PREBIDIO

"I've written both an  
and in the little-known  
A. Navy riverine war in  
years. This book is a must."

...writing to me about the book. I am very pleased to hear that you have enjoyed it. The book is a story of the riverine war in the Mekong Delta, 1967. It is a story of the lives of the men who fought in the riverine war, and of the ships that they fought in. The book is a story of the lives of the men who fought in the riverine war, and of the ships that they fought in. The book is a story of the lives of the men who fought in the riverine war, and of the ships that they fought in.

# Riverine A Brownwater Sailor In The Delta 1967

**James H. Willbanks**

## **Riverine A Brownwater Sailor In The Delta 1967:**

Riverine Don Sheppard, 1985      **The Brown Water Navy In The Mekong Delta: COIN In The Littorals And Inland Waters** Lieutenant Commander Richard Sessoms, 2014-08-15 In 1964 the Viet Cong was firmly entrenched in the Mekong Delta region Using fear and terror tactics the insurgency gained control of the population creating a safe haven for the movement to thrive and expand The United States and the Government of South Vietnam recognized the infiltration problem in the Mekong Delta but their military organizations were either unable or incapable to deal with the problem The geography of the region made it impossible for a U S Army or Marine Corps division to operate effectively and the South Vietnamese Army and Navy lacked the training and equipment to operate successfully In response to these obstacles Secretary of Defense Robert McNamara commissioned the U S Navy to develop a fighting force capable of operating in the delta and ridding the region of the Viet Cong influence The Navy used for main Operations MARKET TIME GAME WARDEN The Mobile Riverine Force and SEALORDS to achieve these goals In four short years the Brown Water Sailors experienced marked success with Viet Cong influence minimized and resupply efforts rerouted to the tortuous Ho Chi Minh Trail However by the end of 1968 American resolve to fight a war in South Vietnam had deteriorated and the Government needed a way out President Nixon s Vietnamization program provided the exit for American forces and in turn mitigated the Brown Water Navy s successes of the previous four years The Brown Water Navy overcame tremendous obstacles in less than one year to create and deploy a formidable fighting force to the Mekong Delta In four years aggressive strides against the Viet Cong insurgency were achieved only to be mitigated by the effects of Vietnamization      *Riverine* ,1985      *War in the Shallows* John Darrell Sherwood, 2015 *War in the Shallows* published in 2015 by the Naval History and Heritage Command is the authoritative account of the U S Navy s hard fought battle along Vietnam s rivers and coastline from 1965 1968 At the height of the U S Navy s involvement in the Vietnam War the Navy s coastal and riverine forces included more than 30 000 Sailors and over 350 patrol vessels ranging in size from riverboats to destroyers These forces developed the most extensive maritime blockade in modern naval history and fought pitched battles against Viet Cong units in the Mekong Delta and elsewhere *War in the Shallows* explores the operations of the Navy s three inshore task forces from 1965 to 1968 It also delves into other themes such as basing technology tactics and command and control Finally using oral history interviews it reconstructs deckplate life in South Vietnam focusing in particular on combat waged by ordinary Sailors Vietnam was the bloodiest war in recent naval history and *War in the Shallows* strives above all else to provide insight into the men who fought it and honor their service and sacrifice Illustrated throughout with photographs and maps Author John Darrell Sherwood has served as a historian with the Naval History and Heritage Command NHHC since 1997 Provided by publisher      What Lessons Can Be Drawn From U.S. Riverine Operations During The Vietnam War Major David J. Spangler, 2014-08-15 This study examines U S riverine force operations in the Vietnam War to determine why the force was established how and why it evolved and what

