River Nile In The Age Of The British:

The River Nile in the Age of the British Terje Tvedt, 2004 Introduction The River Nile and the Politics of Water Part I A River Conquered Chapter 1 River Imperialism Chapter 2 A British Nile Part II A River Empire Chapter 3 The Nile as Stick and Carrot Chapter 4 Nile Diplomacy Bog Barons and War Part III Collapse of a River Empire Chapter 5 The Nile and Imperial Collapse Chapter 6 Nasser's Aswan High Dam Hydropolitics as World History Chapter 7 A Last Roar Turning the Nile Against Nasser Part IV The Legacy Epilogue The British Nile Legacy and the Pedagogy of the Atlas Notes on the Text Bibliography Index *River Nile in the Age of the British* Terje Tvedt, 2004 **The River Nile in the Age of the British** Terje Tvedt, 2004-03-26 The Nile today plays a crucial role in the economics politics and cultural life of ten countries and their more than 300 million inhabitants No other international river basin has a longer more complex and eventful history than the Nile In telling the detailed story of the hydropolitics of the Nile valley in a period during which the conceptualisation use and planning of the waters were revolutionised and many of the most famous politicians of the twentieth century Churchill Mussolini Eisenhower Eden Nasser and Haile Selassie played active parts in the Nile game this work will stand as a case study of a much more general and acute question the political ecology of trans national river basins British Engineers and Africa, 1875-1914 Casper Andersen, 2015-10-06 Using a wide range of primary sources that include correspondence diaries technical reports institutional minutes and periodicals Andersen reconstructs the networks and activities of Britain's engineers while focusing on London as a centre of imperial expansion The British Abroad Since the Eighteenth Century, Volume 1 Xavier Guégan, 2013-11-19 This book considers the British travelling beyond their isles over the last three hundred years and through a range of interdisciplinary perspectives reflects on their taste for discovery and self discovery both through the exploration and exploitation of other lands and peoples The Nile River Basin Seleshi Bekele Awulachew, Vladimir Smahktin, David Molden, Don Peden, 2013-03-05 The Nile provides freshwater not only for domestic and industrial use but also for irrigated agriculture hydropower dams and the vast fisheries resource of the lakes of Central Africa The Nile River Basin covers the whole Nile Basin and is based on the results of three major research projects supported by the Challenge Program on Water and Food CPWF It provides unique and up to date insights on agriculture water resources governance poverty productivity upstream downstream linkages innovations future plans and their implications Specifically the book elaborates the history and the major current and future challenges and opportunities of the Nile river basin It analyzes the basin characteristics using statistical data and modern tools such as remote sensing and geographic information systems Population distribution poverty and vulnerability linked to production system and water access are assessed at the international basin scale and the hydrology of the region is also analysed This text provides in depth scientific model adaptation results for hydrology sediments benefit sharing and payment for environmental services based on detailed scientific and experimental work of the Blue Nile Basin Production systems as they relate to crops livestock

fisheries and wetlands are analyzed for the whole Blue and White Nile basin including their constraints Policy institutional and technological interventions that increase productivity of agriculture and use of water are also assessed Water demand modeling scenario analysis and tradeoffs that inform future plans and opportunities are included to provide a unique comprehensive coverage of the subject

Historical Dictionary of the British Empire Kenneth J. Panton, 2015-05-07 For much of the nineteenth and early twentieth centuries Britain was the dominant world power its strength based in large part on its command of an Empire that in the years immediately after World War I encompassed almost one quarter of the earth's land surface and one fifth of its population Writers boasted that the sun never set on British possessions which provided raw materials that processed in British factories could be re-exported as manufactured products to expanding colonial markets The commercial and political might was not based on any grand strategic plan of territorial acquisition however The Empire grew piecemeal shaped by the diplomatic economic and military circumstances of the times and its speedy dismemberment in the mid twentieth century was similarly a reaction to the realities of geopolitics in post World War II conditions Today the Empire has gone but it has left a legacy that remains of great significance in the modern world The Historical Dictionary of the British Empire covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Britain

The Nile in Legal and Political Perspective Mahemud E. Tekuya, 2023-10-20 Competition over the Nile watercourse is becoming a global crisis As population growth economic development and urbanization increase the demand for water in the Nile Basin while climate change threatens its supply the region faces a looming water crisis An effective resolution of this multifaceted issue which impacts 11 African countries requires detailed multidisciplinary research Until now the academic discourse regarding the Nile watercourse has been primarily dominated by monodisciplinary studies This book fills that gap providing a retrospective and prospective look at the Nile through multidisciplinary lenses commingling history hydro politics climate change and law It scrutinizes the legal and hydro political trajectories of the Nile Basin from the 4th century A D to 2022

