Angels Make Their Hope Here Breena Clarke, 2025-05-01 Russell's Knob is not paradise But already in 1849 this New Jersey highlands settlement is home to a diverse population of blacks whites and reds who have intermarried and lived in relative harmony for generations It is a haven for Dossie Bird who has escaped north along the Underground Railroad and now feels the embrace of the Smoot family Duncan Smoot presides as accidental patriarch protector of his enterprising sister Hattie and his two rambunctious nephews As Dossie busies herself with cleaning cooking and tending the

chickens at Duncan's homestead she wonders Could this man her rescuer so godlike in her eyes so much older than she expect her to become his helpmeet Tentatively Dossie begins to put down roots until a shocking act of violence propels her away from Russell's Knob and eventually into the mayhem of New York City's mean streets With the same storytelling brio that distinguished the acclaimed novels *River Cross My Heart* and *Stand the Storm* Breena Clarke weaves a richly dramatic story of interracial harmony in the Civil War era and of one woman's triumph in the crucible of history *Cross My Heart* Catt Ford,2017-02-20 Do you believe in love at first sight Roland Reynolds or Lana Renault as she's now known knows that life is no fairy tale Fortunately she has her trusted friends nicknamed the dwarfs to keep her company She lives her life to the fullest while keeping what's beneath her skirt to herself American painter Daniel Hunter is no stranger to adversity either and it's left him with not only strength but secrets Unlike Lana he remains aloof content to observe life and beauty from the sidelines until the first time their eyes meet on a crowded Paris street Cupid's arrow finds its mark in Daniel but while Lana longs for romance she knows there's no prince in her happy ever after If their story is to have a fairy tale ending Daniel will have to convince Lana to let down her walls and in the process reveal what he fears sharing the most *Cross My Heart* D.K. Hood,2021-07-07 She wakes to the sound of footsteps outside her secluded home Moving toward the window she scans the dark woods around her and freezes A tall figure in a long dark coat holds a crossbow pointed right at her She blinks as lightning cracks overhead But when she opens her eyes the figure has vanished When the body of a man is found in the dense forest surrounding Black Rock Falls Sheriff Jenna Alton immediately sees disturbing similarities with a past case the same murder weapon the remote beauty spot and the way the victim is perched against a tree with no sign of a struggle But the killer in that case was jailed for life Jenna suspects a copycat killer and her fears are confirmed when during the town's Halloween festival the bodies of two tourists are found further down the remote trail They too had been hunted down and murdered in another picturesque spot and all Jenna can hope is that the man behind bars can help her catch the twisted monster behind these new deaths As she comes face to face with the vicious murderer who has haunted her dreams for years she is sure he knows more than he's telling her Looking deep into Jenna's eyes as if they're two old friends catching up he promises to take his final revenge on her for locking him up But before she can learn more he is dragged away by prison guards When a sudden emergency call takes Jenna and her deputy David Kane deep into the woods Jenna senses something is very wrong about the situation As a strange calmness falls over the forest a familiar face emerges from the shadows Will this killer be the one who finally takes down Sheriff Alton and can they make it out of the forest alive If you love heart racing crime books by authors like Lisa Regan Melinda Leigh and Kendra Elliot you will love this exciting thriller from USA Today bestselling author D K Hood Each Kane and Alton book can be read as part of the series or as a standalone What readers are saying about *Cross My Heart* Wow A real heart pounder It had intrigue suspense and lots of heart pounding moments Lots of twists and turns and definitely some jaw dropping moments Sassy Southern Book Blog 5 stars Hold please while I catch my

Teaching and Confronting Racial Neoliberalism in Higher Education Michelle D. Byng, Vaso Thomas, Donna-Marie Peters, Adriana Leela Bohm, Mary Stricker, 2023-10-19 This book examines the way in which professors must confront the social implications of racial neoliberalism Drawing on autoethnographic research from the authors combined 100 years of teaching experience it recognizes the need for faculty to negotiate their own experiences with race as well as those of their students It focuses on the experiential nature of teaching supplementing the field's focus on pedagogy and recognizes that professors must in fact highlight rather than downplay the realities of racial inequalities of the past and present It explores the ability of instructors to make students who are not of color feel that they are not racists as well as their ability to make students of color feel that they can present their experiences of racism as legitimate A unique sociological analysis of the racial studies classroom this book will be of value to researchers scholars and faculty with interests in race and ethnicity in education diversity studies equity pedagogy and the sociology of education teaching and learning

Beyond the White Negro Kimberly Chabot Davis, 2014-07-15 Critics often characterize white consumption of African American culture as a form of theft that echoes the fantasies of 1950s era bohemians or White Negroes who romanticized black culture as anarchic and sexually potent In Beyond the White Negro Kimberly Chabot Davis claims such a view fails to describe the varied politics of racial crossover in the past fifteen years Davis analyzes how white engagement with African American novels film narratives and hip hop can help form anti racist attitudes that may catalyze social change and racial justice Though acknowledging past failures to establish cross racial empathy she focuses on examples that show avenues for future progress and change Her study of ethnographic data from book clubs and college classrooms shows how engagement with African American culture and

pedagogical support can lead to the kinds of white self examination that make empathy possible The result is a groundbreaking text that challenges the trend of focusing on society s failures in achieving cross racial empathy and instead explores possible avenues for change *Reading Oprah* Cecilia Konchar Farr,2005-01-01 An analysis of how Oprah s Book Club has changed America s reading habits Dictionary of American Young Adult Fiction, 1997-2001 Agnes Regan Perkins,2004-03-30 Young adult readers have special needs and concerns and librarians have become increasingly interested in selecting books suitable for them This reference provides information about 290 books for young adults These books received major awards between 1997 and 2001 reflect the voices of 242 different authors and range from new to familiar themes Included are nearly 750 alphabetically arranged entries for individual works authors characters and settings Many of these books were originally written for adults but have become popular among younger readers Entries for works provide plot summaries and critical assessments while author entries focus on those aspects of the writers lives most relevant to literature for young people The reference is a valuable selection tool for librarians and teachers and a useful guide for students **The Culture and Commerce of Publishing in the 21st Century** Albert N.
