**Crossing the Lines of Caste** Adheesh A. Sathaye,2015 What does it mean to be a Brahmin and what could it mean to become one Over the years intellectuals and dogmatists have offered plenty of answers to the first question but the latter presents a cultural puzzle since normative Brahminical ideology deems it impossible for an ordinary individual to change caste without first undergoing death and rebirth There is however one notable figure in the Hindu mythological tradition who is said to have transformed himself from a king into a Brahmin by amassing great ascetic power or tapas the ornery sage Visvamitra Through texts composed in Sanskrit and vernacular languages oral performances and visual media Crossing the Lines of Caste examines the rich mosaic of legends about Visvamitra found across the Hindu mythological tradition It offers a comprehensive historical analysis of how the storyworlds conjured up through these various tellings have served to adapt upgrade and reinforce the social identity of real world Brahmin communities from the ancient Vedic past up to the hypermodern present Using a performance centered approach to situate the production of the Visvamitra legends within specific historical contexts Crossing the Lines of Caste reveals how and why mythological culture has played an active dialogical role in the construction of Brahmin social power over the last three thousand years      **The Second Blight War** John Sagert,2018-07-27 It is a time of beginnings a time of endings a time when the vast world of Andoran comes under great

upheaval nearing the end of one age only to give birth to another An ancient evil not seen since the Age of Dreams has come forth again to consume the living or bring death to those that would not be consumed It is a time shortly after an unnatural plague ravaged those who lived in a hard fought for short time of peace and harmony the Shadow Plagues brought upon by the re awakening of an even more ancient enemy called the Void that which seeks to utterly consume all that lives Fear rules the hearts and souls of all Though most only know this fear as something that could be about to happen a never ending ominous darkness that looms just out of sight the kind of apoplectic feeling that all wish and hope is only a bad dream It is dark times were the Lord of the Undead has reawakened from a three millennia old sleep The armies of the wicked join under the banner of this mad Lord These armies roam freely the lands once held by good people who died in the plagues There is hope as those few who still possess the strength of the First Men and Love of the Creator will stand defy and overcome or die trying to defeat that which would destroy any of the good placed in this vast mythical world Only the legions of the South and these few remaining ancestors of the First Men stand in the way of utter ruin