Land and Hydropolitics in the Nile River Basin Emil Sandstrom, Anders Jagerskog, Terje Oestigaard, 2016-08-05 The Nile River Basin supports the livelihoods of millions of people in Egypt Ethiopia Sudan and Uganda principally as water for agriculture and hydropower The resource is the focus of much contested development not only between upstream and downstream neighbours but also from countries outside the region This book investigates the water land and energy nexus in the Nile Basin It explains how the current surge in land and energy investments both by foreign actors as well as domestic investors affects already strained transboundary relations in the region and how investments are intertwined within wider contexts of Nile Basin history politics and economy Overall the book presents a range of perspectives drawing on political science international relations theory sociology history and political ecology

The River Nile and Its Economic, Political, Social and Cultural Role Terje Tvedt, 2000 **The Heat and the Fury**

Peter Schwartzstein, 2024-09-26 A landmark work on perhaps the essential question of our time David Wallace Wells author of *The Uninhabitable Earth* In this ground breaking book environmental journalist Peter Schwartzstein takes the reader on the first on the ground exploration of climate change s contribution to global conflict From the ravaged villages of Iraq where ISIS has used drought as a recruiting tool and weapon of terror to the pirate ridden waters of Bangladesh and drawing on more than a decade of reporting from dozens of countries Schwartzstein writes about the unexpected ways in which climate change is feeding global unrest and conflict Through the stories of the soldiers farmers spies and others affected around the world he makes sense of a form of conflict that remains poorly understood even as it devastates the lives of so many millions of people While researching this book Schwartzstein was chased by kidnappers detained by police and told in no uncertain terms that he was no longer welcome in certain countries Yet as he recounts these personal brushes with violence are simply a hint of the conflict simmering in our warming world As Schwartzstein s unparalleled reporting shows there s nothing inevitable about climate violence In fact as he sets out the same stresses that are pitching people against one another can even help bring them back together

The League of Nations Experience Aurora Almada e Santos, Yvette

Santos, 2024-12-16 As an early experiment in the creation of multilateral institutions the League of Nations was entrusted by its members to maintain peace but also to be a standard maker and a manager of contemporary problems and challenges requiring a global response Nevertheless after a while it became clear that its performance in addressing major conflicts did not live up to the expectations of guarantying collective security In the functional areas although the organization created precedents it also showed limitations Due to its complexity increasingly the League of Nations has been studied not only from an institutional perspective but also from a more multidimensional and comparative point of view that allows to consider the presence and role of the organization in various scales and spaces besides its relationship with a diversity of actors and themes *The League of Nations Experience* Overlapping Readings offers a multitude of interpretations evincing some of the promising avenues through which the League of Nations continues to inspire academic research

The Oxford Handbook of Modern Egyptian History Beth Baron, Jeffrey Culang, 2024

Until relatively recently scholars of Egyptian history understood the modern period to begin with the movement of European people and ideas to Egypt s northern shores precipitated by Napoleon s invasion in 1798 From this perspective modern Egyptian history was animated by the diverse and sometimes contradictory ways in which Egyptians responded over time to colonial power and modern forms of knowledge This handbook featuring 26 originally commissioned essays by top scholars in the field adds to a growing literature that complicates the facile colonizer colonized and modern tradition binaries undergirding this view Modern Egyptian history is a continuous process of translation and adaptation invention and reinvention Bringing together a dynamic and accomplished group of historians of Egypt the book maps the present state of modern Egyptian history highlighting the most promising

avenues of research and laying new ground upon which future generations of scholars may build The contributors address both long persisting themes in the field though in new ways as well as new themes reshaping how we understand modern Egyptian history and thus Middle Eastern and global history These include environment family infrastructure intellectuals labor law literature medicine politics popular culture and slavery Within these categories they explore issues of gender race and class The questions these scholars consider reflect pressing contemporary concerns and debates including medical sovereignty and bodily autonomy the management of the environment the rights and movements of workers courts and legal struggles cultural expression production and reception and the relationship between the army state and society **Great**

