two ice rivers and lay in the very shadow of the Southern Alps Published with the Mona Anderson estate as a beautiful hard back this new edition brings back the isolated world of the Wilberforce the river that governed Mona's life for 33 years In the early 1940s Algidus was regarded as some of the wildest roughest farming land in New Zealand The river was my Rubicon Mona said I had heard stories about the terrible Wilberforce so many people had been drowned in it I tried not to think about the time when I could have to cross it But the road had come to an end at a corrugated iron shed Somewhere beyond it I knew we would find the station Mount Algidus a green high country oasis amid the snow and the tussock **A river rules my life. (Reprinted.).** Amy Mona Tarling ANDERSON, 1966 **A river rules my life. (Reprinted.).** , 2003 Calling the Station Home Michèle D. Dominy, 2001 Combining historical literary and ethnographic approaches *Calling the Station Home* draws a fine grained portrait of New Zealand high country farm families whose material culture social arrangements geographic knowledge and linguistic practices reveal the ways in which the social production of space and the spatial construction of society are mutually constituted The book speaks directly to national and international debates about cultural legitimacy indigenous land claims and environmental resource management by highlighting settler descendant expressions of belonging and indigeneity in the white British diaspora RIVERS OF MY LIFE John Burns, 2025-01-15 In trying to rectify the agnostic scientist in me with the obsessive compulsive Christian I had to confront my entire existence Religion had permeated my life to the point where I rebelled against every social and religious norm If I was ever going to believe in God what attributes must I possess My science brain ushered me into the Bible from a historical and archaeological perspective I craved proper epistemology in answering the God hypothesis If God was indeed real and he indeed spoke our universe into existence then it must be supernatural I began to focus on teaching tools employed by a creator from within the dimension of time I am trapped in If God indeed exists he must be outside of how humans experience time Rivers became my classroom Whenever life became chaotic and the waters were raging God directed me beside the great rivers in forty five countries spanning five continents The journey of a thousand miles for me began beside the Delaware River and the Brandywine River valleys in southeastern Pennsylvania This entire book is about the mercy and grace of a loving creator on display in the life of his very stiff necked child The words are mine alone This is my story this is my song I pray the contents contained in my testimony may help one person going through a raging river episode in life to be still and know that God through Jesus Christ is in control You are loved by the living God I am old now My life is one of hard truths replacing the easy lies that permeated my existence for

many years God is redeeming the time in my life Please join me and if this helps you just a little give God all the praise I know my redeemer lives In Christ s service JB The road goes on forever and the party never ends Until the rivers meet the seas be still *River's Manual; Or, Pastoral Instructions Upon the Creed* ,1843 **River's manual: or, Pastoral instructions**
