Rivers, Stories, Houses, Dreams Madelon Sprengnether, 1983 These autobiographical essays are a combination of thought perception memory dreams and experience blended in a poetic cohesiveness Psychoanalyses / Feminisms Peter L. Rudnytsky, Andrew Gordon, 2000-01-01 Bringing together twelve provocative and iconoclastic contributions by leading scholars and new voices this book probes the complementary yet contested relations between various forms of contemporary psychoanalysis and feminism The intention is not simply to juxtapose these two preeminent intellectual movements of the twentieth century but to highlight the manifold nature of each The contributors use and interrogate Freud Lacan Klein Irigaray Riviere and Jessica Benjamin as well as object relations theory self psychology and Horneyan theory as they discuss the work of such writers as D H Lawrence Emily Bronte Virginia Woolf and Kathy Acker If feminism has insisted that the personal is political psychoanalysis argues that no realm of human life is impervious to unconscious motives which may subvert a subject's avowed intentions Although Freud remains a point of reference he is now important as a symptom of the crises of Western patriarchal culture as well as for his epoch making theoretical ideas Because feminism and psychoanalysis unsettle each other's complacencies they rekindle their own radical potential and what may be perhaps termed their marriage has proven as this book amply shows to be both enduring and fecund **Footsteps of Spirits; a Collection of ... saga of love and passion betrayal and conspiracy hope and ambition Dream Again, Die Again Nila Gott,2010-06-14
Plagued from boyhood by a recurring dream Matt once again awakens with his heart pounding The nightmare always ends when a Civil War soldier is shot in the chest and Matt is growing more and more certain that he is that soldier A misshapen bullet propels him into the life of young Silas in 1861 Fevre Dream George R. R. Martin,2012-04-24 A THRILLING REINVENTION OF THE VAMPIRE NOVEL BY THE MASTER OF MODERN FANTASY GEORGE R R MARTIN Abner Marsh a struggling riverboat captain suspects that something is amiss when he is approached by a wealthy aristocrat with a lucrative offer The hauntingly pale steely eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet nor does he care that he won't earn back his investment in a decade York's reasons for traversing the powerful Mississippi are to be none of Marsh's concern no matter how bizarre arbitrary or capricious York's actions may prove Not until the maiden voyage of *Fevre Dream* does Marsh realize that he has joined a mission both more sinister and perhaps more noble than his most fantastic nightmare and humankind's most impossible dream *Hemingway's Art of Revision* John Beall,2024-05 In *Hemingway's Art of Revision The Making of the Short Fiction* John Beall examines in close detail two of the author's vignettes from the first version of *In Our Time* and ten of his short stories with an extensive focus on manuscripts and typescripts as part of a broader examination of how Ernest Hemingway crafted his distinctive prose through a rigorous process of revision The first three chapters discuss the influence of Hemingway's three most important modernist mentors Ezra Pound James Joyce and Gertrude Stein The first chapter focuses on Pound's influence as the editor of the *Inquest* Series of which *Hemingway's In Our Time* was the final publication The second chapter examines the affinities between Joyce's *The Sisters* and Hemingway's *Indian Camp* In particular Beall develops the case for Joyce's influence on Hemingway's decision to revise the story to maintain the reader's focus on young Nick Adams's point of view in his first encounter with death Chapter three explores Hemingway's revisions of *Cat in the Rain* as reflecting the influence of Stein's novellas and sketches as well as that of Joyce's stories and novels The remaining chapters delve into the artistry of Hemingway's extensive revisions in later masterpieces from *Big Two Hearted River* to *Fathers and Sons* Beall's discussion of *Big Two Hearted River* shows that Hemingway's revisions were not simply cuts and omissions but included several paragraphs that he added to slow down the narrative and represent Nick Adams's careful observations of a kingfisher and trout as he watched their shadows on the river The chapter on *The Battler* and *The Killers* explores the extent to which Hemingway's revisions brought racial conflicts to the forefront of each story and portrayed Bugs and Sam as guides for Nick Adams A subsequent reading of the story *Now I Lay Me* shows that in rewriting the story Hemingway developed his portrait of Nick Adams as a writer making up imaginary rivers to cope with the traumas of childhood and war A chapter on *A Way You'll Never Be* focuses on how Hemingway's revisions developed crucial story elements including Nick's interior monologues manic lecture about grasshoppers and wacky sense of humor that showed the character restoring a sense of

emotional balance despite his memories of being wounded in World War I Subsequent chapters on Fathers and Sons Indian Camp Hills Like White Elephants The Gambler the Nun and the Radio and the concluding chapter in part focused on drafts of The Snows of Kilimanjaro offer new discussions of the author's process of revision based on his manuscripts and typescripts published in the Hemingway Library Edition In the end by drawing attention to the meticulous edits additions and deletions that helped shape these texts Beall reveals how extensively and richly Hemingway revised his drafts while composing some of his most powerful short fiction Hemingway's Art of Revision gives a detailed view of a great prose stylist at work