Power Politics in Greater Eurasia Rahman Dag,Özgür Tüfekçi,2022-12-27 Great power politics is a practical reality of world politics and it happens on a daily basis regardless of which international system we witness This book seeks to emphasize the ways s these great power politics emerge within greater Eurasia Most researchers consider China becoming powerful enough to counterbalance the US and possible power dynamics among the rising powers such as China India China Russia and China Japan In this sense the book categorizes the battlegrounds in their power politics with three aspects national regional international conflicts institutions alliances and projects **Nature and Empire in Ottoman Egypt** Alan

Mikhail,2011-04-11 In one of the first ever environmental histories of the Ottoman Empire Alan Mikhail examines relations between the empire and its most lucrative province of Egypt Based on both the local records of various towns and villages in rural Egypt and the imperial orders of the Ottoman state this book charts how changes in the control of natural resources fundamentally altered the nature of Ottoman imperial sovereignty in Egypt and throughout the empire In revealing how Egyptian peasants were able to use their knowledge and experience of local environments to force the hand of the imperial state Nature and Empire in Ottoman Egypt tells a story of the connections of empire stretching from canals in the Egyptian countryside to the palace in Istanbul from the forests of Anatolia to the shores of the Red Sea and from a plague flea s bite to the fortunes of one of the most powerful states of the early modern world *Transforming Sudan* Alden Young,2018 This book traces the formation of the Sudanese state following the Second World War through a developmentalist ideology **A**

History of Water, Series III, Volume 2: Sovereignty and International Water Law Terje Tvedt,Tadesse Kasse Woldetsadik,Owen McIntyre,2015-05-30 As global climate change threatens to change radically both the political and physical climate with regard to water issues so a reassessment of some of the fundamental principles of international water law is emerging One of the most important principles being reassessed is the sovereign equality of states This volume brings together more than thirty leading international water and legal specialists to explore the development and changing relationship between water state sovereignty and international law Offering fresh insights into one of the most pressing issues in global water policy Sovereignty and International Water Law will form an essential reference for water professionals legal specialists and policy makers alike Imperialism and Economic Development in Sub-Saharan Africa

Simon Mollan,2020-09-09 This book examines the economic and business history of Sudan placing Sudan into the wider context of the impact of imperialism on economic development in sub Saharan Africa From the 1870s onwards British interest s in Sudan began to intensify a consequence of the opening of the Suez Canal in 1869 and the overseas expansion of British business activities associated with the Scramble for Africa and the renewal of imperial impulses in the second half of the nineteenth century Mollan shows the gradual economic embrace of imperialism in the years before 1899 the impact of imperialism on the economic development of colonial Sudan to 1956 and then the post colonial economic legacy of imperialism into the 1970s This text highlights how state centred economic activity was developed in cooperation with British international business Founded on an economic model that was debt driven capital intensive and cash crop oriented the colonial economy of Sudan was centred on cotton growing This model locked Sudan into a particular developmental path that in turn contributed to the nature and timing of decolonization and the consequent structures of dependency in the post colonial era **River Culture** UNESCO,UNESCO Office in Beijing,2023-01-05 [The Oxford Handbook of Megaproject Management](#) Bent Flyvbjerg,2017-04-13 The Oxford Handbook of Megaproject Management provides state of the art scholarship in the emerging field of megaproject management Megaprojects are large complex projects which typically cost billions of dollars and impact millions of people like building a high speed rail line a megadam a national health or pensions IT system a new wide body aircraft or staging the Olympics The book contains 25 chapters written especially for this volume covering all aspects of megaproject management from front end planning to actual project delivery including how to deal with stakeholders risk finance complexity innovation governance ethics project breakdowns and scale itself Individual chapters cover the history of the field and relevant theory from behavioral economics to lock in and escalation to systems integration and theories of agency and power All geographies are covered from the US to China Europe to Africa South America to Australia as are a wide range of project types from hard infrastructure to soft change projects In depth case studies illustrate salient points The Handbook offers a rigorous research oriented up to date academic view of the discipline based on high quality data and strong theory It will be an indispensable resource for students academics policy makers and practitioners

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the River Nile In The Age Of The British full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of River Nile In The Age Of The British eBooks, including some popular titles.

FAQs About River Nile In The Age Of The British Books

What is a River Nile In The Age Of The British PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system

used to view or print it. **How do I create a River Nile In The Age Of The British PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a River Nile In The Age Of The British PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a River Nile In The Age Of The British PDF to another file**

format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a**

River Nile In The Age Of The British PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
