Road Back Living With A Physical Disability:

The Road Back Harriet Sirof, 2000-05 The Road Back follows three teens who become disabled It explores the obstacles they overcome to accept their disabilities and make new lives covering hospitalization rehabilitation adjustments to school friends and family and problems of self image and self esteem The author has done a superb job of integrating story and fact to involve readers in these teens lives School Library Journal

Road Back Harriet Sirof, 2000-05-01 NULL **Families Living With Mental and Physical Challenges** Julianna Fields, 2015-02-03 When a child is born with mental or physical disabilities or develops them at some point after birth the child s family experiences a variety of challenges The person with the disability must learn to cope with his or her problem but the other family members also need to adjust There will always be sadness in such situations but there is often joy as well The families in this book have dealt with many emotions and more concrete problems as well They have things they regret about their situations but also things they are pleased with When a member of the family has a mental or physical disability each family member learns something from the experience This people in this book have shared some of these things in their stories

Healthy Teens, Body and Soul Andrea Marks, Betty Rothbart, 2003-02-04 This breakthrough book covers the head to toe outside inside health needs of today s 10 to 21 year olds Written by experts in adolescent medicine and parent child relationships this comprehensive reference gives no nonsense straightforward guidance on how to talk with teens in a way that will help them take charge of their own health Andrea Marks M D and Betty Rothbart M S W take a unique approach they focus on the interplay of physical mental emotional and social issues that make these years such a challenging time They show how physical health concerns must be considered within the context of the three main goals of adolescence gaining independence clarifying sexual identity Finding a realistic satisfying place in society Combining authoritative information with sound advice on communicating with teens who really do want and need their parents help even though at times it may seem otherwise Healthy Teens Body and Soul will teach parents how to open the lines of communication that will result in healthier happier teens and parents

Psychological Aspects of Physical Disability James F. Garrett, 1952 As workers in the field of rehabilitation we are realizing more and more that we do not rehabilitate people Rather we must be able to reach the heart and mind of the individual with whom we are dealing so he will want to avail himself of the services our program can provide for him His drive to accomplish his own rehabilitation must come from within himself and we must be sensitive too in the factors that can help or hinder establishing this indispensable primary base for rehabilitation Increasingly we are learning that human motivation is influenced by many things Especially important are the psychological and social factors of an individual s life These factors are important to consider early in our planning for the whole program of rehabilitation for the individual and in the evaluation of each step of its development This bulletin was written primarily for vocational rehabilitation counselors It is expected that it will assist them in planning better rehabilitation programs The need for awareness of the psychological adjustment mechanisms of the

physically disabled is not confined to the counselor however and it is hoped that physicians social workers psychologists and placement specialists may profit from the contents of this publication The cooperation and coordination of the various specialties is the most important element today in providing rehabilitation services for the disabled whereby they may take their rightful place as contributing members of society The interest and cooperation of the authors and the organizations many of them represent is a practical demonstration of the vital nature of the material presented herein We are aware of the fact that successful rehabilitation programs depend on integrated community activity and in a sense this bulletin epitomizes that approach
