Road House:

The Roadhouse Comes to Britain David W. Gutzke, Michael John Law, 2017-04-20 This is the first book to examine the cultural phenomenon of the roadhouse in mid 20th century Britain and its impact on British leisure The term roadhouse was used in varied ways in the 1930s from small roadside tearooms to enormous establishments on the outskirts of major cities These roadhouses were an important component in the transformation of leisure in the 1930s and beyond reflecting the increased levels of social and physical mobility brought about by new technologies suburbanisation and the influence of American culture Roadhouses attracted wealthy Londoners excited by the prospect of a high speed run into the countryside During the day they offered family activities such as tennis archery horse riding and swimming At night they provided all the fun of the West End with dancing classy restaurants cabaret swimsuit parades and dance demonstrations subverting the licensing laws to provide all night drinking Rumours abounded of prostitution and transgressive behaviour in the car park Roadhouses formed part of an imaginary America in suburban Britain that was promoted by the popularity of American movies music and fiction providing a pastiche of the American country club While much work has been done on the Soho nightclubs of the 1930s the roadhouse has been largely ignored Michael John Law and David Gutzke fill this gap in the literature by providing a comprehensive analysis of the roadhouse s cultural meaning demonstrating how its Americanisation was interpreted for British consumers This original and engaging study will be fascinating reading for all scholars of 20th century British cultural history

The Long Road Home Koba Sharikov, 2015-11-06 Koba Sharikov is a truly dauntless man who has achieved many things in spite of the difficulties he has faced and has made the impossible become possible Abandoned at birth to an orphanage in the midst of World War II Sharikov s story reveals the true diversity of human life from larceny to love loss and boatbuilding His is a life lived to its full potential where education both formal and informal became a passport to adventure I had a dream to live a life with no poetry unwritten no song unsung and no painting left unpainted so that at the end I could claim that all has been said and done These pages scratch the surface of a life lived with vigour and enthusiasm and take the reader on a vivid and inspiring journey Follow Sharikov s transformation from the small boy who took sanctuary amid the roots of a tree near his orphanage to the man who moved on to provide similar roots to orphaned African children His life s story is truly a testimony to his motto more is in me

On the Long Road Home Joe Walker, 2014-09-25 When the law abiding citizen drives by a state prison does he ever wonder how many prisoners are hanging with the handcuffs biting into their wrists with their arms pulled out of their sockets or lying on cold concrete floors naked for days without end On the Long Road Home is a story of a man whose life was riddled by crime but who rose no matter how deep the pit he fell into Let Joe Walker take you by the hand and lead you to the right way Let not his purpose be defeated for as he said If by writing my life story I can keep some young person from starting a life of crime it will be worth it
