RiverTime Mary A. Hood, 2008-03-20 In this engaging travelogue of our world's rivers great and small poet and biologist Mary A Hood reflects on rivers as creators of place Recounting her journeys along portions of the Mississippi the Danube the Amazon the Yangtze the Ganges the Nile and a dozen small U S rivers Hood weaves together natural history current environmental and conservation issues encounters with endangered plants and animals and tells some interesting tales along the way Like a river the book begins small with essays that are narrowly focused on themes of environment and place such as the need to write our world Three Rivers how fires and corporations control the West the Flathead the effect of wind farms on a small town in western New York the Conhocton the giant redwoods and how they were preserved the Klamath and the search for moose in the great north woods the Penobscot The second section expands the themes of environment and place and looks at great world rivers their long histories their biological diversity the effects of human use and tourism and the paradox of human reverence and destruction From endangered species to invasive species from corporate control of national parks to wind farms from urban sprawl to efforts at conservation and restoration RiverTime offers insights into our relationship to the environment in the twenty first century *RiverTime* Rae Renzi, 2011-02-14 Casey Lord needs a break

Her great on paper boyfriend Reed is pressuring her to marry him but she's not sure if he sees her merely as an asset to help his political career A river rafting trip in the remote wilderness provides the perfect opportunity to clear her head Until a flash flood sweeps Casey away from her group and straight into the arms of Jack a mysterious man also stranded by the flooding river Jack won't tell Casey his last name and her innocent questions about his life are met with evasive answers Yet they have to trust each other to survive and as the pair await rescue their uneasy truce slowly blossoms into friendship and love They agree to keep secret whatever differences may separate them in the real world When rescue finally arrives will it spell an end to their budding relationship or can they find a way to stay in RiverTime 84 200 words

In River Time Ann Woodlief, 1985 Here is a book about a river not merely where it flows and why not merely the history of those who have lived along its shores but what a river means in its time and place The river is the James which rises at Iron Gate in the Virginia mountains and flows through 335 miles of shoreline to the Chesapeake Bay and the ocean Historically it goes back to our national beginnings The first permanent English settlement in the New World took place at Jamestown Island in 1607 and for long centuries before that Indians lived hunted fished and grew crops along its banks The river has been waterway barrier creator of life and bringer of wealth agency of destruction and chaos No epoch of our history has not touched it deeply or been touched by it From publisher's description **NEET UG Physics Paper Study Notes | Chapter Wise Note Book For NEET Aspirants | Complete Preparation Guide with Self Assessment Exercise** EduGorilla Prep Experts, 2022-09-15 Best Selling Book in English Edition for NEET UG Physics Paper Exam with objective type questions as per the latest syllabus Increase your chances of selection by 16X NEET UG Physics Paper Study Notes Kit comes with well structured Content