significance it held for the war as a whole This study begins with Operation Game Warden continues through Mobile Riverine Force operations and ends with the completion of the SEALORDS campaign The impetus for this research arose from the current debate in Washington as to whether or not the U S military has a real need for riverine forces and if those forces should be stood up today Looking back through history gives an opportunity to view past riverine warfare conducted by the American military and determine the contributions such operations have made to the overall conduct of wars This study shows that riverine operations have been crucial to success in certain environments in the past and points to their possible use in similar environments today This study measures the effect of U S riverine operations in Vietnam and evaluates the contribution this type of force made to our war effort in that environment This study promotes the use of Task Force 194 which conducted the SEALORDS campaign as the model for establishing U S riverine forces today This study points out that the nucleus of a riverine force must be maintained doctrine modernized and crew currency maintained in order to have any reasonable expectation for success at the outset of future riverine conflicts Professional Journal of the United States Army ,1993 Historical Dictionary of the U.S. Army Jerold E. Brown,2000-12-30 Having evolved over the past two and a quarter centuries to become the premier military force in the world the U S Army has a heritage rich in history and tradition This historical dictionary provides short clear authoritative entries on a broad cross section of military terms concepts arms and equipment units and organizations campaigns and battles and people who have had a significant impact on Army It includes over 900 entries written by some 100 scholars providing a valuable resource for the interested reader student and researcher For those interested in pursuing specific subjects further the book provides sources at the end of each entry as well as a general bibliography Appendixes provide a useful list of abbreviations and acronyms and a listing of ranks and grades in the U S Army Military Review ,1993 *Proceedings of the Technology and the Mine Problem Symposium* Albert M. Bottoms,Barbara Honegger,1996 **Vietnam War** James H. Willbanks,2013-01-08 The Vietnam War was one of America s longest bloodiest and most controversial wars This volume examines the complexities of this protracted conflict and explains why the lessons learned in Vietnam are still highly relevant today Vietnam War The Essential Reference Guide provides a compendium of the key people places organizations treaties and events that make up the history of the war explaining its causes how it was conducted and its far reaching consequences Written by recognized authorities this ready reference volume provides essential information all in one place and includes a comprehensive list of additional sources for further study The work presents a detailed chronology that outlines the numerous battles and campaigns throughout the war such as the Tet Offensive the Battle of Hamburger Hill Operation Rolling Thunder and the Battle of Hue Biographies on Lyndon Johnson William Westmoreland Robert McNamara Ngo Dinh Diem and other major political figures and military leaders provide insight into the individuals who played key roles in the conflict while primary source documents such as President Nixon s speech on Vietnamization provide invaluable historical context Riverine Don Sheppard,1994 Patrolling

the Mekong Delta's Bassac River in heavily armed fiberglass boats the U S Navy's brown water sailors took the war to the enemy in some of the most extraordinary operations of the Vietnam War Here is the first important memoir to come out of the brown water navy by a former Lieutenant Commander *Air University Library Index to Military Periodicals* ,1994

*Parameters* ,1994 *River Warfare in Vietnam* Robin L. Rielly,2024-02-19 America's entrance into the wars in Vietnam came as a result of several factors Among them was the necessity of bolstering French influence in the area in the face of mounting communist expansion This expansion was intensified by the outbreak of the Korean War making it necessary for the United States to revamp its Southeast Asian policy During the French era control of Vietnam's rivers streams and canals became necessary This led various factions to develop specialized military units heavily dependent on new types of river craft that could traverse the myriad waterways in Vietnam The focal point of this study is a new assessment of the conduct of river warfare Drawing on little known French Vietnamese and American sources and materials it sheds light on an important aspect of the Vietnam War Chapters also detail numerous aspects of river warfare not generally covered in other books on the subject **Indochina Chronology** ,1992 **Vietnam** Spencer C. Tucker,2002-11-01 A comprehensive overview of warfare in Vietnamese history from the early efforts to free themselves from Chinese control through the Indo China and Vietnam Wars the Vietnamese invasion of Cambodia up to the Sino Vietnamese War in 1979 Concentrating on the Vietnam War the author explores the conflict from the Vietnamese perspective demonstrating how for many Vietnamese the war was merely one of a long series of struggles against foreign domination Encompassing socio political economic diplomatic and cultural issues this text provides an introduction to Vietnam's military history and will be of interest to students of 20th century American and Asian history *Forthcoming Books* Rose Army,1992 *The Encyclopedia of the Vietnam War* Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today's world Now in its second edition *The Encyclopedia of the Vietnam War A Political Social and Military History* adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO **Air Force Magazine**

,1992-07      **Library Journal** ,1992

This is likewise one of the factors by obtaining the soft documents of this **Riverine A Brownwater Sailor In The Delta 1967** by online. You might not require more get older to spend to go to the ebook foundation as well as search for them. In some cases, you likewise accomplish not discover the broadcast Riverine A Brownwater Sailor In The Delta 1967 that you are looking for. It will no question squander the time.

However below, subsequent to you visit this web page, it will be so entirely simple to acquire as competently as download guide Riverine A Brownwater Sailor In The Delta 1967

It will not admit many period as we tell before. You can complete it though be in something else at house and even in your workplace. for that reason easy! So, are you question?
